On Saturday evening about twenty prisoners confined in the Wheeley workhouse mutinied, and, attacking the guard, escaped from custody. During the attack several of the prisoners handled F. McSherry, one of the guard, pretty roughly, and in self-defence, he pulled a revolver and fired, the ball missing his assailant and striking Patrick Daley, a prisoner, who was taking no part in the fight, in the abdomen, killing him instantly. The attacking prisoners escaped unhurt.

FISHERMAN ARRESTED.—The Port Tobacco Times says: "Last week Sheriff Wade and deputy Southerland arrested Joseph Read, of Georgetown, for a violation of the fishing laws, and brought him before Justice Boswell, by whom, after a hearing, he was found guilty and fined $5 and costs, and his boat and nets confiscated, as provided in the act of assembly. The law violated in this case is the act of assembly of 1878, chapter 502, which provides that no person shall haul a seine nor fish a net of any kind with a mesh of less size than three inches; and that a license of one cent per lineal fathom on all nets of every description shall be paid by fishermen before commencing to fish. It seems that the accused party had violated the law in two particulars, both in having his meshes too small and in failing to take out a license as required."

MEDICINAL.

DR. TUTT'S
EXPECTORANT.
IN 25 CTS. AND $1 BOTTLES.

Its properties are Demulcent, Nutritive, Balsamic, Soothing and Healing. Combining all these qualities, it is the most effective LUNG BALSAM ever offered to sufferers from pulmonary diseases.

Dr. J. F. HAYWOOD, of New York, voluntarily indorses it. Read what he says:

New York, Sept. 19, 1877.

Dr. Tutt: Dear Sir—During this year I treated nine hundred cases of lung diseases. In the lower wards of the city the cases were of a very severe type. It was there my attention was called to Tutt's Expectorant, and I confess my surprise at its wonderful power. During a practice of twenty years I have never known a medicine to act as promptly and with such happy effects. It instantly subdued the most violent fits of coughing, and invariably cured the disease in a few days. I cheerfully endorse it as the best lung medicine I ever used.

J. FRANCIS HAYWOOD, M.D.

A NEWSPAPER PUBLISHER WRITES

Office Evening News, Augusta, Ga.

Dr. Tutt: Dear Sir—My little son was attacked with pneumonia last winter, which left him with a violent cough that lasted till within a month since, for the cure of which I am indebted to your valuable Expectorant. I had tried most everything recommended, but none did any good until I used your Expectorant, one bottle of which removed the cough entirely. With many thanks, I am yours truly,

JOHN M. WEIGLE.

HAD TERRIBLE NIGHT SWEATS.

Memphis, February 11, 1871.

Dr. Tutt: Sir—I have been suffering for nearly two years with a severe cough. When I commenced taking your Expectorant I was reduced to one hundred and sixteen pounds in weight. I had tried almost everything; had terrible night sweats. I have taken half dozen bottles. The night sweats have left me, the cough has disappeared, and I have gained fifteen pounds in flesh. I recommend it to all my friends. With great respect,

OLIVER RICE.

IMPORTANT QUESTIONS.

Reader, have you caught a cold? Are you unable to raise the phlegm? Have you an irritation in the throat? A sense of oppression on the lungs, with short breath? Do you have a fit of coughing on lying down? A sharp pain now and then in a region of the heart, shoulders and back? IF SO, OUR ADVICE IS to take at once a dose of Tutt's Expectorant; you will soon be able to raise the phlegm. In an hour repeat the Expectorant, place a hot iron to the feet, take two of Tutt's Pills. You will soon fall into a pleasant sleep and wake up in the morning cough gone, lungs working freely; easy breathing and the bowels moving in a natural manner. To prevent a return of these symptoms use the Expectorant several days.
