FRIDAY EVENING, JUNE 10

WHO FIRST DISCOVERED AMERICA.—Some years ago an eminent antiquarian, Prof. Rafn, published a book showing that the Northmen, or Scandinavians undoubtedly visited the shores of North America about the year 1000, and that they probably entered Narragansett Bay. This suggested to some American antiquarians that the old tower at Newport, R. I., might have been erected by those hardy adventurers. Considerable stress was laid upon this, coupled with the fact, that about a thousand years ago these Northmen, settled Iceland, and it is known that a colony was sent from there to Greenland, while a glance at the map will show that the distance from there to the North American coast is not so great, that it could have easily been reached by these early rovers. It is also recorded in the Norse traditions that the Northmen in sailing West actually arrived at some country beyond Greenland. The Norse narratives describe a mild clime in the country they visited, and mention having found wild grapes, which is thought to refer to Rhode Island, there being plenty of these grapes on the islands in the harbor, or to Nova Scotia, where the climate and fruits are similar to those further South. There have also been found an inscription on a rock, near Dighton, Mass., which was once believed revealed words in the Norse language; and the brass breast plate, which was dug up at Fall river, Mass., and it was thought it might be the remains of a Norse Viking. Longfellow wrote his "Skeleton in Armor" about this relic. The island of Vinland, or Vineland, was given to the country visited. Nearly all the histories mention these earlier discoveries, and speak of the voyages of Erie to Greenland, and the traditions which remain of the first visits of these explorers to the new world.—*Chicago Inter Ocean.*

TRADE S.S.S. MARK.

Macon, Ga., March 31, 1879

From having been intimate with the proprietors of "Swift's Syphilitic Specific," I have known much of its manufacture and use. There are men in this community who were victims in early life to Syphilis, and who have taken the S. S. S. medicine, and are now, to all appearances and in their own belief, as free from *taint of disease* as the first man, fresh from the hand of his Maker. Delicacy forbids their public recommendations, but I am allowed to refer the *skeptic privately* to those who will endorse everything that can be said in its favor. Being professionally much opposed to recommending secret remedies, it is with hesitation I attach my name to this article; but I *know whereof I speak* when I say our science has not made public a combination equal to "Swift's Syphilitic Specific" for the purpose indicated

CAPON SPRINGS AND BATH, (SALKALINE LITHIA WATER,) HAMPSHIRE COUNTY, WEST VIRGINIA. Also Chalybeate Waters, rich in Iron, and a fine White Sulphur Spring in the Neighborhood. Open on June 1st to as late in October as the company will justify. Unequaled by any mineral waters in America for the cure of acid dyspepsia, kidney and bladder troubles, uterine ailments, gout, diseases of the skin, catarrh affections, rheumatism and functional heart troubles. IT IS AN UNFAILING SOLVENT OF CALCULI. These waters have proved of great value in many other diseases, but can be more confidently relied on in the above named than any other mineral springs in this country. I guarantee a cure if curable by mineral waters. The baths—hot, cold and shower—are unexcelled anywhere. The new and elegant swimming pool of alkaline water, the largest in the United States, if not in the world, is especially attractive. ☞No safer or better place for ladies or children to learn to swim. Plenty to fill their stomach and *new beds to rest them on.* Best mountain roads in Virginia; *one hundred dollars to the mile* expended upon them this spring. The air at this elevated region is pure and delicious. Capon being nearer to all the cities north of the Potomac than any of the Virginia springs of note by an average of a hundred and fifty miles, claims a large patronage on that score. For pleasure or health the traveler need not go further. Board, by the month, $42, $40 and $36 according to location. Send for pamphlets direct, or call on W. S. THOMPSON, 703 15th st Washington, D. C., for pamphlets and water. Fine music, good boating, fishing and hunting in season; good livery. W. H. SALE.
