Alexandria Gazette.

FRIDAY EVENING, DECEMBER 9.

THE DEAD ABBOT.—As stated in the GAZETTE, Archabbot Boniface Wimmer died yesterday morning at St. Vincent's Abbey, Westmoreland county, Pa. This eminent prelate was born in Thalmassing, Bavaria, on January 14, 1809 He was by his parents intended for the legal profession, but as he reached manhood showed decided preference for a higher mode of life and prepared himself for the priesthood. He was ordained a priest of the Catholic Church July 31, 1831. The following year he became a member of the Benedictine Order at the Abbey of Metten, which had just been re established by King Louis I, of Bavaria. From that time till 1846 he filled professorships at the colleges of the Benedictine Order in Augsburg and Munich. In 1846, seeing the need of more priests of German nationality in the United States, he, with a small band of faithful followers, came to the United States and settled in Westmoreland county, Pa., near Latrobe, where he founded the Monastery of St. Vincent. The membership of the order rapidly increased and in 1854 Pope Pius IX, created St. Vincent's an abbey, with Boniface Wimmer as its first abbot. Pope Leo XIII, raised the abbot to the dignity of an arch-abbot in 1883, and entitled him to wear "Magna Cappa." The Benedictines have founded abbeys and monasteries in many states of the Union, notably in New ark, N. J.; Atchison, Kan.; St. Louis, and on the lake near Minneapolis. The colleges of the order are very prosperous and have prepared upward of 500 secular priests for ordination.

### An Important Arrest.

The arrest of a suspicious character upon his general appearance, movements or companionship, without waiting until he has robbed a traveler, fired a house, or murdered a fellow-man, is an important function of a shrewd detective. Even more important is the arrest of a disease which if not checked, will blight and destroy a human life. The frequent cough, loss of appetite, general languor or debility, pallid skin, and bodily aches and pains, announce the approach of pulmonary consumption, which is promptly arrested and permanently cured by Dr. Pierce's "Golden Medical Discovery." Sold by druggists.

SPECIAL ELECTION.

Pursuant to resolution of the Common Council of the city of Alexandria, passed November 22d, 1887, a special election will be held in the Third ward, on WEDNESDAY DECEMBER 15th, 1887, for the election of a member of the Common Council to fill the vacancy occasioned by the resignation of L. W. Corbet. The polls will be opened at sunrise and close at sundown. The Judges and Clerks of the regular elections will be the Judges and Clerks of this special election.

The capital stock of this company is $625,000, divided into 625,000 shares of $1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment.

For full information in regard to this Mine apply to the
