MEDICINAL.

"May good digestion wait on appetite and health on both."

That sentence from Shakespeare is a genuine benediction of the body. In this as in so many other things the intuition of his mighty mind seems to have fathomed the facts which science has slowly discovered.

Science has shown that disease in any part of the body is almost always accompanied by weakness and failure of the digestive and assimilative organs. Under these conditions the stomach, liver and blood-making glands fail in their appointedwork. Then the symptoms of disease appear, often in organs apparently remote from the real cause. Vitality is lowered. There is a dull and sluggish feeling often accompanied by headache. The heart may seem affected. There may be lack of ambition and energy with mental irresolution. With such symptoms as these "delay is dangerous." Such a condition affords the favorite starting point for consumption. It is useless to "doctor" for the symptoms. The remedy that reaches the case must reach the cause of disease. The greatest medicine for all diseases of the stomach and other digestive and nutritive organs is Dr. Pierce's Golden Medical Discovery. It restores the appetite, re-establishes a sound digestion, purges out the bilious poisons which infect the blood, carries off waste and builds up sound and healthy tissues. The "Discovery" is not a stimulant. It contains no alcohol or whisky. No other medicine has so great a record of cures, therefore accept no substitute.

Dr. Pierce's Pellets cure constipation.

Rests with you whether you continue the nerve-killing tobacco habit. NO-TO-BAC removes the desire for tobacco, with out nervous distress, expels nicotine, purifies the blood, restores lost manhood, makes you strong in health, nerve and pocket-book. 1,500,000 boxes sold. 400,000 cases cured. Buy NO-TO-BAC from your own druggist, who will vouch for us. Take it with a will, patiently, persistently. One box, $1, usually cures; 3 boxes, $2.50, guaranteed to cure, or we refund money. AN OLD AND WELL-TRIED REMEDY.—Mrs Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. L. T. Travis, Agent Southern R. R., Selma, Ga., writes, "I cannot say too much in praise of One Minute Cough Cure. In my case it has worked like a charm." The only harmless remedy that gives immediate results. Cures coughs, colds, croup, bronchitis, and all throat and lung troubles.

THE SEPARATE-CAR BILL.

The following is the full text of the Epps separate-car bill, which was passed by the Senate yesterday, and now goes to the Governor:

1. Be it enacted by the General Assembly of Virginia, That all railroad companies and corporations, person or persons running or operating cars or coaches by steam, on any railroad line or track within this State, and all railroad companies, person or persons doing business in this State, whether upon the lines of railroads in part or whole, or leased by lines that may hereafter be granted in this State, and all foreign corporations, companies, person or persons organized under charters granted or that may be hereafter granted by any other State, who may be now or may hereafter be engaged in running or operating any of the railroads of this State, either in part or whole, either in their own name or that of others, are hereby required to furnish separate coaches or cars for the travel or transportation of the white and colored passengers on their respective lines of railroad. Each compartment of a coach divided by a good and substantial partition, with a door therein, shall be deemed a separate coach, within the meaning of this act, and each separate coach and compartment shall bear in some conspicuous place appropriate words in plain letters indicating the race for which it is set apart.

2. Be it further enacted, That the railroad companies, person, or persons shall make no difference or discrimination in the quality, convenience, or accommodation in the cars or coaches or partitions set apart for white and colored passengers.

3. Be it further enacted, That any railroad company or companies that shall fail, refuse, or neglect to comply with the provisons of sections 1 and 2 of this act shall be deemed guilty of misdemeanor, and upon indictment and conviction thereof shall be fined not less than $300 nor more than $1,000 for each offence.

4. Be it further enacted, That all county courts in whose counties railroads are operating, and corporation courts of cities, shall have complete jurisdiction over such offences.

5. Be it further enacted, That the conductors or managers of all railroads shall have power and are hereby required to assign to each white or colored passenger his or her respective car, coach, or compartment, and should any passenger refuse to occupy the car, coach, or compartment to which he or she may be assigned by the conductor or manager, said conductor or manager shall have the right to refuse to carry such passenger on his train, and may put such passenger off his train. And for such refusal and putting off the train, neither the manager, conductor, nor railroad company shall be liable for damages in any court.

6. Be it further enacted, That any conductor or manager on any railroad, who shall fail or refuse to carry out the provision of section 5 of this act, shall be deemed guilty of a misdemeanor, and upon indictment and conviction thereof shall be fined not less than $25 nor more that $50 for each offense.

7. Be it further enacted, That when any coach or compartment of a car for either race shall be completely filled, where no extra coaches or cars can be had, and the increased number of passengers could not be foreseen, the conductor in charge of such trains is hereby authorized to assign and set apart a portion of the car or compartment assigned to passengers of one race to passengers of another race.

8 Be it further enacted, That the provisions of this act shall not apply to employees on railroads, or persons employed as nurses, or officers in charge of prisoners, nor shall the same apply to the transportation of passengers in any caboose-car attached to a freight train, nor to Pullman cars, nor through express trains that do local business.

9. This act shall be in force from July 1, 1900.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, rundown people. Every bottle guaranteed. Only 50 cents. Sold by E. S. Leadbeater & Sons' Drug Store.

He Only Repeats What Has Been Said Around The World.

It has been demonstrated repeatedly in every State in the Union and in many foreign countries that Chamberlain's Cough Remedy is a certain preventive and cure for croup. It has become the universal remedy for that disease. M. V. Fisher, of Liberty, W. Va., only repeats what has been said around the globe when he writes: "I have used Chamberlain's Cough Remedy in my family for several years and always with perfect success. We believe that it is not only the best cough remedy, but that it is a sure cure for croup. It has saved the lives of our children a number of times." This remedy is for sale by all druggists

A CARD.

In closing out our business career in Alexandria we would be ungrateful indeed did we fail to appreciate and ackowledge our appreciation of the very substantial encouragement we have always received in our business efforts from the people of Alexandria and surrounding country. We therefore take this method of thanking our many friends and business acquaintances for their very generous patronage for the past fifteen years Our successors are Messrs. Swan & Bro., who, while they hail from Waynesboro', Va., have for the past ten years been engaged in the mercantile business in our sister, Washington, where they now have two fine stores. Backed, as they are, by plenty of capital and possessing, as they do, those qualifications which are equally important to attain business success—industry, energy and courtesy—I predict for them a grand success, and will be more than pleased if our friends and customers will encourage them, as they have us, with a very generous support. The business will be conducted as it has been heretofore—close prices and always excellent values. Satisfaction guaranteed in every transaction. Strictly one price and that price the lowest. The new firm will give special attention to their Men's Furnishing Department, and will carry a much larger and finer line than has ever been carried in our town The general stock will also be large and embrace many new and attractive innovations which I feel assured will be appreciated by our people.
