FOR THE LITTLE ONES.

A Northland Story of How the Robin Got a Red Breast.

A long, long time ago there was only one fire in the northland, for at that time there were no matches.

In the northland there lived a polar bear, and he thought when the man that took care of the fire and his son died he could have the northland all to himself, because when the fire was out the people would all freeze.

At last the man got very ill, and his son had to take care of him and also tend to the fire. But at last the son got so tired that he could not tend to the fire. This was what the polar bear was waiting for, so he went up to the fire and gave it a knock with his wet paw, and he kept slapping it until he thought that the fire was out.

A gray robin was flying that way, and, hunting about among the ashes, she found a little spark of fire that the bear had not put out. Then she flew down and fanned it till the red fire was ablaze again.

It took her quite a long time to get the fire blazing again, and while she was getting the fire to go her breast was scorched red by the heat of the fire, and that is the story of how the robin got her red breast.

Easy Fishing.

There is a fish that frequents in large numbers the shallow seas off the shores on northwest America from San Francisco to Sitka that loses its life through leaping too readily. Whenever it is alarmed it bounds out of the water. Now, there are few better students of nature than the Indians of the Pacific coast, who take advantage of this foolish habit to get food without working hard for it. When they see the great shoals of fishes swimming near the surface of the water, they get out their canoes and beat the water with the paddles, uttering hideous yells the while. Terrified out of their small wits, the fishes jump up into the air and fall into the canoes by the hundred. The Indians also capture them by the net and spear.

How a Boy Got Back His Ball.

Some boys playing baseball in the street knocked the ball against the window of a house and smashed a pane of glass. The ball fell into the yard, and one of the urchins started to recover it when a woman appeared and screamed:

"You boys can't have that ball! You've broken one of my windows!"

The boy at the gate pulled off his hat and made a bow expressive of the most profound respect.

"We'se didn't do it, lady," he said. "It was de ball. See?"

They got their ball on the strength of this argument.—New York News.

Wanted—More Meals.

"What can I do for my little boy," asked mamma, "so that he won't want to eat between meals?"

"Have the meals ficker together," replied the young hopeful.

To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy, I can recommend it with the utmost confidence. It has done good work for me and will do the same for others. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health, RALPH S. MEYERS, 64—Thirty-seventh street, Wheeling, W. Va. For sale by Richard Gibson druggist.

One Minute Cough Cure

Is the only harmless cough cure that gives quick relief. Cures Coughs, Colds, Croup, Bronchitis, Whooping Cough Pneumonia, Asthma, La Grippe and all Throat, Chest, and Lung troubles. I got soaked by rain, says Gertrude E. Fenner, Muncie, Ind., and contracted a severe cold and cough. I failed rapidly; lost 48 lbs. My druggist recommended One Minute Cough Cure. The first bottle brought relief; several cured me. I am back to my old weight, 148 lbs. One Minute Cough Cure cuts the phlegm, relieves the cough at once, draws out inflamation, cures croup. An ideal remedy for children. E. S. Leadbeater & Sons.

Don't Treat Symptoms

Go after the cause. Stimulants and cathartics will never cure indigestion. They may temporarily relieve the system but the next meal clogs it again. The food should be digested. The nourishment—health—strength it contains should be appropriated—absorbed by the system.

Children Thrive on Kodol

KODOL

purifies, cleanses, strengthens and sweetens the stomach. This new discovery digests all classes of food and assists the stomach and digestive organs in assimilating and transforming it into the kind of nourishment that is taken up by the blood and fed to the tissues throughout the various organs of the body. Kodol cures indigestion and dyspepsia, thus removing the cause of all stomach troubles. Kodol gives such strength to the body that it is invaluable in all wasting diseases.

"I wish to thank you for what Kodol has done for me," writes Clifton Girton, Collett, Ind. "It cured me of dyspepsia after everything else had failed. When I tried Kodol it helped me right away. I cheerfully recommend it."

Kodol Digests What You Eat.

Prepared by E. C. DeWitt & Co., Chicago. The $1 bottle contains 2½ times as much (by actual measurement) as the trial size which sells for 50c.

DeWitt's Little Early Risers the famous little liver pills for biliousness or constipation. Safe, thorough. They never gripe.
