DR. WM. HALL'S

BALSAM FOR THE LUNGS.

FOR the cure of Consumption, Decline, Asthma Bronchitis, Wasting of Flesh, Night sweats, Spitting of Blood, Breaking Cough, Difficulty of Breathing, Colds, Coughs, Influenza, Phthisic, Pain in the Side, and all Diseases of the Lungs.

☞ This Valuable Balsam is offered for a trifle more than the Worthless Nostrums Opiated, Calomel, or Mineral poison. And is safe for the most delicate child.

It is estimated that 150,000 persons die annually in the United States, with "Consumption," and Professor Eberly says that a vast number of these could be saved by the timely use of some proper remedy.

Dr. Hall's Balsam strikes at the root of the disease at once, and such is its speedy effect that any one using it freely according to directions for twenty-four or forty-eight hours, and not entirely satisfied with its merits may return it and receive back their money. The most distressing cough is frequently relieved by a single dose and broken up in a few hours time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

The public have been imposed upon by remedies recommended by certificates which have always originated from some unknown source. We believe that a medicine possessing real merits will effect cures wherever it is used, at home as well as abroad. This is no quaqmire preparation, but one which if used in season will save the lives of thousands.

We also then, to believe the oft-repeated story about the lungs being gone or rather let no such apprehension induce you to give up. Act upon the principle that while there is life there is hope. You can never be a loser by so trying, humanly speaking, as Hall's Balsam. More than one, my brothers has it brought almost from death to life, when all else had failed. Give then, this powerful but harmless remedy a trial.

Call on the agent and get a pamphlet gratis. The testimony contained therein is worth the price for the medicine. You will find certificates of physicians in Cincinnati, and of others whose cures have been effected here at home, where they can be found.

It has effected cures in numerous cases, where the most skillful physicians in this country and in Europe have been employed, and have exercised their skill in vain. Cases which they have pronounced incurable, and surrendered as hopeless beyond a doubt, leaving the patients without a single ray to enliven them in their gloom, have been cured by Dr. Hall's Balsam, and the "systems of consumption" are now vigorous and strong as the most robust among us. And these cures are not isolated ones; they are numerous, and can be points in every community where this most unrivaled remedy has been tried.

IF PHYSICIANS ASK IT, WILL IT IS NOT SAFE FOR THE PEOPLE?

CINCINNATI, Nov. 2

Messrs. A. L. Scovill & Co.:

Dear Sirs.—The public generally are fully aware of the thousands of remedies for diseased lungs, under the title of compounds, Pills, Plasters, Liniments, etc., that are daily brought to their notice through the newspapers, by way of advertisements. My object in writing this note for publication is to induce the public, or at least those who are afflicted, if they will use patent medicines, to use one that contains articles of real use in pulmonary diseases. I am conscious that in so doing I am acting most unpleasantly, and derogatory to the interests of medicine.

The medicine to which I refer is *Dr. Hall's Balsam for the Lungs*. I have prescribed in a large number of cases, and always with success. One case in particular to which I which pale to point, was given up by several physicians who had been called in consultation with myself. The patient had all the symptoms of confirmed consumption, such as cold night sweats, hectic fever harassing cough, with continued pain in the lobe of the right lung lung, attended with severe diarrhoea! He commenced immediately to get better by the use of the above-named medicine, and was soon restored to his usual health! I have also found Dr. Hall's Balsam the most valuable expectorant for breaking up distressing coughs and colds that I have ever used.

W. D. WRIGHT, M. D.

MORE PHYSICIANS' TESTIMONY.

☞ We, the undersigned Physicians of Cincinnati, certify that Dr. Wright's statements are entitled to the fullest confidence of the public, and we can fully corroborate what he has said, having used Dr. Hall's Balsam in a number of cases with the happiest effect.

Blood Purifier and Blood Pills

DR. ROBACK'S

Scandinavian Remedies.

WHEN Dr. Roback, the Celebrated Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative power. This was years ago. The task of recommending them has since been taken out of his hands. Enlightened men whose character for sound judgement and philosophy, gives their opinions weight in the community, men who observe, reflect, and make "nothing certain, doubly sure" before they decide—are everywhere approving and urging the use of these wonderful preparations. All who confide in the wisdom and honesty of this class or who chose to investigate for themselves are now of one mind on this important subject.

Dr Roback invites the attention of the sick to the *Original Letters*,

from members of the Medical Profession, Editors of public journals, well known Merchants and Farmers and ladies of the highest respectability, giving accounts of extraordinary cures wrought by the remedies, of which cures they themselves were

Eye Witnesses.

☞ These parties may be consulted personally or by letter, by those who have any doubt on the subject. The evidence in the possession of Dr Roback, which is at all times accessible to the public, establishes the following

Facts:

That the Blood Purifier and Blood Pills have been proved by analysis to

Contain no Mineral,

That they cure the almost universal complaint,

Dyspepsia,

with unerring certainty, and in a very short time. That after all other medicines have proved useless, they relieve

Liver Complaint,

and restore the health and strength of the sufferer. That

Sick Females,

who have languished for years in helpless weakness and despondency, recuperate with great rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gently stimulating properties. That they remove

Shattered Constitutions,

however they may have been trifled with and abused; that their direct tendency is to strengthen life and render it enjoyable. That acting directly upon the poisons of disease in the blood, they

Cause sore to Heal,

and discharge from the system every taint of Scrofula, whether hereditary or otherwise. That they

Restore the Debilitated,

and that there is no disease of the Stomach and Bowels, the liver, the nervous system, the skin, glands and muscles, arising from impurities of the blood and secretions in which they do not give prompt relief and (if administered before the very citadel of life has been invaded,) effect a painless and perfect cure.

Bear in mind that the Scandinavian Vegetable Blood Pills are endorsed by the experience of thousands of living witnesses, who, in letters, affidavits and medical works, and by word of mouth, proclaim them to be the very best preparation of the kind ever offered to the broken down victims of ill health. They hunt disease through every avenue and organ of the system, and to expel it thoroughly and permanently.

No one can doubt their superiority after one single trial—they are not only better tail, in fact cheaper than any other Pills, 25 cents per box, or 5 boxes for one dollar.

Read Dr. Roback's Special Notices and Certificates, published in a conspicuous part of this paper from time to time.

Dr. Roback's Medical Almanac and Family adviser, containing a great variety of interesting and valuable medical information, can be had gratis of any of his Agents throughout the country.

In difficult or complicated cases, Dr. Roback may be consulted personally or by letter, enclosing one stamp for the reply.

From Rev. Mr. McMullen, Pastor of Roberts Chapel

HARRISBURGH, October 8, 1857.

Dr. C. W. Roback:—Dear Sir—I have used your Blood Purifier for a nervous affection, from which I have suffered much at times. While it is pleasant to the taste, it certainly has a happy effect upon the nerves. Please accept my thanks for your kind regards, and believe me Yours, T. W. T. McMULLEN.

CARLISLE, Warren Co., O., March 8, 1858.

Dr. Roback—Dear Sir: For the benefit of suffering humanity permit me to say that I have found your Scandinavian Blood Purifier and Blood Pills a sure cure for Indigestion and Liver Complaint. I have suffered from the above mentioned diseases for five years and have tried great many physicians, but all to no purpose. I was advised by a friend to try your Blood Purifier and Pills, and did so. I was living in Cincinnati at the time, and I went to your office and purchased one bottle of the Purifier and one box of Pills to commence with, and lo! on the day I found your valuable medicines, for I am enjoying good health at present, and feel confident that the cure is permanent. Let others buy and take what they please; as for me, give me the Blood Purifier and Pills for all chronic diseases, which arise from impure blood and derangement of the digestive organs. I take no other medicines, and have not for the last eighteen months. Most truly, T. V. RUBOIS.

ST. NICHOLAS HOTEL, Broadway, New York.—When completed, six years ago, the St. Nicholas was universally pronounced the most magnificent, convenient, and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in completeness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1,000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience as social gratification of the traveling public has been omitted in its plan, or is neglected in its general details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments, and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.

FAIR PLAY.

D. BICKFORD would inform his friends and the public that he has as large and as good an assortment of Boots and Shoes as can be found in the city, and he will sell as low as any one can that means to be honest. He cannot sell good, fashionable, saleable shoes, worth $3.00 for $1.00. If any one else can, it is none of his business, so long as they owe him nothing. But he has cheap Boots and Shoes, and will sell as low as any one can afford. my3-tf

Medical.

INPECTINE,

THE PERSIAN FEVER CHARM.—For the prevention and cure of Fever and Ague and Bilious Fevers. This wonderful remedy was brought to the knowledge of the present proprietors by a friend who has been a great traveler in Persia and the Holy Land.

While going down the river Euphrates, he experienced a severe attack of Fever and Ague. On discovering his condition, one of the Boatmen took from his person an Amulet, saying, "Wear this and no fever will touch you." Although incredulous as to its virtues, he complied, and experienced immediate relief, and has since always found it an effectual protection from all malarious complaints.

On further investigation he found that the boatman attributed to it miraculous powers, and said that it could only be obtained from the priests of the Sun. Sometime afterwards, the gentleman in conversing with a Priest obtained from him the secret of its preparation, and ascertained where the medicinal herbs were found, of which it was compounded. The wonderful virtues of this article have induced a full belief in the minds of the natives in the miraculous healing powers of their Priests.

Since his return to America, it has been tried with the happiest effect by several Ladies and Gentlemen of high character, who have given it the most unqualified praise. This remedy having been a specific in Persia for hundreds of years, for the prevention and cure of Fever and Ague, and Bilious Fevers—is now offered to the American people.

It will be sent by mail, prepaid, with full directions for use, on receipt of one dollar.
