DR. G. C. VAUGHAN'S
VEGETABLE LITHONTRIPTIC MIXTURE!

THIS celebrated remedie is constantly increasing its fame by the many cures it is making

ALL OVER THE WORLD.

It has now become *the only medicine for family use*, and is particularly recommended for

DROPSY:

all stages of this complaint immediately relieved, no matter of how long standing. *See Pamphlet for Testimony.* This disease is as painful as it is dangerous, and the slow and dreadful progress of the malady, leaving the system in a degree which renders the patient nearly unable to move, forms one of its most disgusting features.

HITHERTO INCURABLE,

it now yields to this remedy—and Physicians use it publicly and privately with perfect success. Let any one who has ever had a symptom of Dropsy, of any character keep this article by them, and, if they would avoid the unnatural

APPLICATION OF THE KNIFE,

to perforate the system and let the accumulated water flow away, only to fill up again, and finally to end in a dreadful death, let them just see this remedy in action, and a recovery is sure. Let them try it at any stage of this disease, and a cure is certain, if they will give it a fair trial.

GRAVEL,

and all diseases of the urinary organs; for these distressing complaints it stands alone, no other article can relieve them; and the cures testified to will convince the most sceptical.—See pamphlet

DEBILITY OF THE SYSTEM,

weak back, weakness of the Kidneys, &c., or inflammation of urine, is immediately relieved by a few days' use of this medicine, and a cure is always a result of its use. It stands in

A CERTAIN REMEDY

for such complaints, and also for derangements of the female frame.

IRREGULARITIES, SUPPRESSIONS,

painful menstruations. No article has ever been offered except this, which would touch this kind of derangements. It may be relied upon as a sure and effective remedy, and she we feel permitted to do so, could give

A THOUSAND NAMES

as proof of cures in this distressing class of complaints. See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the lonicing power of this article to act immediately, and the poisonous mineral eradicated from the system.

The 22 distinct properties which compose this article, manifest themselves particularly in the application of the compound, for the distressing class of complaints which head this paragraph. For centuries there has been used in the north of Europe, a

CERTAIN BOTANICAL AGENT,

which in all diseases or derangements of the female frame, obstructions, difficulties, painful menstruations, &c., has proved a sure cure. This root is indigenous to our soil, and found in large quantities, and as a medicinal property, stands without an equal; it forms one of the compounds in the preparation, which, as a whole, is the best remedy ever given to a debilitated female; it is sure, and the system will be restored to health by its use.

For the relief of all Spasmodic Diseases attendant on pregnancy it allays those distressing and painful troubles which often cause both to married and unmarried females, and removes those periodical obstructions which arise from taking cold, &c.

CONSUMPTION AND LIVER COMPLAINT, *Bilious Diseases, Inflammation of the Lungs, Coughs, Colds, Hoarseness, Night Sweats, Weakness, &c.*, for all these diseases no Medicine has ever been its equal.

CANCERS, FEVER SORES, SCROFULA,

SWELLED JOINTS, HARD TUMORS, and SPINAL AFFECTIONS *this Medicine has not as curing the worst cases; let no one be deterred with these complaints, or any other, trouble to try this Medicine, as a cure will certainly result from its use, there being no Medicine now before the world its equal. Call on Agents and get a Pamphlet.*

FEVER AND AGUE.

To the Great West especially, and wherever these complaints prevail, this medicine is offered;

NO MINERAL AGENT,

no deleterious compound is a part of this mixture, it cures these diseases with certainty and celerity, and does not leave the system tender.

It is made of roots alone, and is purely a Vegetable Preparation, and has nothing in its composition which can in the least injure any person, under any circumstances whatever. Numerous certificates of the highest respectability are published in the pamphlets, which are distributed gratuitously

PILES,

a complaint of a most painful character, is

IMMEDIATELY RELIEVED,

and a cure follows by a few days use of this article; it is far before any other preparation for this disease, or for any other disease originating from impure blood. See pamphlet.

ERUPTIVE DISEASES

will find the alterative properties of the article

PURIFY THE BLOOD,

and drive such disease from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here. Agents give them away; they contain a space of certificates of high character, and a stronger

ARRAY OF PROOF

of the virtues of a medicine, never appeared. It is one of the peculiar features of this article that it never fails to benefit in any case, and it been and scrofulous are left to build upon let the enamelled and lingering invalid

HOPE ON

and keep taking the medicine as long as there is an improvement. The proprietor would

CAUTION THE PUBLIC

against a number of articles which come out under the head of

SARSAPARILLAS, SYRUPS, &c.,

as cures for Dropsy, Gravel, &c.: They are good for nothing, and concocted to gull the unwary.

TOUCH THEM NOT.

Their inventors never thought of curing such diseases till this article had done it. A particular study of the pamphlet is earnestly solicited.

Agents and all who sell the article are

GLAD TO CIRCULATE

gratuitously. Put up in 8 oz. bottles, at $1; 12 oz. do. at 50 cts. each—the large holding 6 oz. more than two small bottles. *Look out and not get imposed upon.* Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the *written* signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," *stamped* on the cork. None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 197 Main street, Buffalo, at wholesale and retail. Dr. Guysott's Improved Extract Yellow Dock and Sarsaparilla.

The original and only genuine preparation for the permanent cure of consumption and diseases of the Lungs when they are supposed to be affected by the two free use of Mercury, Iron, Quinine, &c

Let all who wish to purge the blood from impurities, and prepare the system to resist epidemics, resort to "Guysott's Extract of Yellow Dock and Sarsaparilla," which is proving itself an antidote for many of the most malignant diseases that flesh is heir to, and they will never be disappointed; for in this remedy the public faith has never wavered—never can waver; for it is founded on experience They fly from the mineral nostrums to seek hope, life and vigor from this purely Vegetable Remedy however broken down in health and spirits—however loathsome to himself and others, let no one despair of recovery; let the patient only understand that his hope of physical restoration lies only in "Guysott's Extract of Yellow Dock and Sarsaparilla," and persuade him, for his life's sake, to try it, and we have no hesitation in predicting his speedy restoration to health.

The following case of Benajah Hughes is one of the most astonishing on record. After forty years' sickness, two years' excruciating torture, the amputation of one leg, and the body and limbs almost a mass of eating, putrifying, discharging ulcers, to be cured by eight bottles of Guysott's Extract of Yellow Dock and Sarsaparilla, is almost miraculous.

READ THE CERTITICATE.

Tallapoosa Co., Ala., Jan. 2, 1852.

Dr. Guysott—Dear Sir:—I send you this to certify to you that your Extract of Yellow Dock and Sarsaparilla has performed one of the most wonderful cures on me that has ever been effected on man.

I have been afflicted for forty years with irruptions on my legs and feet; in 1848 they got so bad that I had to go on crutches, and in 1849 I had one leg amputated above the knee. In about 9 months after my other leg broke out in large eating and running sores from my knee to my foot, and discharged much offensive matter. My groin also broke out in large biles, which much offensive matter, and at the same time my left hand broke out in large running sores nearly to my elbow.

The misery that I have suffered for the last two years I cannot describe to you. I was in such agony that I never rested day nor night. I was given up to die, and by the help of God I had made preparation for death, and had potuted out to my family the place where to bury my remains.

In October last my son brought me one of your bottle-wrappers; I read it, and found record of some wonderful cures performed by your "Extract of Yellow Dock and Sarsaparilla." I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all become easy, and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had nearly all healed.—My sores got well as if by enchantment. I have now used in all eight bottles of your "Extract of Dock and Sarsaparilla," and I now consider myself well. I am at a loss for terms to set forth the worth of this medicine, or to express my gratitude for what it has done for me. I must call it the Savior of man from miserp while living on earth.

I entreat all of the afflicted to try this medicine, for I believe it will cure any known disease in the the world.—Lay aside all prejudice and just try it, and proclaim its great worth to sufferiag mankind and entreat them to take it, for it will cure them.

My case is well known in a large portion of South Carolina, Georgia and Alabama, and if any should doubt the above cure, I invite them to call on me, and I will show them the scars. I can be found in Tallaposa Co., Ala., one mile from Stoe's Ferry. BENEJAH HUGHES.

Scrofula, Syphilis, Mercurial complaints, Cancer Gangrene, Rheumatism and a vast variety of other disagreeable and dangerous diseases are speedily and perfectly cured by the use of this medicine.

Dadeville, Ala., May 21, 1852.

Messrs. Scoville & Head:—This is to certify that about the first of February last, I was afflicted with three or four painful sores on and about the face, some of them as large as a quarter of a dollar; they assumed the appearance of cancers, and I was fearful they would terminate in cancers.

About three weeks since I commenced taking Doctor Guysott's Extract of Yellow Dock and Sarsaparilla, and found immediate relief from its use. I have not taken quite two bottles, and the sores on my face are all healed up; and those on my face are nearly so; and I truly believe they will be entirely well in a few days.

I cheerfully recommend this medicine to persons afflicted with any kind of eruptions or cancerous sores. My general health is much improved by the use of the medicine.

Respectfully, RICAARD B. BURK.

The public have been imposed upon by remedies, recommended by certificates which have always originated from some unknown source.—We believe that a *Medicine possessing real merits* will effect cures wherever it is used, at home as well as abroad. *This is no Paregoric* preparation, but one which if used in season will save the lives of thousands: and persons *may make this bargain with agents* from whom they purchase, that in every case where it is used freely according to directions, and entire satisfaction is not given in 24 or 48 hours, they can return the medicine, and their MONEY *will be cheerfully refunded.*

Weigh and Consider.

DR. HALL'S BALSAM is no Paregoric preparation, but a Medicine WHICH MAKES CURES at home, where the parties can be found.

The Great Cough and Consumptive Remedy.

READER! have you a Cough which you are neglecting, under the idea that it is only a common cold, and that it will soon wear itself out?—Let a friend tell you, in all kindness, what will soon be the probable result.

In a short time, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp darting pains. Then a dry hacking cough will set in, and when you raise anything it will be a thick and yealowish, or white frothy matter, streaked, perhaps, with blood. If you still take no medicine, these unpleasant symptoms will increase, and you will soon save a hectic fever, cold chills, night sweats, copious expectoration, and then great prostration. If you still neglect yourself, a few weeks or months will see you consigned to the grave, leaving your friends to mourn how rapidly consumption did its work, and hurried you away. Friend, have you no cause to be alarmed! In the above sketch, you may see, as in a glass, how every case of Consumption progresses, with more or less rapidity, to a fatal termination. Of all the thousands and millions whom this great Destroyer has gathered to the tomb, every single case began with a cold. If this had been attended to, all might have been well; but being neglected, under the fatal delusion that it would 'wear itself off,' it transferred its deadly astion to the substance of the lungs, exciting there the formation of tubescles. Another, and anothel cold added fuel to the flame, until these tubercles began to soften and supentrate, leaving by their ulceration, great cavities in the lungs. At this crisis, the disease is very difficult to cure, and ofteutimes sets at defiance all human means.

In the latter or worst stage, this medicine will oftentimes arrest the disease, or check its progress and will always make the patient more comfortable and prolong his life, and it is therefore worthy of a trial; but in its incipient or former periods, Consumption is as curable as any other disease, and DR. HALL'S BALSAM FOR THE LUNGS, if taken at this time, will cure it ☞ AS SURELY AS IT IS TAKEN! ☜ This is strong language, but we can refer you to numberless living witnesses to prove that it is true! And therefore, we earnestly exhirt every man, woman and child, who has a cough, or is subject to colds, to keep the medicine by you in the house, and whenever you take cold, do not 'let it alone' to work mischief in your system, but eradicate it thoroughly, and at once, by this powerfully healing compound, and leave your lungs uninjured, to carry you infull vigor to a good old age!

CONSUPTION CURED.
TESTIMONY OF A PHYSICIAN.

Messrs. Baker & Co.:

Dear Sirs—The public generally are fully aware of the thousands of remedies for Diseased Lungs, under the titles of Sarsaparillas, Pills, Plasters, Liniments, &c., that are daily brought to their notice through the newspapers, by way of advertisements. My object in writing this note for publication, is to induce the public, or at least those who are afflicted (if they will use patent medicines), to use one that contains articles of real use in *Pulmonary Diseases.* I am conscious that, in so doing, I am acting most unprofessionally, and derogatory to the interests of medical science and the regular practitioners of medicine.

The Medicine to which I refer is "DR. HALL'S BALSAM FOR THE LUNGS." I have prescribed it in a large number of cases, and *always with success.* One case in particular, to which I wish now to refer, was given up by several physicians who had been called in consultation with myself. The patient had all the symptoms of confirmed consumption, such as Cold Night Sweats Hectic Fever, Harrassing Cough, with continued pain in the Lobe of the right lung, attended with severe Diarrhœa! He commenced immediately to get better, by the use of the above named medicine, and was soon restored to his usual health! I have also found Dr. Hall's Balsam the most valuable Expectorant for breaking up distressing Coughs and Colds that I have ever used.

We the undersigned, Physicains of Cincinnati, certify that Dr. Wright's statements are entitled to the fullest confidence of the public, and we can fully corroborate what he has said, having used DR. HALL,S BALSAM in a number of cases, with the happiest effects!

CHERRY PECTORAL

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

Many years of trial, instead of impairing the public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community, have failed and been discored, this has gained friends by every trial, conferred benefits upon the afflicted they can never forget, and produced cures so numerous and so remarkable to be forgotten.

While is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the Cherry Pectoral does not only as a general thing, but almost invariably cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the the best reliance of the afflicted, from the log cabin of the American Peasant, to the Palaces of European Kings. Throughout this entire country, in every State, city, and indeed in almost every hamlet it contains, Cherry Pectoral is known as the best remedy extant for diseases of the Throat and Lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, Cherry Pectoral is introduced, and in constant use in the armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attendins can employ for the mere dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

The Cherry Pectoral is manufactured by a practical Chemist, and every ounce of it is under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without sculteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidece—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

Two Lives Saved by the use of only Three Bottles of "Wistar's Balsam of Wild Cherry."

Mt. Eden, Ky., July 24, 1852.

Messrs. Harcourt Howard & Co.—Gents:—The "Dr. Wistar's Balsam of Wild Cherry," that I bought of you has been of such signal benefit in my family, that I wish to make its virtues known for the benefit of the public.

My wife took cold at the time of her confinement which settled on her Lungs. The physicians pronounced her disease consuption. She had profuse night sweats and had coughs; she was given up, for we pespaired of her recovery, and her child partook of her complaint. She then commenced taking "Wistar's Balsam of Wild Cherry," and three bottles effected an entire cure with her and the child both.

I have no doubt that they would have now been in their graves if they had not have used Wistar's Balsam of Wild Cherry. SETH R. SEARCY.

Seth R. Searcy, whose certihcates is above, is a man of as much veracity as any in this country, and a man of good judgment, and we place entire reliance on his statement.
