This is the only institution in Northern Ohio having *real* "Examining Committees," before whom each student must pass an examination, and from whom, if competent, they will receive certificates.

Any student entering our College may rest assured that no gentleman's name is used by us, but such as are actively engaged, and no departments advertised but such as are regularly instituted. And though we have no disposition to make comparisons unfavorable to any one, (especially ourselves,) we unhesitatingly offer our "Course" to the public, as equal, if not superior to any similar institution in the country, and ask the public to examine. DR. ROBACK'S
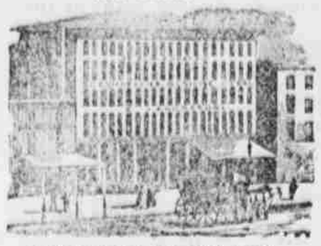
BLOOD PURIFIER & BLOOD PILLS
THE GREAT



SCANDINAVIAN
VEGETABLE REMEDIES.

TO THOSE WHO THINK AND REASON.

THE INTELLIGENT IN THIS COUNTRY, are always ready to test the merits of a prominent discovery or invention, and if satisfied of its excellence, to adopt, approve and recommend it. It is to this thinking, reasoning class, who always look before they leap, and whose honest and rational judgment give tone to public opinion, that DR. ROBACK'S BLOOD PURIFIER AND PILLS owe their immense success. When this

GREAT AMBASSADOR OF HEALTH

Was announced that his Scandinavian Remedies were infallible in *Dyspepsia, Liver Complaint, Nervous Diseases, Sexual Weakness, Scrofula, Premature Old Age, Fever and Ague, Rheumatism, Neuralgia, Fits, Hemorrhoids or Piles, Weak Stomach, Colic, Diarrhea, etc.*, he stated the manner in which they operated. Their actual effects were compared by sagacious men, with the distinguished physician's statements, and it was found that every stage of the progress of cure, was precisely as he had described it. The result was that the *mind of the country* became interested, and that person is of the highest standing in every town and city in the Union, patronized the preparations, and admitted the claims of the illustrious Swede, to be the *First Medical Discoverer of the Age.*

Blood Purifier and Pills,

are now universally recommended by well informed and candid persons, as an immediate cure for

INDIGESTION,

Costiveness, diseases of the Kidneys, Cramps in the Stomach, Wind, Colic, Pain between the Shoulders, Nausea, Headache,

LIVER COMPLAINT,

Jaundice, Pain in the Right Side, Loss of Appetite, Sleeplessness, Nightmare,

GENERAL DEBILITY,

Nervous Tremors, Fainting Fits, Epilepsy, Mental Irritation, Despondency, Wasting of the Flesh,

SCROFULA,

Sore Leg, Ulcers on the Body, Pimples on the Face, General Eruptions, Boils, Mercurial Sores, Glandular swellings, secondary symptoms,

NEURALGIA,

Rheumatism, Lumbago, Stiff Joints, Paralysis, St. Vitus' Dance, Nervous Tattlebings,

FEMALE COMPLAINTS,

sexual weakness, barrenness, diseases of the womb, weakness of the back, loins and limbs,

AFFECTIONS OF THE LUNGS,

bronchitis, asthma, pleurisy, catarrh, influenza, cough, and all other disorders, if administered before the disease has struck a mortal blow at the great vital organs.

AUTOGRAPH LETTERS,

Of distinguished men of every profession, warmly recommending the preparations may be seen at Dr. Roback's Office.

In the SCANDINAVIAN VEGETABLE BLOOD PILLS are united the three great medicinal properties which Physicians have heretofore tried in vain to combine in one preparation. They relieve the bowels, purify the bile and the blood, and invigorate the constitution, at one and the same time. To this fact, all who try them will subscribe. The absence of mercury, and of every stupifying drug, renders them harmless, even to the most delicate female, or the feeblest child. No one can doubt their superiority after one single trial—they are not only better, but, in fact, cheaper than any other Pills, for it takes a less number of them to make a better effect.

Price of the Scandinavian Blood Purifier, $1 per bottle, or $6 per half dozen. Of the Scandinavian Blood Pills, 25 cents per box, or 5 boxes for $1.

☞ Read Dr. Roback's special notices and certificates, published in a conspicuous part of this paper from time to time. Dr. Roback's Medical Almanac, and Family Adviser, containing a great amount of interesting and valuable Medical information, can be had gratis of any of his agents throughout the country.

From Rev. Mr. McMullen Pastor of Roberts Chapel.

Indianapolis Oct. 3, 1857.

Dr. C. W. Roback—Dear Sir: I have used your Blood Purifier for a nervous affection, from which I have suffered much at times. While it has a pleasant taste it certainly has a happy effect upon the nerves. Please accept my thanks for your kind regard, and believe me,

Yours, J. W. T. M'MULLEN.

DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,

WILL EFFECTUALLY CURE
LIVER COMPLAINT, DYSPEPSIA, JAUNDICE, *Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a disordered Liver or Stomach,*

Such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietors, in calling the attention of the public to this preparation, do so with a feeling of the utmost confidence in its virtues, and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood a test of ten years' trial before the American people, and its reputation and sale are unrivalled by any similar preparation extant. The testimony in its favor, given by prominent and well-known Physicians and individuals in all parts of the country is immense; and a careful study of the Almanac, published annually by the proprietor, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Oct. 28, 1858—25ly.

DR. HOOFLAND'S
BALSAMIC CORDIAL,

FOR THE SPEEDY CURE OF
Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels arising from Cold, Incipient Consumption, and for the relief and, after all possible, cure of Patients in advanced stages of the latter disease.

This celebrated preparation, like the Bitters, may be confidentially relied on. It is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a "*slight cold*." That eminent authority, Dr. Bell, says: "I will not say that colds are to our inhabitants what the *Plague* and *Yellow Fever* are to those of other countries; but I can aver confidently that they usher in disease of greater complexity and mortality than these latter."

A further proof of the terrible fatality of diseases resulting from a "*common cold*" may be seen by a glance at the following statistics, taken from the records of the Board of Health of Philadelphia, confessedly one of the most healthy localities in the Union—

1852. Total deaths in Philadelphia,		10,261
Died of Consumption,	1,912	
" " all other diseases, (258 in number,)	8,349	
		10,261
1853. Total deaths,		9,749
Died of Consumption,	1,895	
" " all other diseases	9,636	
		11,814

From these figures it will be seen that nearly one fourth of the total deaths in the country are caused by consumption, to say nothing of the numerous other diseases springing from "slight colds."

Do not trifle with your health; but if suffering from a slight cough or cold on the lungs, buy a bottle of HOOFLAND'S BALSAMIC CORDIAL, and you may safely count on a cure. Thousands have done so, and have certified to its wonderful effects.

Coughs often proceed from a disordered or dyspeptic state of the stomach, in which case, the German Bitters should be used. In case of weakness, or general debility of the system, resulting from a protracted cough, the German Bitters will be found a great benefit.

Prepared only by Dr. C. M. Jackson, 418 Arch street, Philadelphia, and for sale by druggists and storekeepers throughout the United States and Canada. Price 75 cents per bottle. [Oct. 28, 1858—25ly.

MORE TO BE ADMIRED THAN THE
RICHEST DIADEM
EVER
Worn by Kings or Emperors.

What! Why, a Beautiful HEAD OF HAIR.

BECAUSE it is the ornament *God himself* provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth those of pearl, if the head be bereft of its covering, or the hair be snarled or shriveled, *harsh or dry*, or worse still, if sprinkled with gray, nature will lose more than half of her charms. Prof. Wood's Hair Restorative if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the *celebrated Pianist, Thalberg:*

New York, April 19, 1858.

Dr. Wood:—*Dear Sir:*—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States, I was rapidly becoming gray, but on the application of your "Hair Restorative," it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable. I am dear sir, Yours truly, S. THALBERG.

"Dreyfus' Gewlichkeiter."

Welsh Newspaper office, 13 Nassau st., April 12, '58.

Prof. O. J. Wood:—*Dear Sir:*—Some month or two ago I received a bottle of your Hair Restorative, and gave it to my wife who concluded to try it on her hair, little thinking at the time, that it would restore her hair to its original color; but to her, as well as my surprise, after a few weeks' trial, it performed that wonderful effect by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above restorative to all persons in want of such a change of their hair. CHARLES GARDEW,

New York, July 15, 1857.

Prof. O. J. Wood: With confidence do I recommend your Hair Restorative as being the most efficacious article I ever saw. Since using your Hair Restorative, my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me from all dandruff and uneasy scratching, so common among persons who perspire freely. J. G. KILBY.

Prof. Wood: About two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color (black.) At this time it is fully restored to its original color, health, and appearance, and I cheerfully recommend its use to all. J. D. HOES.

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small. The small holds 4 a pint, and retails at one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for three dollars.

SINGER'S SEWING MACHINES.

IN all the leading branches of manufacturing industry the great practical superiority of Singer's Sewing Machines is a fact established beyond dispute. No tailor, shoe manufacturer, clothier, seamstress, dress maker, saddler, carriage trimmer, hat manufacturer, &c., &c., can afford to do without them.

One Thousand Dollars a Year

Is only a fair average of the actual profit from the use of each one of these Machines, and, for confirmation of this truth, we refer to any one of the thousands of persons who use them. They are adapted to every sort of work, fine or coarse, upon silk, cotton, linen and woolen fabrics, also light and heavy leather. They never fail to give entire satisfaction.

To meet the growing demand for a smaller and more elegant machine for private household purposes, we have just produced, and are ready to receive orders for

Singer's New Family Sewing Machine,

Which is the most compact and beautiful Sewing Machine ever constructed. It is ornamented in the highest style of art, and all who see it are delighted with it. It makes the improved interlocked stitch, and is capable of doing a greater variety of work in better style than any other Sewing Machine ever offered for family purposes.

It is not subject to the objection of using twice too much thread, and making a raveling seam, like the Grover & Baker; nor is it confined in its operation to a few thin fabrics, liable to get out of order, and unfitted to use flax thread, like the Wheeler & Wilson Machine; but is amply sufficient to perform all kinds of family sewing.

Price of Family Machine with iron table complete for use, $100. The larger standard machines, from $125 to $200. Send for I. M. Singer & Co.'s Gazette a beautiful pictorial paper, devoted to Sewing Machines, and containing list of prices, and all other information on the subject. It will be forwarded gratis.

IMPORTANT TO
TOBACCO CHEWERS!!
DR. GUSTAVUS LINNARD'S
TASTE RESTORATIVE TROCHES,
The Great Substitute for Tobacco.

It is a well known and incontrovertable fact that the inordinate use of Tobacco is the promoting cause of the most severe

MENTAL AND PHYSICAL DISORDERS

to which the race of man is subject, as careful analysis and long and painful experience have clearly proved that it contains certain narcotic properties most injurious in their effects, which, by entering into the blood derange the functions and operations of the Heart, causing many to suppose they are troubled with a chronic affection of that organ.

TOBACCO affects also the entire nervous system, manifesting itself—as all who have ever used the noxious weed will bear testimony—in Lassitude, Nervous Irritability, Water Brash, Dyspepsia, and many other disorders of a similar character.

THE TASTE RESTORATIVE TROCHES

Are designed to counteract these baneful influences and have proved completely successful in a multitude of cases, and wherever used. Being harmless in themselves they exert a beneficial effect upon the entire system, restoring the Taste which has become vitiated by great indulgence, completely removing the irritation and accompanying tickling sensation of the Throat—which are always consequent upon abstaining from the use of Tobacco, and by giving a healthy tone to the Stomach, invigorate the whole system.

NO EXCUSE

Need henceforth ever be made by TOBACCO CHEWERS that there exists no perfect substitute or relief for their cravings and unpleasant feelings, when attempting to break off from the use of Tobacco, as the TROCHES or Lozengers are warranted to aerform all such offices. They are put up in a convenient and portable style at 50 Cents per Box and can be had of all respectable Druggists. A liberal discount to the trade.

Prepared solely by the undersigned to whom all orders should be addressed.

James E. Bover, Druggist.

Howard Association.
PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic Diseases.

TO all persons afflicted with Sexual Diseases, such as *Spermatorrhœa, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the Vice of Onanism, or Self Abuse, &c., &c.*

The *Howard Association*, in view of the awful destruction of human life, caused by Sexual diseases, and the deception practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dyspensary for the treatment of this class of diseases, in all their forms, and to give *Medical Aid Gratis*, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to *Furnish Medicine Free of Charge*. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) *Free of Charge*, on the receipt of TWO STAMPS for postage.

Address for report or treatment Dr. George R. Calhoun, Consulting Surgeon, Howard Association, No 2 South Ninth Street, Philadelphia, Pa.

By order of the Directors.
EZRA D. HARTWELL, *Pres't.*

Geo. Fairchild, *Secretary.*
