LAWS OF OHIO,

PUBLISHED BY AUTHORITY.

Sec. 37. When any tract or portion of land, town lot, or part thereof, shall be sold for taxes, and afterwards redeemed, it shall be the duty of the county auditor to insert a minute of such redemption, the date thereof, and by whom made, on his record of sales of land for delinquent taxes, and sign the same officially.

Sec. 38. Every tract of land and town lot offered for sale by the treasurer, as hereinbefore provided, and not sold for want of bidders, shall be, and the same is hereby declared to be forfeited to the state of Ohio; and thenceforth all the right, title, claim and interest of the former owner or owners thereof shall be considered as transferred to, and vested in said state, to be disposed of as the legislature may by law direct; and the county auditor shall annually return by his treasurer, a separate list of all lands or town lots so forfeited, with a description thereof, and the amount of tax due thereon, to the auditor of state; and all such lands or lots shall be preserved on the duplicate until sold or redeemed, and the taxes thereon regularly assessed, in the name of the state of Ohio; which taxes shall be returned annually by the treasurer as delinquencies, and credited to him as other delinquencies, in his settlement.

Sec. 39. If the former owner or owners of any tract of land or town lot which may be forfeited as aforesaid shall, at any time before the state shall have disposed of such land or lot, pay into the county treasury of the county in which said land or lot may be situated, or into the state treasury, all the taxes and penalties due thereon at the time of such forfeiture, together with the taxes and penalties which have since accrued on such land or lot (which sum shall be ascertained and certified by the auditor) the state shall in such case relinquish to such former owner or owners all claim to such land or lot; and the county auditor shall then re-enter such land or lot on his duplicate, with the name of the proper owner or owners.

Sec. 40. The county auditor shall charge the county treasurer with all moneys by him received under the provisions of the preceding section, and shall make out an annual list of lands and town lots upon which payments shall have been made as aforesaid, specifying therein the proportion of such money belonging to the state, and shall forward said list to the auditor of state, by the county treasurer, at the time of paying over the state tax; and the county treasurer shall pay into the state treasury the state's proportion of such money, at the time he pays the other taxes due the state.

Sec. 41. The auditor of state shall, from time to time, furnish the several county auditors with all such forms and instructions as he may wish them to pursue in the performance of their several duties; and the said auditors shall observe them accordingly.

Sec. 42. If the taxes charged on any land or lot be regularly paid, and such land erroneously returned delinquent, and sold for taxes, the sale thereof shall be void; and the money paid by the purchaser at such void sale shall be refunded to him out of the county treasury, on the order of the county auditor, and that so much of said tax as has been paid into the state treasury shall be refunded to the county treasurer, and the county auditor shall retain the same in his next semi annual settlement, and charge the state treasury therewith in said settlement.

Sec. 43. The county auditor of the county in which any land or town lot shall have been or may hereafter be sold for taxes under the provisions of this act, is hereby authorized and required to execute the proper deed therefor to the person or persons entitled to receive the same, whether the said land or town-lot shall, at the time of the execution of said deed, continue to be within said county or not, in the same manner as though said land or town lot still remained within the limits thereof, any law to the contrary notwithstanding.

Sec. 44. The county auditors of the several counties in this state, be and they are hereby authorized to discharge from imprisonment any person who shall be confined in jail for the non-payment of any fine or amercement due to the county, when such auditor shall be of the opinion that the same cannot be collected by such imprisonment.

Sec. 46. The fees of the several county auditors, for transfer of real estate for taxation, shall in no case exceed one dollar, where the property transferred is included in one title whether by deed of conveyance, decree in chancery, or other assurances of title.

Sec. 46. It shall be the duty of the several county auditors in this state, in filing away the statement of the taxable property of the individual tax-payers as returned by township assessor, in pursuance of law, to file the statements aforesaid returned from the different townships in separate bundles, each township by itself, instead of filing each statement separately. The county auditors shall be allowed and paid out of the county treasury the sum of twenty-five cents, and no more, for filing away the statements of taxable property in each township in their respective counties.

Sec. 47. Every county auditor hereafter delivering any certificate of purchase of forfeited lands, or other lands sold for taxes, shall immediately on his duplicate, transfer the same into the name of the purchaser charging therefor the sum of ten cents, which shall be considered part of the expenses of the sale. And if any county auditor shall neglect to make such transfer he shall be liable to action by any person injured thereby as for neglect of official duty.

Sec. 48. The auditors of the several counties in this state shall cause the list of delinquent lands, in their respective counties to be published at least four weeks between the third Monday of November and the first Monday in January, in some newspaper printed in their respective counties, if any be printed therein; and if none be printed therein, then in some newspaper having general circulation in such county, to which list there shall be attached a notice that the whole of the several tracts or town-lots in said list contained, or so much thereof as will be necessary to pay the taxes and penalty charged thereon, will be sold at the court house, in such county on the second Monday of January next thereafter, by the county treasurer, unless such taxes and penalty be paid before that time.

Sec. 49. The county auditor shall, on or before the day of sale, mentioned in such notice, insert at the foot of the record, on delinquent list, a copy of such notice, and shall moreover certify on said record, immediately following such notice, the name of the paper and the length of time such list and notice were published therein.

Sec. 50. Immediately before advertising such list of delinquent lands and lots, it shall be the duty of the co.auditor to compare the same with the duplicate the hands of the county treasurer, and strike therefrom all lands or town-lots upon which the taxes, interest and penalty of the preceding year, with the taxes of the current year shall have been paid, and proceed to advertise the remainder, as herein provided.

Sec. 51. In all cases where any county auditor, by inadvertance or mistake, shall have, this year, omitted, or in any future year omit to publish the delinquent list of his county, according to the requirements of this act, it shall be his duty, in case the taxes and penalty with which the land and town lots therein stand charged, shall not, before the tenth day of August of the next succeeding year, have been paid, to charge the said lands and town lots with the taxes and penalty, and also the taxes of the current year, and record, certify and publish the same as part of the delinquent list, according to the provisions of this act.

Sec. 52. In all cases where any county auditor, by inadverance or mistake, shall, this year, have omitted, or in any future year shall so omit, to enter upon the duplicate of his county, any lands or town lots, situate within his county, subject to taxation, it shall be his duty, when he shall enter the same on the duplicate of next succeeding year, to add to the taxes of the current year, the simple taxes of each and every preceding year in which such land or town lot shall so have escaped taxation.

Sec. 53. There shall be hereafter allowed to the publishers of newspapers for advertising the delinquent and forfeited lists of the several counties of this state, a sum not exceeding thirty cents for each tract of land, or town lot, or part of lot advertised in the delinquent list, and not exceeding thirty cents for each tract, lot or part of lot advertised in the forfeited list, and a sum not exceeding one dollar per square of three hundred ems, for the first three insertions, and twenty-five cents per square for each additional insertion for the heading, head lines, and certificate of any such advertisement: Provided, that in no case shall a greater sum than one half of taxes, interest in penalty due, be allowed for advertising any such tract of land, town lot or part of lot.

Sec. 54. It shall be the duty of the county auditor to send by mail, to the auditor of state, one paper, containing the list of delinquent and forfeited lands, and a copy of the account to [of] the printer, as sworn to by him and allowed by the auditor.

Sec. 55. The several county auditors shall not be required to assess on the taxable property of their counties, or of any township, city, incorporated village, or school district therein for any purpose, nor for all purposes added together, any rate of taxation containing or resulting in any fraction other than a decimal fraction, nor in any decimal fraction less than one twentieth of a mill; but if the sum required to be raised for any, or for all purposes, results in a fraction less than one-fortieth of a mill, such fraction shall be dropped, and if more than one-fortieth of a mill, the difference between such fraction and one-twentieth of a mill shall be added to such resulting fraction.

Sec. 56. It shall be the duty of the county auditor to furnish to the assessors, such blanks as may be necessary for taking the number of acres of wheat, rye, barley, buckwheat and corn, and the quantity of each produced in their townships, and the said county auditor shall as soon as possible after the aforesaid statements are returned to him, make out and forward the same to the commissioner of statistics, in conformity with such regulations and forms as the said commissioner may prescribe. An act prescribing the duties of county auditors passed March 23, 1840. Section three of an act passed March 22, 1840 to give additional security to land titles in this state; an act passed March 25, 1841, entitled "an act prescribing the duties of county auditors, passed March 23, 1840;" an act passed March 7, 1843, entitled "an act to amend an act entitled an act prescribing the duties of county auditors passed March 24, 1841, entitled "an act prescribing the duties of county auditors, passed March 23, 1840;" an act fixing the prices of printers for publishing the delinquent and forfeited lists, passed March 9, 1859; an act passed February 28, 1846, entitled "an act fixing the prices of printers for the insertion of legal advertisements passed March 12, 1844;" an act regulating the office of county auditor passed March 12, 1853; an act passed March 27, entitled "an act to revive an act allowing fees to county auditors for filing and preserving certain papers, passed February 24, 1848, be and the same are hereby repealed, provided, that the repeal of the aforesaid acts shall in no wise effect any liability, civil or criminal, nor any rights accruing under the said acts.

Howard Association.
PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic Diseases.

THE *Howard Association*, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dyspensary for the treatment of this class of diseases, in all their forms, and to give *Medical Aid Gratis*, to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to *Furnish Medicine Free of Charge*. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of the Consulting Surgeon in the cure of Spermatorrhœa, Seminal Weakness, Impotence, Gonnorrhœa, Gleet, Syphilis, the vice of Onanism or Self Abuse, &c., and order a continuance of the same for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves with renewed zeal, to this very important but much despised cause.

An admirable Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, will be sent by mail, (in a sealed envelope,) *Free of Charge*, on the receipt of TWO STAMPS for postage. Other Reports and Tracts on the nature and treatment of Sexual Diseases, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the past year, are of great value.

Address for report or treatment Dr. George R. Calhoun, Consulting Surgeon, Howard Association, No 2 South Ninth Street, Philadelphia, Pa.

By order of the Directors.

SINGER'S SEWING MACHINES.

IN all the leading branches of manufacturing industry the great practical superiority of Singer's Sewing Machines is a fact established beyond dispute. No tailor, shoe manufacturer, clothier, seamstress, dress-maker, saddler, carriage trimmer, hat manufacturer, &c., &c., can afford to do without them.

One Thousand Dollars a Year

Is only a fair average of the actual profit from the use of each one of these Machines, and, for confirmation of this truth, we refer to any one of the thousands of persons who use them. They are adapted to every sort of work, fine or coarse, upon silk, cotton, linen and woolen fabrics, also light and heavy leather. They never fail to give entire satisfaction.

To meet the growing demand for a smaller and more elegant machine for private household purposes, we have just produced, and are ready to receive orders for

Singer's New Family Sewing Machine,

Which is the most compact and beautiful sewing Machine ever constructed. It is ornamented in the highest style of art, and all who see it are delighted with it. It makes the improved interlocked stitch, and is capable of doing a greater variety of work in better style than any other Sewing Machine ever offered for family purposes.

It is not subject to the objection of using twice too much thread, and making a raveling seam, like the Grover & Baker; nor is it confined in its operation to a few thin fabrics, liable to get out of order and unfitted to use flax thread, like the Wheeler & Wilson Machine; but is amply sufficient to perform all kinds of family sewing.

Price of Family Machine with iron table complete for use, $100. The larger standard machines, from $125 to $200. Send for I. M. Singer & Co.'s Gazette, a beautiful pictorial paper, devoted to Sewing Machines, and containing list of prices, and all other information on the subject. It will be forwarded gratis.
