DR. S. G. RICHARSON'S

SHERRY WINE BITTERS

The Celebrated New England Remedy for Habitual Constipation.

Jaundice, Fever and Ague, General Debility, and all Diseases arising from a Disordered Stomach, Liver or Bowels.

They are used and recommended by all leading physicians of the country, and all who try them pronounce them invaluable.

Dr. James L. Leepere writes from Navarre, Stark county, Ohio, "the Bitters are highly praised by those suffering from indigestion, dyspepsia and liver complaint."

E. S. Davis, Postmaster at Williamsport, Ohio, says, "they give great satisfaction. I use them myself, having taken cold, become prostrate and lost my appetite. It relieved me, and I can recommend it with great assurance of its merits."

Dr. W. Kerr, of Rogersville, Ind., writes us that they are the most valuable medicine offered. He has recommended them with great success, and with them made several cures of palpitation of the heart and general debility.

Thomas Stanford, of Bloomtaville, Ind., writes us a long letter, under date of May 4, 1859. He was much reduced, having been afflicted for three years with great nervous debility, palpitation of the heart of the most severe and prostrating character. "After a few bottles I was completely restored, and am now in robust health."

George W. Huffman says he was afflicted with rheumatism for twenty years, in all its various forms and at the date of his letter he had been well two years; the Bitters effecting the cure, when several physicians at tending him could do him no good.—He says, "for rheumatism, dyspepsia, liver complaint, kidney affection, or dropsy, it is a specific certain remedy."

J. W. Hunt, writes from Delphos, Allen county, Ohio, (a section where Fever and Ague prevails) that he most cheerfully recommends them on account of merit in all cases of Fever and Ague, Dyspepsia, and general debility.

D. Kallsbers, M. D., writes from Van Wert, Ohio, "I most respectfully recommend the Sherry Wine Bitters to the notice of Dyspeptic persons, and to all who require a a stimulating medicine."

Such news we receive daily. Full directions accompany each bottle.

They are sold by Medicine Dealers generally.

PERRY DAVIS'

VEGETABLE PAIN KILLER,

"The Great Family Medicine of the Age."

We ask the attention of the trade and the public to this long unrivalled Family Medicine. For the cure of Colds, Coughs, weak Stomach, General Debility, Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Colic, Diarrhœa, &c; and for Fever and Ague there is nothing better.

It has been favorably known for more than twenty years to be the only sure specific for the many diseases incident to the human family.

Internally and externally it works equally sure.

What stronger proof of these facts can be produced than the following letter received, unsolicited, from Rev. A. W. Curtiss:

Romeo, Macomb Co., Mich., July 9, 1860.

Messrs. J. N. Harris & Co.—Gents:—The confidence I have in Perry Davis' Pain Killer for coughs, colds, burns, sprains and rheumatism, for the cure of which I have successfully used it, induces me to cheerfully recommend its virtues to others. A few months since I had recourse to it to destroy a felon; although I had never heard of its being used for that purpose, but having suffered intensely from a former one, and having no other remedy at hand, I applied the Pain Killer for about fifteen minutes in the evening, and repeated the application briefly in the morning, which entirely destroyed the felon and increased my confidence in the utility of the remedy. Yours truly, A. W. CURTISS, Minister of the Wesleyan Methodist Church.

The Pain Killer has been tested in every variety of climate, and by almost every nation known to Americans. It is the almost constant companion and inestimable friend of the missionary and traveler, on sea and land, and none should travel on our lakes and rivers without it. Be sure you call for and get the genuine Pain Killer, as many worthless nostrums are attempted to be sold on the reputation of this valuable medicine.

Directions accompany each bottle.

MEDICINAL.

DR. J. B. SMITH

Would respectfully inform the citizens of Wood county that he has permanently located himself in Bowling Green for the purpose of practicing Medicine and Surgery. In addition to a regular course of study, Mr. S. has made himself acquainted with the special mode of distinguishing diseases by an examination of the urine of the patient as practised by the late DR. DELANBAUGH, and for all Chronic Diseases will say unhesitatingly that by following Mr. D's practice in such cases, he has had better success than from any other method of treatment.—Among the diseases which Dr. S. professes to treat successfully may be mentioned the following, viz: Dyspepsia, Liver Complaint, Consumption in its early stages, Diseases of the Spleen, Asthma, Spitting of the Blood, Palpitation of the heart, Rheumatism, White Swelling, Dropsy, Scrofulous Diseases, Jaundice, Female Complaints, in all their varied forms, Low Spirits or Melancholy, Fever Sores, Ulcers, &c. If patients with any of the above or kindred Chronic Diseases will send some of their urine taken in the morning in a clean vial, Dr. S. can make a satisfactory diagnosis of the case nearly as well as if the patient were present.

BLOOD PURIFIER AND BLOOD PILLS.

DR. ROBACK'S SCANDINAVIAN REMEDIES.

When Dr. Roback, the renowned Swedish Physician, introduced his Blood Purifier and Pills into the United States, he set forth in plain terms their curative properties. This was years ago. The task of recommending them has since been taken out of his hands. Enlightened men, whose character for sound judgment and philosophy gives their opinions weight in the community, men who observe, reflect and make "assurances doubly sure," before they decide, are everywhere approving and urging the use of these wonderful preparations. All who confide in the wisdom and honesty of this class, or who choose to investigate for themselves, are now of one mind on this important subject.

The evidence in the possession of Dr. Roback which is at all times accessible to the public, establishes the following:

FACTS:

That the BLOOD PURIFIER and BLOOD PILLS have been proved by analysis to

CONTAIN NO MINERAL:

That they cure the almost universal complaint,

DYSPEPSIA,

with unerring certainty, and in a very short time.—That after all other medicines have proved useless they relieve LIVER COMPLAINT,

and restore the health and strength of the sufferer. That SICK FEMALES,

who have languished for years in helpless, weakness and despondency, recuperate with almost miraculous rapidity under their invigorating operation. That all Sexual Disabilities are removed by their cordial and gently stimulating properties. That they recruit SHATTERED CONSTITUTIONS,

however, they may have been trifled with and abused. That their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the causes of disease in the blood, they CARRY SOON TO HEAL,

and discharge from the system every taint of Scrofula, whether hereditary or otherwise. That they RECRUIT THE DEBILITATED,

and that there is no disease of the stomach or bowels, the liver, the nervous system, the glands and muscels,

ARISING FROM IMPURITIES OR OBSTRUCTIONS OF THE BLOOD OR SECRETIONS,

in which they do not give prompt relief, and, (if administered before the very citadel of life has been invaded,) effect a painless and perfect cure.

Bear in mind that the Scandinavian Blood Pills are endorsed by the experience of thousands of living who, letter, affidavit, medical works and word of mouth proclaim them to be the very best preparation ever offered to the broken down victims of ill-health. It haunts disease through every avenue and organ of the system, and expels it thoroughly and permanently.

No one can doubt their superiority after one single trial—they are not only better, but also cheaper than any other Pills, for it takes a less number of them to produce a better effect.

Price of the Purifier, $1 per bottle, or $5 per half dozen. Of the Pills, 25c. per box, or 5 boxes for $1.

Read Dr. Roback's special notices and certificates published from time to time in this paper.

Dr. R.'s Medical Almanac and Family Adviser, containing a great amount of valuable and interesting medical information can be had gratis of any of his agents throughout the country.

In difficult or complicated cases, Dr. Roback may be consulted personally or by letter, enclosing one stamp for a reply.

A NEW ARTICLE.

DR. ROBACK'S STOMACH BITTERS.

A new and delightful Stomachic and Cordial, for giving tone to the Stomach, and for the prevention of bilious complaints incident to the Western country. Try it.

As a morning drink, to assist digestion and relieve Dyspepsia, it has no equal. Try it.

In flavor it is superior to all other Bitters. Try it.

The formula of these Bitters, now (1861) the sole property of Dr. Roback, originated with one of the oldest and most eminent Medical Practioners of the West, and it is directly predicated upon the wants of Western people.

These Bitters derive their stimulus from the powerful tonic nature of the roots and herbs of which they are composed, and as they are, by allaying unnatural cravings of the stomach, directly promotive of TEMPERANCE,

the present proprietor believes that in making them widely known the public welfare is subserved.

It will soon be for sale by all of Dr. Roback's numerous Agents, and at Hotels, &c., the country over. In the meantime, orders will be filled direct from Cincinnati in any quantity, and at the lowest rates. It is put up in Quart Bottles, and securely packed in one dozen cases. Half doz. sample cases will, however, be packed and sent to any address, if desired.

MY THEORY AND TREATMENT

Are new and different from any one in the United States, and I challenge any one to produce the same success that I have met with in treating Chronic Diseases. My theory is based upon the chemical operations of the body, believing diseases to depend upon a disproportioned condition of the fluids of the body, whereby the solids be come unhealthy by analysing the secretions, blood, &c., of the body, and finding out what is deficient or in excess and supplying to the system what is wanting. I am enabled to cure often by a small amount of medicines, where the patient has been drugged with medicines for long years to no effect.

Now Dyspepsia, in the great majority of cases, depends mainly upon a disproportioned state of the gastric or digestive fluids of the stomach. When this gastic fluid is proportioned properly, the food is thoroughly digested and assimilated. Viewing Dyspepsia by the rules of Chemicopathology, and giving treatment accordingly, I am enabled to cure 49 cases out of 50, and 49 cases out 50 of Consumption, Asthma, Bronchitis and Laryngitis, and Liver Complaint, Piles, Neuralgia, Dizziness or Sick Headache, Nervous Debility and Female Diseases—in every case a cure, in other diseases proportionately.

CONSUMPTION.

Dr. McMillen uses an improved Inhaling Instrument for the cure of Consumption, Asthma, Bronchitis and Laryngitis; by this we can make as good an application to the diseased Lung and Throat as we could to a sore anywhere on the exterior of the body.

Dr. M. uses pure Chemicopathic and Botanic Remedies. He gives a mild tonic treatment which acts chemically, and assists Nature to free herself. One ounce of assistance to Nature is worth a pound of poisonous drugs to the diseases.

Consultation and advice free.

Information in regard to my treatment and success call on, or write to:

MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS.

These medicines have now been before the public for a period of thirty years, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the

VEGETABLE LIFE MEDICINES

Are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the acide and acrid kind. FLATULENCY, Loss of appetite, Heartburn, Headache, Restlessness, Ill-temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence they have ever been found a certain remedy for the worst cases of DROPSY.

Also WORMS, by dislodging from the turnings of the bowels, the slimy matter to which these creatures adhere.

SCURVY, ULCERS, and INVETERATE SORES, by the perfect purity which these Life Medicines give to the blood and all the humors.

SCORBUTIC ERUPTIONS and Bad Complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these medicines was cured of Piles of 35 years standing, by the use of the Life Medicines alone.

FEVER and AGUE.—For this scourge of the Western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to the return of the disease—a cure by these medicines is permanent—Try them, be satisfied, and be cured!

BILIOUS FEVERS and LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of Females—the medicines have been used with the most beneficial results in cases of this description—King's Evil and Scrofula, in its worst forms, yields to the mild yet powerful action of these remarkable medicines. Night Sweats, Nervous Debility, Nervous Complaints, of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these medicines a perfect cure, as they never fail to eradicate from the system, all the effects of mercury, infinitely sooner than the most powerful preparation of sarsaparilla.

MEDICINAL.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which generates in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One-eighth of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To root out it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this everywhere prevailing and fatal malady. It is compounded from the most active remedials that have been discovered for the expurgation of this foul poison from the blood, and the rescue of the system from its destructive consequences. Since it should be employed for the cure of not only Scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, ULCERATION, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, scrofula is at the generation of the blood. The peculiar purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

AYER'S

Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed all the whole class of diseases originating in Biliary derangement, caused by the Malaria of Miasmatic Countries.

We consider it here to offer the community a remedy which while it cures the above complaints with certainty, is still perfectly harmless in any quantity. Such a remedy is invaluable in districts where these afflicting diseases prevail. This CURE expels the miasmatic poison of FEVER AND AGUE from the system, and prevents development of the disease, if taken on the first approach of its premonitory symptoms. It is not safe to trust to any ordinary medicine for this class of complaints, but also the cheapest. The large quantity we offer for a dollar brings it within the reach of every body in bilious districts, where FEVER AND AGUE prevails, every body should have it and use it freely both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of intermittents exists in the fact, it contains no Quinine or mineral, consequently produces no quinine or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Intermittent Ague Cake alone the consequence of the malarious poison. A great variety of disorders arise from its irritation, among which are *Neuralgia, Rheumatism, Gout, Tetanus, Wandering Pleurodyne, Earache, Catarrh, Amaurosis or Loss of Sight, Painful Affection of the Spleen, Hypochondria in the Bowels, Colic, Paralysis,* and *Derangement of the Stomach*, all of which, when originating in disease, put on the *Intermittent type*, or become periodic. This CURE expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling, or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, it will be excreted from the system, and cannot accumulate sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will suffer from Intermittents if they avail themselves of the protection this remedy affords.

FAMILY SEWING MACHINE

IN SIMPLICITY OF DESIGN AND PERFECTION OF WORKMANSHIP UNSURPASSED BY ANY MACHINE YET MANUFACTURED

Its simplicity in operation is such that a child ten years of age can use it with ease. Its several parts being constructed on philosophical principles, it is not liable to get out of order. It makes a strong, elastic and durable stitch. It sews from two common spools, and makes but little noise.

All who contemplate buying, or wish to see the best Sewing Machine now in use, are respectfully invited to call at N. H. CALLARD, in whose Tailor Shop it is now in practical operation.

USE LADD, WEBSTER & CO.'S

TIGHT STITCH SEWING MACHINE!

The Stitch Alike on Both Sides.

The Ladd, Webster & Co.'s Machines are of the most substantial make and elegant finish, are strong, reliable, simple in construction, easily operated, by a novice, and with ordinary care, last years without the annoying expense of reparing always incurred on the cheaper, less reliable and more complicated machines.

There is no instrument in use for sewing, capable of doing a greater variety of work than these machines; with the celebrated wheel feed they will handle the finest muslin, the heaviest broadcloth, or will work in the thickest leather used by shoemakers, or carriage trimmers. They will also run over seams and gathers with the same facility as over plain work. The stitch made from them is by two threads, alike on both sides of the fabric leaving no ridge on the under side to wear out and loosen the work, a decided fault with all loop or chain stitch machines.

The needles are not curved and liable to brake, but are straight and have a perpendicular motion, which is absolutely necessary to adapt the machine to all sorts of work. They will bind with a binder and hem with a hemmer; will stitch, fell and gather; are fully licensed under "Howe's Extended Patent," and are free from all infringements. During seven years of use they have won enviable reputation of being "the best family and manufacturing machine in the country." We have numerous testimonials; read a short and comprehensive one from the

Navy Office, Washington, Aug. 12th, 1859.

Gentlemen—The Sewing Machine ordered from you is safely at hand, and Mrs. M. is fully satisfied with it. As an evidence of its simplicity, without directions or explanations, she commenced working with it after a very short trial, and has not experienced the least difficulty in its operation. I cheerfully give you my testimonial in its favor.

I am respectfully, your obedient servant,

Lieut. WM. L. MAURY.

The Editor of the Christian Watchman and Reflector says, "We have seen testimony in favor of the Machine made by Ladd, Webster & Co., which from the moral and religious character of the writers, we are satisfied could never have been obtained, had not the instruments fully realized the representation of the makers respecting it; these testimonials are from clergymen and persons of high moral worth and integrity in the community, well known to our readers, and are of the most flattering character."
