PILE LINIMENT.

FOR

Internal and External Piles.

THIS Liniment has been long used only as the private prescription of an eminent Physician. It has been used in this way more than eight years, during the whole of which time, although prescribed in a great number of cases, it has never, in any instance, been known to fail.

Many of the cases which have been effectually cured by this Liniment, have been of more than thirty years standing, causing great suffering and producing considerable ravage upon the system. These chronic cases have yielded as readily to the virtues of this remedy as those of more recent date. Experience warrants the assertion, that there cannot be a case of Piles, unconnected with other diseases, which will not be forced to yield before the well-tested powers of this medicine.

Warranted to cure, where the directions are strictly followed. Price $1.

GREAT ENGLISH REMEDY.

THE MOST VALUABLE

Spring and Summer Medicine in the World!!

DR. HALSEY'S

FOREST WINE.

PATRONIZED BY THE NOBILITY AND MEDICAL FACULTY OF ENGLAND, AND ESTEEMED THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

Medicines containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The FOREST WINE is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The FOREST WINE combines the virtues of the

Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The FOREST WINE is recommended, in the strongest terms, for all complaints of the

Saved from Death!

Testimony of Mr. NATHAN MATHEWS, a highly respectable and wealthy citizen of Newark, N. J.

DR. G. W. HALSEY.—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death with Dropsy, Piles, and Asthma. My physicians had given me over as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. Yours, respectfully,

Newark, N. J., Dec. 19, 1847. N. MATHEWS.

Great Cure of Liver Complaint of Ten Years Standing.

New York, Jan. 9th, 1849.

DR. HALSEY, Dear Sir:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines, I have recovered my health not withstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and I doubt not, but what there are hundreds who are disuaded from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is, that the deception used by others, should be the means of disuading many from using your medicines, from making trial and being cured by your excellent remedies. Humanity speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills, and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies.

Yours, &c., JAMES WILSON.

Nervous Disorders

Are diseases of the mind as well as of the body, are usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders.—The Forest Wine and Pills are an energetic remedy in these complaints.
