We note a sale of 3,000 lb unpeeled halves at 16½c., with a lot Mich. peeled at 16c. There was more truth in the blackberry story than we credited last week. Somewhat fine sales were made at 12@12½c., with a few as high as 14c., but the market does not respond to the transactions. Few sales are now making above 12c. We quote:

HOPS.

Reports for the week ending on Saturday, 852 bales; receipts, 1,600 bales. Trade is increasingly dull, and few sales are made above 20c. We note 94 bales good State hops at 20c., with some time allowed; also, 142 bales of good lots, in several lots, at 6c. Really choice hops are very scarce, and might exceed our quotations if found. It is certain that lots are being sold above these figures. A recent sale of very poor old stuff was made in London—American hops. We quote:

MEATS.

Shipments for last week, 3,807 packages (and 307 this week), and 400 head dressed beef. Dressed beef is less firm, prime bringing higher, and logs unchanged, but freely held. Receipts of 370 head dressed hogs are reported for the week. We quote:

POULTRY AND GAME.

Live poultry is selling with some spirit at a Jewish holiday. Dressed is also in good demand at rather stronger rates. Some of pulled West is too tender for broiling, were sold at 15c. A few wild pigeons brought $1@$1 50 per box. We quote:
