MILCH COWS—The advance in beef adds something to the value of cows, and sales of 16 head were made at $70@80 each. Dealers will give $80 for pretty good cows, while $100 are sometimes obtained for fine animals. There is a better feeling in the market, the cow peddlers wanting fresh milkers to trade off for fat cows, which they in turn sell to the butcher.

VEAL CALVES—There is quite an increase in live calves, while the market has been fairly glutted with dressed veals. Receivers are now discouraging sending them in dead, as they are liable to be caught by warm weather. Sales have been made at low figures—8@10c. for large lots of small thin calves. Good hog-dressed veals are worth 14@16c.—the latter for nothing but fine animals. Few exceed 15c. Quite a large lot was sold at 9c. They barely escaped confiscation as meat unfit for use. Live calves vary from 10 to 11½c. for fair to prime—rarely 12c. for extra Jerseys—down to 7@9c. for common, with "bobs" still lower. A lot of 39 head, 112 ℔, brought 8½c.

SHEEP—A total of only 13,321 for the week shows that farmers are holding stock back for lambs and wool. Some lots of sheared sheep have arrived from this State and Ohio, but the snow-storm of this p. m. is hard on them. The sheep market is very strong at still higher rates, though some 65 ℔ stock was poor enough to sell down to 6½c.; fair to good at 7¼@8½c., and prime at 9c., with extras at 9½@10c., as noted below. There were 4,280 sheep in the market this morning, including 6 cars held from Saturday, viz., 13 cars at Communipaw, 6½ at Forty-eighth-st., and 2 cars at Weehawken. All the stock has been sold. Pelts continue to be in demand, but are mostly sold on their merits, at $1 62@$2 25 each, and not as formerly, so much for all kinds counted right through. Butchers will often invite an offer for the pelts before buying a lot of sheep.

Sales at Communipaw were as follows, by Bellis & Pidcock: 369 Ohio sheep, 79 ℔, 7½c.; 390 of 75½ ℔, at 8c. 3¼ per cwt.; 117 of 88 ℔, at 8c.; 185 of 90 ℔, at 8½c., and 123 in several small lots, peddled out, averaging 90½ ℔, at 8½c. Total, 4,025, at 7¼@8½c., or $6 80 per head, being 14c. more than the previous week.

Kase, Hauver & Co. sold 595 thin Ohio sheep, 72 ℔, at 6½c.; 187 of 82 ℔, at 7½c.; 177 of 85½ ℔, at 8c., with 266 of 88 ℔, at 7½c. Total, 1,752 at 6¾@8½c., or $6 15 each, which is 61c. less than the previous week.

At Forty-eighth-st. Hume & Elliott sold 70 State sheep, 83 ℔, at 7½c.; 63 of 79 ℔, at 7½c.; 86 Mich., 81½ ℔, at 8c.; 256 do., 84½ ℔, at 8½c., and 197 Ohio sheared, 90½ ℔, at 8c. Total, 2,818, at $7 84, or 16c. more than last week.

J. Kirby sold 132 State sheep, 77 ℔, at 7½c.; 51 of 73 ℔, at 7½c.; 127 Canada, extra, 132½ ℔, at $10 20 ℔ cwt., and 4 lambs, 90 ℔, at 10½c. Total, 1,797, at $7 27, or 12c. less than the previous week.

McGraw & Reid sold 92 very poor 65 ℔ State sheep, at 5½c.; 33 of 86 ℔, at 7½c.; and 69 of 82 ℔, at 7½c. Total, 2,264 at $6 46 each, or 67c. less than the preceding week.

Judd & Buckingham, at Weehawken, sold 207 Ohio sheep, 77 ℔, at 7½c.

SWINE—These are few again, the total being only 9,641, of which 23 cars arrived yesterday and to-day, none of them to be sold alive, so we only quote dressed hogs. They close at 12½c. 12¾c., with a few over-weights at 12¾. Comparatively few are offering, and the design is to shove them up again.

At Communipaw we give the following sales of city dressed:

S. W. Allerton & Co. sold, during the past week 1,303 head, 153 ℔, at 12¾c.

Spring & Haynes sold 1,507 corn hogs, 144½ ℔, at $12 75½c.

M. H. Gillett sold 1,086 of 151 ℔, at $12 15c.

NOTICE to BONDHOLDERS of the CITY OF BURLINGTON, IOWA.—The undersigned, Chairman of the Board of Commissioners, appointed to compromise and adjust the City indebtedness, is now prepared to exchange New Bonds running 25 years bearing 7 per cent interest per annum, interest payable semi-annually in the City of New-York, for Old Bonds and accrued interest at par, in accordance with an arrangement made with bondholders. The New Bonds being issued under the provisions of the "Enabling Act" of the State, sanctioned by a vote of the citizens, their validity is unquestioned. FIRST MORTGAGE

50 YEAR BONDS,

THE ACCRUED INTEREST IS FROM NOV. 1st, WHICH GOES TO THE PURCHASER,

TRUSTEES:
J. EDGAR THOMSON, Philadelphia.
CHARLES L. FROST, New-York.

These Bonds are payable, *principal and interest, in coin*, at New-York or London; the interest being payable in May and November.

They are *convertible into stock*, and are protected by a liberal *Sinking Fund*.

They are issued upon the several sections of the road only as the same are completed and in successful operation.

They are guaranteed not only by a first lien upon the entire property and franchises of the Company, but also by now current earnings, and an ample commerce on the route of the road, and have not to depend for their security upon a traffic which the road itself is expected to create.

Over Three Million Dollars have been already expended on the road.

Eighty-three miles of road are already completed and equipped, and show large earnings; and the remainder of the line is progressing rapidly toward completion.

The State of Iowa, through which this road runs, is one of the richest agricultural sections of America. Its large and extending population, and its immense yield of agricultural products, create a pressing demand for the construction of this road.

The road also runs through the fertile and growing State of Minnesota. It traverses the most *enterprising and growing portion of the West, and forms the shortest of the great trunk lines in direct communication with New-York, Chicago, and St. Louis.*

Having thoroughly investigated all the conditions affecting the security of these Bonds, we feel justified in giving them an unqualified indorsement as a first-class and thoroughly safe investment, as secure as a Government Bond can possibly be, and paying nearly 50 per cent more interest than Five-Twenties.

All marketable securities at their full price, free of commission and express charges, received in payment. Pamphlets and maps furnished on application.
