CROOK'S COLUMN.

PURIFY YOUR BLOOD

AT ONCE.

Wherever the Poke Root grows, it has a local reputation for curing Rheumatism, and as a Blood Purifier. In the spring the early shoots are used by many people for "greens," because of their health-giving qualities. With all the best reputation and the praise of distinguished Physicians (Drs. Coe, Lee, King, Wilson M. Hunt, Jeffries, Copland and others,) who have tested its medical powers, it has been neglected by the profession at large, as much through a want of a proper appreciation of its merits, as a knowledge of the proper way to prepare it for medicinal use. Dr. Oliver Crook, a physician who devotes his entire time to the duties of his profession—and who has the largest practice of any physician in Southern Ohio—has fully tested the active medicinal qualities of Poke Root during the last 25 years, and unhesitatingly pronounces it to have more merit—for diseases depending on a depraved condition of the blood,—than any and all other articles named in the Materia Medica. Under his instructions our Chemist has combined the active medicinal qualities of Poke Root with the best Tonic Preparation of Iron, and we offer this preparation to the public telling them of the ingredients, under the name of

Dr. CROOK'S Compound SYRUP OF POKE ROOT.

This preparation is the best Alterative and Tonic known for **Scrofula, Scrofulous Tumors, Scrofulous Diseases of the Eyes, or Scrofula in any form.** For **Rheumatism, Pains in Bones, Broken-down Constitutions, Mercurial Diseases, Mineral Poisons,** more effectual relief is obtained from this remedy than from all others. It strengthens, purifies and cures. It is indispensable in the treatment of long standing disorders of the Liver, and proves a certain, safe and effectual resolvent, manifesting its influence throughout the entire glandular system. Chronic diseases of any kind, **Diseases of the Skin, Eruptions, Pustules, Blotches, Pimples, Boils, Tetter, Ring-worm, Salt-Rheum, Scald-Head, Ulcers and Sores, are all cured by the use of it.** Any disease depending on a depraved condition of the blood can be cured by it. Try one bottle. Sold by all Druggists. Prepared only by

DR. CROOK'S WINE OF TAR!

STRENGTH AND HEALTH. Has made many persons strong and healthy who had been unable to work or walk for years. It should be kept in every house, and its life-giving tonic properties tried by all.

DR. CROOK'S WINE OF TAR!

Why not get well!

It is an established fact, convincingly proved by the highest testimony, and by the practical test of 10 yrs successful experience, that Dr. Crook's Wine of Tar has been administered with the most extraordinary success in all diseases of the Throat and Lungs, performing many very remarkable cures of cases pronounced incurable. Such a remedy merits a trial from all who are afflicted and vainly seek relief. Will you let prejudice prevent you from trying it?

The Druggists write that "all who try it recommend it—many having several bottles the second time, and stating they 'would not be without a bottle in their house.'" It cures all **Coughs, Colds and Chronic Coughs,** and its many cures of **Asthma and Bronchitis,** of long standing—when other remedies have failed—have caused it to be considered a specific for those complaints. **Throat Ailments** require but a few doses. **Consumptives,** and all suffering with **Pulmonary Affections,** of any kind, should not fail to gain the relief and cure afforded by Dr Crook's Wine of Tar. Try one bottle. **It is safe to take at any time, and under any circumstances whatever.**

Permit no other remedy to be palmed off on you for Dr. Crook's Wine of Tar, for it is this remedy which is performing the many wonderful cures—**and you want IT,** and not an untried medicine with a similarity of name. Sold by Druggists.
