We invite attention to the advertisement for the first mortgage bonds of the South and North Alabama Railroad Company. These bonds are guaranteed by the State of Alabama in American gold, and secured by first mortgage to James Buell and V. K. Stevenson as trustees. The State of Alabama provides for the prompt payment of principal and *interest*, should the Company fail to do so. The stock paid up and property mortgaged to secure the payment of principal and interest is $3,500,000. Fifty miles of the road are complete. It is 180 miles long, from Montgomery, the capital of Alabama, to Decatur, on the Tennessee River. For insurance companies, savings banks, and other corporations, it would be a good investment. A limited amount of these bonds are offered for sale at 95 and accrued interest by V. K. Stevenson & Son, No. 11 Pine-st., and Stout & Dickinson, No. 25 Broad-st.

The Broadway Insurance Company, from a surplus of over $170,000 have declared a dividend of 8 per cent, payable Aug. 1.

BEEVES—A combination of forces unite against the cattle dealers—that is, bear down on the prices after the stock is bought at the West, and before it can be sold here. On one lot we call up at the moment, the loss was nearly $15 per head between an offer at Buffalo and what they actually brought here, adding expense of buying and other charges. The combination against the trade is, first, extreme heat, driving the people to a lighter diet; an abundant supply of cheap berries inviting consumption, and an over supply of cattle. These are independent of the ice question, but it is well known that the extravagant prices of this article lend many families to do without it altogether, using more salt and smoked, and less fresh beef. The freight question appears to be settled for the present at $50 per car for through stock from Chicago on the three routes, and $40 per car on the N. Y. Central from Buffalo, with $38 on the Erie, lanning on the Jersey side of the river.

For the trade of to-day we have 111 cars fresh stock at One-hundred-th-st., 86 cars at Weehawken, and 53 at Communipaw. In point of quality there were the widest extremes of 4½ cwt. State bulls at about 8½c. ⅌ lb up to very thin Texans at 10c., and so crawling up to 16½c. for choice 8½ cwt. Kentucky grades. It is also known that 17c. was charged for a few of the pick this morning before buyers got posted, but even then the cattle were put at 58 lb ⅌ cwt. when they would make 59 if not 60 lb. The majority of the fair to good cattle sold at 14@15c., with quite a good many thinnish steers at 13@13½c. The average decline, going back one week, is strong ½c. ⅌ lb, with not a few sales fully ½c. below the rates of last Monday. Even at the reduction the yards were not cleared, and butchers got the best bargains toward night; only fat cattle seldom hang much past the meridian.

At One-hundred-th-st. were the best as well the poorest cattle, and the 1,827 head of to-day were booked, 47 cars to J. T. & G. D. Alexander; 17 do. to Schuster, Thompson & Co.; 10 to Merritt & Burchard; 7 to Williams, Culver & Co.; 6 to A. J. & W. Brock; 5 each to T. Gillis and T. C. Eastman; and 4 each to Wooleron & Clark and Bright & Fagon, with sundry smaller lots to different owners.

Beginning with the largest shippers, viz.: the Alexanders, F. Fish sold 20 light Illinois, 6¼ cwt., at 14c.; 155 mixed Illinois, 6¾ cwt. average, at 14¾@16c., and 56 fat Kentucky, 7½@7¾ cwt., at 15@16½c. Beach & Bray sold 116 Kentucky, 7¼@7½ cwt., at 15@16½c.; 189 Illinois, 7¼ cwt., at 14½@16½c., and 40 do., 6¾ cwt., at 15c. D. G. Culver ran out 70 Illinois, scant 7 cwt., at 14@16½c., while R. Murray sold 25 of 6¾ cwt. at 14@16c.

Schuster & Thompson sold 144 Illinois steers, 7¼ cwt., at 15c.; 75 fine 8 cwt. Kentucky grades at 15½@16½c.—15 to Jantzen Bros. at 16½c., to make 59 lb ⅌ cwt.—and 48 Kentucky green steers, 7 cwt., at 15c.

Bright & Fagan ran out 33 poor Michigan steers, 5½ cwt., at 11½c., and 17 Texans, 5½ cwt., at $50 each, with 20 Canada cattle, 5¾ cwt., at 13c.

The 1,504 cattle at Weehawken were registered, 35 cars to N. Morris—136 cars during the week—17 to Wood & Gillespie; 13 to McCaffrey & Loughman; 8 to Goff & Ulery; 7 to Rix & Trayler; 6 to H. Westheimer, and 12 scattering. No State cattle were among them. Of the Morris cattle, W. E. Dudley sold 84 Illinois, 6¾ cwt., at 13@14½c., and 38 Texans, 4¾ cwt., at 10c. Tolley & Sons sold 166 Illinois, 6 cwt., at 12½@14c.

At Communipaw there were 22 cars for S. W. Allerton & Co.; 9 to Coney & McPherson, 9 to Hedges & Taylor, 6 to G. W. McMahan, and 4 each to W. Kelley and W. Snyder. The Allerton cattle were sold, 105 Illinois by H. Westheimer, 7 cwt., at 15c.; 73 by J. Dalbey, 5¾ cwt., at 14@15½c.; 86 by Miller & Morehouse, 7 cwt., at 14½@15½c., and of Kentucky, 47 by Coney & McPherson, 6¾ cwt., at 13@15½c., and 31 by G. W. McMahan, same weight, at 14@15c.

Coney & McPherson sold 31 Missouri steers, 6¼ cwt., at 15@16c., and 113 Ohio steers, 7¼ cwt., mixed, at 14½@16c., and, for Hedges & Taylor, 79 Texans, 5¾ cwt., at 12c.; 47 Kentucky, 7½ cwt., at 15@16c. Also, for W. Kelley, 77 Illinois cattle at 13@14c., on 6¾ cwt.

H. Westheimer, for W. Snyder, 60 good 7½ cwt. Ohio steers at 15½c.

G. W. McMahon sold his 109 fair 6½ cwt. Ohio cattle at 13½@16c.

MILCH COWS—The extreme heat calls for an increased amount of milk, while dry weather in the country lessens the flow per cow. This tends to improve the cow trade but a decline in beef partially checks the advance. Still there is an improvement of about $5 per head. We note a few sales, viz.: 7 at $65@$850; 8 at $60@$78 50, with a fancy 18 qt. cow at $110; 6 at $65@$85, and 4 ordinary cows without their calves at $60 each.

VEAL CALVES—There is no change in calves, the lighter receipts, and extreme heat just off-setting each other. Milk calves sell at 8@11c. ⅌ lb, with grass at 4@6c. We note 22 of 124 lb at 8½c.; 46 grass at 7½c. ⅌ head, and 110 at 8@10c. ⅌ lb, with 14 prime, 170 lb, at 11c.; 8 grass, 201 lb, at 6c., and 12 of 174 lb at 5c.

SHEEP AND LAMBS—These are lower, and sell slowly, the 8,184 fresh arrivals to-day—Sunday included—completing 27,803 for the week. In addition to the fresh stock in the pens this morning there were rising 1,000 held from Saturday. Buyers were decidedly offish, and the comparatively few sales of to-day were mostly in small parcels, and ½c. decline from this day week. We saw some poor enough to go below 4c., while prime 100 lb sheep would not exceed 6½c. Lambs vary from 6c. to 10c., the bulk of fair to good stock selling at 8½c.@9½c. Jersey lambs are nearly done and State are not plenty. The largest arrivals are from Canada.

At Forty-eighth-st., with 21 cars arrived, Hume & Elliott sold 144 Ohio, 76@79 lb, at 5½c.; 60 Canadas, 98@101 lb, at 6c.; 27 do., 94 lb, 6½c.; 38 State, 100 lb, and 85 Ohio, 89½ lb, at 6½c. Of State lambs, 170 of 57½@59 lb, at 9½c.; 52 of 55 lb, at 9½c., and 22 of 61 lb, at 10c. Total for week, 8,483 at $1 88½.

J. Kirby sold 129 Illinois sheep, 73 lb, at 5c.; 50 State, 83 lb, bucks, &c., 5c.; 29 Canadas, 115 lb, 6½c.; 120 Canada lambs, 52 lb, 8c.; 139 do., 59½ lb, 8½c.; 205 of 58 lb, 9c.; 41 of 59 lb, 9½c.; total, 2,576, at $5 13 each.

Asbury & Lerch sold 35 Indiana sheep, 80½ lb, at 5½c.; 35 do., 88 lb,
