Worse Than a Fire Alarm.

One of the most dreadful alarms that can be sounded in a mother's ears is produced by croup; dreadful, because it is known to be dangerous, the more dreadful because the life of a loved one is in jeopardy. Chamberlain's Cough Remedy is a never failing safeguard against this dangerous disease. Its reputation as a preventive and cure of croup is fully and firmly established. In fact, it is the only remedy which can always be relied upon. Sold by Aldrich & Brown and J. P. Allen. d155-tf

And many other suitable diamonds at the same rates. Also 150 ladies and gents gold watches at less than they can be bought in New York. Now these are facts and if you will call at my store I can convince you of it.

Others may tell you it is impossible, but come and see for yourselves, and you will wonder (as all do) how in the world I get them. Most respectfully,

A. A. POST.
