MUSICAL PUBLICATIONS.

Mr. Rollin Howard, the gentleman who immortalized himself by writing "Shoo Fly," has involved posterity and the negro minstrels still more deeply in his debt by inventing another song and dance which he calls "bet me be!" and Mr. J. N. Pattison has placed himself on the high road to fame by publishing it.

A fourth edition of Mlle. G. de la Motte's treatise on "Piano and Musical Matter" has just been published by Lee & Shepard. We commended this work very heartily on the appearance of the third edition only a few months ago, and are glad to see that its merits as a careful and scientific guide for students are so well appreciated as this quick demand for a new issue indicates. The present edition, if we are not mistaken, is enlarged by the addition of 18 pages of sterling music as exercises and illustrations.

Mr. John Zundel, organist of Plymouth Church, Brooklyn, has collected, in a shapely octavo volume, entitled "Christian Heart-Songs," the fruit of his labors during nearly a quarter of a century in the composition of tunes for congregational singing. To those who are familiar with the style of music which he has conducted for the last eighteen years at Mr. Beecher's church, no description of these pieces will be necessary. Mr. Zundel is not only a scientific musician, but he is a composer who, as experience has proved, touches the sympathies of a large class of people. Two or three pieces in the present collection were written expressly for the work by Mr. Zundel's friends; a few others have been arranged or harmonized from old devotional melodies; but all the rest are original. The book is published by J. B. Ford & Co.

JAMES A. EKIN, Deputy Q. M. Gen. Chief Quartermaster.

ENGINEER OFFICE FOR HARBOR DEFENSES, UNION BANK BUILDING, BALTIMORE, Md., Oct. 20, 1870.

SEALED PROPOSALS, in duplicate, will be received at this office until 12 o'clock noon of the 31st day of October next ensuing, for the removal of the following "OBSTRUCTIONS" from channel of James River, Virginia, below Richmond, viz.:

At WARWICK BAR, about five miles below Richmond, wrecks of three schooners, 50, 60, and 80 tuns.

At DRURY'S BLUFF, about seven miles below Richmond, wreck of iron-clad ram Fredericksburg, sunk with armor, guns, &c., on board; iron gunboat Raleigh, 150 tuns; steamer Jamestown (wooden), 1,200 tuns, sunk with guns on board; steamer Curtis Peck, 400 tuns; schooners Wythe, Roach, 300 and 225 tuns; brig, 175 tuns, and a schooner of 90 or 100 tuns, name unknown; also 18 or 20 cribs of timber and stone, each about 22 feet square, averaging 18 feet deep.

At TRENTS, or GRAVELLY BEACH, ten miles below Richmond, wreck of Galleys, 250 tuns; wreck of pilot boat Plume, 87 tuns.

Below AIKENS, or VARINA, about 20 miles from Richmond, 37 to 40 piles remains of old bridge. Proposals will be received for the removal of all the obstructions named above, or a portion—but single bids are preferred for entire removal of all obstructions at each point, as named above; or to give a channel at Drury's Bluff 250 wide and 18 feet deep at low water, near right bank of river, and entire removal as above at other points.

Each proposal must state time within which the work will be finished, and the method or manner of removal proposed, whether by blasting or otherwise.

Some of the wrecks may be of considerable value, and the bids will state what sum of money, if any, in addition to the material removed, will be demanded for the work done.

The right is reserved to reject any or all bids for any reason deemed sufficient by the undersigned.

Proposals will be open at 1 p. m. of the 31st day of October next ensuing, in presence of such bidders as may choose to attend.

Form of proposals to be had at this office.

SEALED SEPARATE PROPOSALS, in duplicate, will also be received, at the same time, for the excavation of earth required to reopen "Dutch Gap Canal," according to plans, &c., in this office, involving removal of about 57,000 cubic yards of earth, some above and some below water; none to be carried over one-quarter mile. Price per yard, measured either in cut or embankment, to be given.

Proposals must be in "Duplicate," indorsed "Proposals for removing obstructions in James River," and for opening Dutch Gap Canal, each accompanied by a printed copy of this advertisement, and addressed to Col. WM. F. CRAIGHILL, Union Bank Building, Baltimore, Md.
