It is so adapted to the whole system that every organ and function in the body is brought under its exhilarating influence. It gives tone and strength to the digestive apparatus, dispels languor and debility, invigorates the Liver, regulates the Kidneys and Bowels, removes the effect of excess or overtaxation of any kind and gives vigority and richness to the blood.

Its curative powers alter and completely reorganize the entire mass of fluids and even the solids of the human system, thereby preventing and curing Dyspeptic and Consumptive Symptoms, Fever and Ague, Bilious Diseases, Fevers of all kinds, Nervous Debility, Affections of the Stomach and Bowels, etc. As a mild and delightful Invigorant for delicate females, it has no superior.

By its use new life and vigor is given to both body and mind, sending a glow of vitality through every nerve, which is permanent and lasting.

A NOBLE DEATH.

[New York Tribune.]

That noble lives are lived by quite ordinary people, who say nothing about it, is once in a while proved by the noble deeds that suggest the story of the unheard of years preceding them. Such a life must have been that of Jas. Marr, who recently, near the Australian coast, was washed overboard by a heavy sea, which at the same time carried away the mainmast of the schooner. Marr clung to the mast until he saw, with the quick eyes of an old seaman, that it hampered the vessel, then simply enough and without a word, he gave up his only chance of life for his comrades' sake. He motioned them to cut the mast adrift; they bade him good bye, and he nodded for answer as he quietly sank back in the waves.

TRADE MARK

CONSUMPTION

AND ITS CURE.

Victims of this awful disease are found in every neighborhood, in almost every house.

For them and for their friends, we have tidings of good cheer and hope—the announcement of a most important discovery, firmly based upon common sense and reason, by which the terrible malady is positively controlled, and its victims are permanently restored to health.

WILLSON'S

CARBOLATED COD LIVER OIL

Is not a secret of empirical nostrum. It is a happy combination of two remedies known to physicians everywhere as the best means of combating consumpt on. This combination is Mr. Willson's discovery and is founded upon the following

SOUND REASONING:

Consumption is decay. Soothing, expectorant remedies are only useful as palliatives, they do not reach the cause—they do not stop the decay. Tonic medicines strengthen the life forces and prolong the battle, but the decay goes steadily on, and sooner or later the victim must yield. Climatic changes are sometimes good, but they seldom wholly cure. In short, the first thing to be done is to STOP THE DECAY; then apply the restorative, tonic and strength giving treatment Think a moment. The lungs are decaying—tubercles, ulcerations, cavities and deposculation carries this poison all over the body. Wasting, loss of appetite, enervation, night sweats, and all the terrible symptoms appear; is it worth while to doctor the symptoms, which are merely the results, while the decay, which is the cause, is eating up the life springs?

These two things are well known by the best physicians:

1. Carbolic acid positively arrests decay. It is the most powerful antiseptic in the known world. Even dead bodies are preserved by it. Entering into the circulation it at once grapples with corruption, and decay ceases. It purifies the sources of disease.

2. Cod Liver Oil is nature's best assistant in resisting consumption. It is at once a food, a tonic, a purifier, a healer. It braces up and supplies the vital forces, feeds the wasted system, and enables nature to regain her foothold. For these purposes nothing can compare with Cod Liver Oil. This the theory of

WILLSON'S

CARBOLATED COD LIVER OIL

As described fully in the inventor's circular, which will be mailed, upon application, to any address.

We cannot afford space to tell the whole story here, or to give the numerous certificates from eminent physicians and well-known citizens testifying to the absolutely wonderful results flowing from this great discovery. Suffice it to say, it is curing thousands who supposed themselves to be at death's door.

Wilson's Carbolated Oil is scientifically prepared with the purest carbolic acid, so combined as to be entirely harmless, with

SWEET NORWEGIAN COD LIVER OIL

From the celebrated fisheries at Aalesund (Norway), pronounced by physicians the most delicate, efficient cod liver oil in the world.

It is easily taken, tolerated by the weakest stomachs, digests readily, never becomes rancid, and is almost entirely free from the usual disagreeable characteristics of cod liver oil.

For every use of cod liver oil Mr. Willson's discovery is of the greatest value.

For the safe internal administration of carbolic acid Mr. Willson's method of combining it with cod liver oil is absolutely necessary.

WILLSON'S

CARBOLATED COD LIVER OILL

Is a specific and radical cure for

CONSUMPTION

AND SCROFULOUS DISEASES.

Remember the name, "Willson's Carbolated Cod Liver Oil." It comes in large wedge-shaped bottles, bearing the inventor's signature, and is sold by the best druggists.

VINEGAR BITTERS

VEGETABLE FREE FROM ALCOHOL

PURELY VEGETABLE CALIFORNIA

DR. WALKER'S

EUREKA

VINEGAR BITTERS

Vinegar Bitters are not a vile fancy drink, made of Poor Rum, Whisky, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is seen perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of not being injurious to the most delicate invalid in removing Obstructions of the Liver and Visceral Organs and in Fever.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physician: There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no vermifuges, no anthelmintics, will rival the system from worms like these Bitters.

Mechanical Diseases.—Persons engaged in Painting and Mineral, such as Plumbers, Painters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS twice a week.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and particularly so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for this purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swelling, Ulcers, Dropsy, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most startling and miraculous examples.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the blood they remove the cause, and by removing away the effects of the inflammation the tubercular deposits, the affected parts receive health, and a permanent cure is effected.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of Dr. WALKER'S VINEGAR BITTERS are the best safeguard in cases of eruptions and malignant fevers. Their balmy, healing, and soothing properties protect the mucous of the fauces. Their sedative properties allay pain in the nervous system, stomach, and bowels, from inflammation, wind, colic, cramps, etc.

Their Counter-irritant influence extends throughout the system. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharge through the biliary ducts, and are superior to all remedies, agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wineglassful. Eat good nourishing food, such as beefsteak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
