SCHENCK'S PULMONIC SYRUP, FOR THE CURE OF CONSUMPTION, COUGHS, AND COLDS.—The great virtue of this medicine is that it ripens the matter and throws it out of the system, purifies the blood, and thus effects a cure

SCHENCK'S SEA WEED TONIC, FOR THE CURE OF DYSPEPSIA, INDIGESTION, &c.

The Tonic produces a healthy action of the stomach, creating an appetite, forming chyle, and curing the most obstinate cases of Indigestion.

SCHENCK'S MANDRAKE PILLS, FOR THE CURE OF LIVER COMPLAINT, &c.

These Pills are alterative, and produce a healthy action of the liver, without the least danger, as they are free from calomel, and yet more efficacious in restoring a healthy action of the liver.

These remedies are a certain cure for Consumption, as the Pulmonic Syrup ripens the matter and purifies the blood. The Mandrake Pills act upon the liver, create a healthy bile, and remove all diseases of the liver, often a cause of consumption. The Sea Weed Tonic gives tone and strength to the stomach, makes a good digestion, and enables the organs to form good blood; and thus creates a healthy circulation of healthy blood. The combined action of these medicines, as thus explained will cure every case of Consumption, if taken in time, and the use of the medicines is persevered in.

Dr. Schenck is professionally at his *principal office, corner Sixth and Arch Sts., Philadelphia, every morning,* where all letters for advice must be addressed.
