Exporter, has been reshipped to Arlington to be disposed of there in some way. Here they could not be sold, though on the market nearly a week, during which they were offered at low prices. If Texas cattle shippers are wise, they will not repeat the mistake thus made at the beginning of the present season. We have taken pains to ascertain the views of buyers and sellers, who are unanimous in the conviction that this, common Texas cattle will not be wanted, and if shipped here will hardly pay freight. Whatever arrangements have been made by drowers in regard to these cattle had better be reconsidered. It appears that very large numbers have been bought in Texas, all of which will be driven out of that State this season; but let them be sent anywhere rather than to markets in which the stock sold is intended to go into immediate consumption. The only practicable disposition that can be made of them will be to send them into Kansas, Colorado, Wyoming, or similar districts, to be wintered. Small, fat, Cherokee cows, heifers, and steers, will be about the only description of foreign cattle wanted here or anywhere else. We have not for many years seen this market so thoroughly demoralized as at this time. There is no confidence in the present or the future. Operators seem to have come to the conclusion that prices will get lower and lower for some time to come, and that the only thing to do is to submit to the altered condition of things with the best grace possible. Where Western shippers are free from contracts, they need not incur risks, but confine their purchases to the stock at market value, looking well to their margins.

The present hot weather and markets almost glutted with strawberries and fresh vegetables, lead butchers to act with great caution, buying only from hand to mouth. The prevailing prices of to-day were 12@12½c. for decent to pretty good cattle, anything above those rates being for prime stock. Perhaps a few pair of just the fattest animals, selected from a man's drove, and charged to long time or some what doubtful customers, were marked 14c., but we consider 13½c. fairly the top of the market, comparatively few selling above 13c. The average quality was good, but that did not prevent a decline of about ½c. per ℔, before the market closed. It grew worse and worse all the time, one half of a Texan drove selling at 10½c. at the opening, and the other half, precisely like them, at 10c. toward the close. It really looks like settling down to something like ante-war prices.

At One-hundreth-st. the offerings were large, of variable quality—some bulls and two full droves of Texans—but the average was good. There were quite a number droves of prime cattle of 8 cwt. and upward. Coon, Thompson & Co. had 11 cars, Gillis & Fagan 21 cars, W. Fitch 20 cars, I. & D. Waixel 15 cars, Tilden & Co., and W. Ford, 10 cars each; Smith & Poot, and J. C. Geary, 7 cars each; R. Watts, and Culver & Co., 6 cars each; Williams & Valentine, Crum & Thompson, and P. McCaffrey, each 4 cars; Revan & Co., P. L. Eastman, and G. Bright, 3 cars.

W. Fitch sold his 239 fair to good 7¼ cwt. Illinois steers, at 12@13c., and 60 of 8½ cwt., prime, at 12½@13c.

W. Thompson run out 33 Illinois steers of 7 cwt., at 12½c., 57 ℔ per cwt.; 73 fat, 8½ cwt., at 12½@13½c., and 185 still-fed Texans, for W. Ford, at 10½@11c.—one bunch of 40 at opening of market for 11½c., laying them at 6½ cwt.

Culver, Wheeler & Co., for Smith & Poor, 125 Illinois steers, 7¼ cwt., at 12½@13c.—tops, 13½c.; 94 of their own Illinois steers, 63 of them 6¾ cwt., at 12c., 57 ℔ per cwt., and 31 of 8½ cwt., at 13c., same allowance. Also, for I. & D. Waixel, 60 Illinois cattle, fine 8½ cwt., at 13@13½c., and even 14c. for a few of the first choice.

Williams & Valentine sold 59 fair scant 7¾ cwt. Missouri cattle at 12@13c., and 64 Illinois, for Crum & Thompson at 12½@13c. on 7¾ cwt.

T. Gillis and C. J. Fagan hitched together on 252 coarsish but pretty good Iowa steers of 7½ cwt., selling them at 12@13c.—few tops 13½c.—with 91 Illinois, 8 cwt., and prime, at 12½@13½c.

Merritt & Burchard, for R. Watts, 91 Illinois steers, 1,350 ℔ gross, at 12@12½c., and 138 for Tilden & Co. at 12½@13½c. on 8 cwt., being fat cattle.

P. McCaffrey sold his 65 Illinois steers, good flesh, 1,390 ℔, at 12½@13c.

Revan & Co. sold their 44 Illinois steers, weighing 1,300 ℔, at 12c., 65 ℔ per cwt.

G. Bright sold his 45 fine 8 cwt. Illinois steers at 12½@13½c.

P. L. Eastman run out 48 fat 8 cwt. Illinois steers at 13c.

J. C. Geary sold his 127 still-fed Texans, 1,100 ℔, at 10@10½c., 56 ℔ per cwt.

At Weehawken, N. Morris had 71 out of 89 cars; Smith & Poor holding 8 cars, sent to One-hundreth-st., P. McCaffrey 7 cars, and G. Gregory 3 cars. Morris contributed 2,595 head, all others 964 head during the week, 125 of them going elsewhere for a market. Who says that one man, with good backers, can't run a cattle market. Sales of the Morris cattle, all Illinois, 249 by W. E. Dudley, 92 of them common, 6¾ cwt., at 11½@12c.; 90 of 6½ cwt., at 12c.; 167 of 7½@7¾ cwt., at 12@12½c.; 186 by W. Seigel, 133 of them stillers, 6¾ cwt., at 11½c., and 53 corn steers, 8 cwt., at 12½c.; 174 by F. Samuels, 123 of them stillers of 6½@6¾ cwt., at 11½@11¾c., and 51 corn-fed, 7½ cwt., at 12½@12½c.; 172 by Toffey & Sons, 52 of them 8¼ cwt., at 11½c.; 165 of 6½ cwt., at 12@12½c.; 130 by H. Meyers, 33 of 7@7¼ cwt., at 11½@12½c., and 97 stillers, 7 cwt., at 12c.; 110 by S. Uiery, 50 of them 7½ cwt., at 12@12½c., and 60 at 12½c @13c., on 8¼ cwt., being prime steers.

P. McCaffrey sold his 120 Illinois steers, 95 of them at 12c., 56 ℔ per cwt, weighing 6¾ cwt., and 25 of 7½ cwt., at $92 50 each.

G. Saze, for G. Gregory, 58 Illinois steers, strong 7 cwt., at $85 per head.

At Communipaw, S. W. Allerton & Co. had 22 cars; J. R. McPherson, 23 cars; J. H. Dalbey, 15 cars; Maxwell & McPherson, 7 cars; W. Kelley, B. Westheimer and J. Taylor, 4 cars each; B. F. Lindsay, 3 cars.

Sales, by Conney & McPherson, 197 Illinois steers, 8 cwt., at 12½@13c.; 57 of 6¾ cwt., at 12½c.; 112 Illinois cattle of strong 7 cwt., for Maxwell & McPherson, at 12@13½c.; 64 for J. Taylor, 7½ cwt., at 12½c., and 48 Indiana steers of 7½ cwt., for R. F. Lindsay, very fine top, at 12@13½c.—possibly more for a few pairs.

M. Beach was in the market again, handling 105 Illinois steers, 7¾ cwt., at 12½@13c.

B. Westheimer had 57 heavy and fat, but coarsish, 8¼ cwt. Illinois steers and oxen at 12½c., and 94 Illinois stillers for S. W. Allerton & Co. at 12c.

T. Bray sold 60 of the Allerton cattle, 6¾ cwt., at 12@13c.

R. Murray run out 84 of 7½ cwt. at 12@12½c.

J. H. Dalbey had 230 Illinois steers, 180 of them 7 cwt., sold at 12@12½c., and 50 at 12c. on 6¼ cwt.

MILCH COWS—Arrivals moderate and trade very dull, owing to a depressed beef market and the ordinary quality of cows. Prices generally rule $5 per head lower. P. McCabe, at Chamberlin's, sold 14 fresh cows at $40@$80 each, averaging about $60. They were mostly common.

VEAL CALVES—With lighter offerings the market recedes in price, few of the prime veals exceeding 8½c. Very choice Jerseys will reach 9c. Fair to good veals sell at 7@8c., as at Forty-eighth-st., by Hume & Elliott; 42 State calves, 128 ℔, 7c.; 50 of 125 ℔, 7½c.; 27 little fellows, $3 75 each. Total, 506 at $10 20 average. J. Kirby sold 18 of 151 ℔, common, at 7½c. Total, 86 at $11. S. McGraw sold 108 at $14 81. At the other markets, Kase & Co. sold 76 of 130 ℔ at 6½c. A. Bristol sold 18 Jerseys, 110 ℔, at 8½c. Ege & Otis sold 34 State calves, 130@150 ℔, at 7@9c. T. M. Graves sold 20 at 7@9c.

SHEEP AND LAMBS—Receipts, 18,478 for the week, or 3,480 less than for the previous week. For the month of May we have 78,378, against 64,815 for corresponding period last year, when sheep were worth 1@1½c., and lambs 2@3c. higher than now. Trade is very dull, and prices fully ½c. lower than this day week. We call thin sheep 4½@5½c.; sales have been made at 4½c.; fair to good, 5½@6½c., with prime at 6c., and only selections or prime lots any higher. Lambs have declined to 8@10c. for Southern and Western, and 10@12½c. for fair to prime near-by stock. The 4,400 of to-day were found, 9 cars at Communipaw, 7 at Weehawken, 4½ at Forty-eighth-st., and 1 at Fortiethst. A few sales at Communipaw are, by J. N. Pidcock, 77 Ohio, 80 ℔, 5½c.; 116 of 122 ℔, 5½c.; 115 of 91 ℔, same weight; 179 poor wool sheep, 74 ℔, 6½c.; 307 do., 99 ℔, 7c. Total, 3,677 sheep at 5½@6c., or $5 63 each, and 530 lambs at $8 09. Kase & Co. sold 243 sheep, 76 ℔, at 4½c., and 218 of 92 ℔, at 5½c. Total, 2,912 sheep at 4½@5½c. for clipped, and 2½@3c. for wool, the whole averaging $4 37 per head, being mostly sheared sheep, many of them thin. Also, 1,018 lambs, mostly at Chamberlins, at 11@13c., or $7 15 each.

At Forty-eighth-st. Hume & Elliott sold 94 Ohio sheep, 85 ℔, at 5c.; 95 of 85 ℔, 5½c.; 195 of 86 ℔, 5½c.; 96 of 99 ℔, 6c.; 105 wool do., 81½ ℔, 6½c.; 98 of 76 ℔, 6½c.; 37 Virginia lambs, 51 ℔, 10½c.; 24 do., 53½ ℔, 11c. Total, 4,349 sheep and lambs at $5 50 each.

J. Kirby sold 2,568 sheep at $4 68 average.

At Fortieth-st. Judge & Buckingham sold 222 Ohio sheep, 95 ℔, at 5½c.

Leech & Barnes sold 850 for week at $4 39 average.

SWINE—Total for week, 17,562, or 3,605 less than the previous week. For the month just ended we have 74,118 hogs. Total for May, 1870, 82,008, showing a lighter run the present season, though they were worth 3@3½c. more at this time last year. We now quote them at 5½@5¾c. alive, and 6½@7½c. dressed. There is trouble with the killers at Communipaw, the association to which they belong, so interfering with the operations that the old hands are likely to be displaced by new men. Too much doctoring injures the patient.

RECEIPTS OF PRODUCE.

Per North River Vessels and Railroads.

MAY 29.—77 pkgs. Ashes, 3,086 bales Cotton, 334 bbls. Cotton Seed Oil, 312 bags Cotton Seed, 266 bbls. Copper, 563 bars Copper, 2 pkgs. Dried Fruit, 3,315 bbls. Eggs, 17,883 bbls. WE OFFER FOR SALE $100,000 EVANSVILLE, HENDERSON AND NASHVILLE RAILROAD OF KENTUCKY FIRST MORTGAGE SEVEN PER CENT BONDS DUE IN 1897. Interest payable on the first days of January and July at the Bank of America, New-York. The line of this Road extends from Henderson on the Ohio River, 89 miles to the State Line of Tennessee, forming important connections with Chicago, Nashville, the South and East. The road was completed in March last, and is now open and in successful operation. The net earnings already insure the interest on the debt beyond any reasonable contingency. The first and only mortgage of all the property and franchises of the Company is for One Million Dollars (or $10,000 per mile), secured by a deed of trust to Gen. A. E. Burnside of New-York, and ex-Governor T. E. Bramlette of Kentucky.

The price for the present is 85, and accrued interest, at which rate they constitute a safe and very desirable investment.

Any further particulars can be had of
WILLIAM ALEXANDER SMITH & Co., 40 Wall-st.

IMPORTANT TO BORROWERS.
MONEY TO LEND WITHOUT EXPENSE EXCEPTING EXAMINATION OF TITLE.
Policy-holders in the Equitable Life Assurance Society of the United States are hereby notified that they can OBTAIN LOANS DIRECTLY from said Society in sums of $5,000, $10,000, $15,000, and $20,000 on the security of bond and mortgage on first-class dwellings and stores in the cities of New-York, Brooklyn, and Jersey City—such loans not to exceed in amount 40 per cent of the market value of the property mortgaged. Until further notice preference will be given to policy-holders in the Society applying directly, without the intervention of others.
No applications will be received unless signed by the person who offers himself as bondsman.

ROBINSON, CHASE & CO.,
18 BROAD-ST.,
OFFER FOR SALE THE BALANCE OF THE
CONSOLIDATED MORTGAGE
Sinking Fund Bonds
OF THE
Lake Shore
AND
MICHIGAN SOUTHERN
RAILWAY COMPANY.
COUPON BONDS—In denominations of $1,000, convertible into Registered at maturity of each coupon. Interest, 7 per cent per annum, payable semi-annually, January and July.
REGISTERED BONDS—In denominations of $1,000, $5,000, and $10,000 (without coupons), in form similar to United States Registered Bonds, transferable on the books of the Company and issued anew to the holder. Interest, 7 per cent per annum, payable quarterly, January, April, July, and October.
The merit of this security, and the peculiar advantages possessed by the Registered Bonds in the quarterly payment of Interest and full PROTECTION against LOSS by FIRE, THEFT, or like exigencies, commend it favorably to all careful and judicious investors, and we cordially recommend it as the most desirable investment in the market.

NEW-YORK STATE
RAILROAD BONDS.
A First-Class Home Investment.
FIRST MORTGAGE GOLD BONDS OF THE RONDOUT AND OSWEGO RAILROAD.
PRINCIPAL AND INTEREST PAYABLE IN GOLD, SEVEN PER CENT SEMI-ANNUALLY.
This Road covers 100 miles of the most direct possible line between the Great Lakes and deep-water navigation on the Hudson River, the whole line of which will be completed and in operation on or before Oct. 1, 1872, and give a new line of road to Lake Ontario and the West, twenty-five miles shorter than any line that can be found.
The issue of Bonds is limited to $20,000 per mile of COMPLETED ROAD, the coupons payable in gold in this city. Price of the Bonds, 90 in currency, and accrued interest.
