A BOOK FOR THE MILLION.

Marriage Guide.

A Private Counselor in the Married or those about to marry, on the purposes, manner and revelations of the sexual system, with the latest discoveries in the science of reproduction, preserving the offspring, &c.

This is an interesting work of two hundred and sixty pages, with numerous engravings, and contains valuable information for those who are married or contemplate marriage. Still it is a book that ought to be kept under lock and key, and not left carelessly about the house.

It contains the experience and advice of a previous eminent physician in world-wide and female practice, and should be in the possession of every male and female throughout the entire globe. It discusses everything on the subject of the generative system that is worth knowing, and much that is not published in any other work.

Before applying to the notorious quacks who advertise in public papers, or using any quack remedies, peruse Dr. Butts' work, no matter what your disease is or how it originated. For maidens, wives, widows, married men, or those contemplating marriage, it is the most valuable work published in any other work.

PARAGRAPHS.

—The Metropolitan Hotel, Lincoln, Neb., has the Lord's prayer printed entire on its daily bill of fare.

—Switzerland has a cremation society. When the first meeting is held all the members will doubtless be ready to go to Berne.

—Happily, the spring can by no possibility be postponed on account of the inclemency of the weather, and we may be happy yet.

—"The Lord never meant for us to bile over with religion this cold weather!" said a Duluth deacon as he dismissed church and went home to hug the stove.

—A German savant recommends a weak solution of camphor for watering house plants. He regards this article as holding the same relation to vegetation as alcohol does to the animal system.

—Gen. Judson Kilpatrick indignantly repels an attack made upon him by a correspondent of the Cincinnati *Enquirer*, and the editor magnanimously says: "If it will be any gratification to the General, he may, with our leave, take satisfaction out of any *Enquirer* correspondent he may find."

—Even in the grog shops, says the Boston *Advertiser*, opinions upon grave subjects are expressed forcibly. A gentleman slightly under the influence of the intoxicating bowl furnished proof of this fact a night or two ago: "Whiskey, zur," he said, "his—brightens the intellect. It ought to be introduced into the public schools, zur!"

Died Suddenly of Heart Disease.

How common is the announcement. Thousands are suddenly swept into eternity by this fatal malady. This disease generally has its origin in impure blood filled with irritating, poisonous materials, which, circulating through the heart, irritate its delicate tissues. Though the irritation may at first be only slight, producing a little palpitation or irregular action, or dull, heavy, or sharp, darting pains; yet by and by the disease becomes firmly seated, and inflammation or hypertrophy, or thickening of the lining membrane or of the valve is produced. How wise to give an early attention to a case of this kind. Unnatural or throbbing pain in the region of the heart should admonish one that all is not right, and if you would preserve it from further disease, you must help it to beat rightly by the use of such a remedy as will remove the cause of the trouble. Use Dr. Pierce's Golden Medical Discovery before this disease has become too seated, and it will, by its great blood purifying and wonderful regulating properties, effect a perfect cure. It contains medical qualities that act specifically upon the tissues of the heart, bringing about a healthy action. Sold by all first-class Druggists.

HEART DISEASE CURED.

ROCKPORT, Spencer Co., Ind., Feb. 1st, '74.

DR. R. V. PIERCE, Buffalo, N. Y.:

About two years ago I was afflicted with a disease of the heart, which at times created a pressure around it, almost causing suffocation. I saw an advertisement of your Golden Medical Discovery, recommending the same as a cure for the disease of the heart. I then bought half a dozen bottles of it, and after using three bottles I was entirely relieved and am now enjoying good health. Gratefully yours,

VITUS KILLIAN.

THE NEW WALTHAM!

The past twelve months at the Waltham Watch Factory have been the busiest in the Company's history. Several wholly new stem winding watches have been produced, and great improvements have been effected in the manufacture of all variety of their standard watches, until now they include every size in both key and stem-winding, that can be desired, of every quality and of every price. At the same time new inventions in machinery, and other large economies, have cheapened the cost, so that at present it is not too much to claim that the Waltham Watches are the best and cheapest watches in the world. These claims are, in fact, almost everywhere admitted. In this country it is a matter of fact that hardly any fine American watches are sold but those of the Waltham make, while orders are now regularly received from England, Australia, and the British Possessions generally, and foreign countries are abandoning the hand made productions of Switzerland and England, and eagerly adopting American machine made Waltham watches in their place.

Buyers of silver watches should be careful to observe the stamp of the Company on the case, as well as on the movement, as the Waltham Watch movements are frequently put into cases which are inferior both in quality of metal and workmanship.

For sale by all leading jewelers.

Positively no Watches sold at retail.

NOTICES OF THE PRESS.

The ever increasing circulation of this excellent monthly proves its continued adaption to popular desires and needs. Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—Boston Globe.

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—Brooklyn Eagle.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they can ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor,** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back,** and **Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear.

For **Dropsy** and **Dropsical Swellings,** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression,** a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion, and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

℞ No one remedy is louder called for by the necessities of the American people than a sure and safe cure for **Fever and Ague.** Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents this disorder must be of immense service in the communities where it prevails. *Prevention* is better than cure; for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "CURE" expels the miasmatic poison of **Fever and Ague** from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no Quinine or mineral; consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are **Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis,** and derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure; and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity, and producing many truly remarkable cures, where other medicines fail.
