A BOOK FOR THE MILLION.

Marriage Guide. A Private Counselor to the Married, or those about to marry, on the physiology, hygiene and physiology of the sexual system, with the latest discoveries in the science of reproduction, preserving the complexion, &c.

This is an interesting work of two hundred and sixty pages, with numerous engravings, and contains valuable information for those who are married or contemplate marriage; still it is a book that ought to be kept under lock and key, and not left carelessly about the house.

It contains the experience, and advice of a physician whose reputation is world-wide, and should be in the possession of every man and female throughout the entire globe. It embraces everything on the subject of the reproductive system that is worth knowing, and much that is not published in any other work.

PARAGRAPHS.

—At a recent spiritual seance at East Boston, a policeman succeeded in tying the medium so securely as to completely baffle the spirits, and in response to a meek appeal finally unwound the rope.

—"Julius, why didn't you oblong your stay at the Springs?" "Kase, Mr. Snow, dey charge too much." "How so, Julius?" "Wy, de landlord charged dis colored individual wid stealing de spoons."

—A Connecticut girl who had carried an ancient penny about in her purse for over five years and accidentally paid it out while in New York last summer, and had mourned over it ever since, had the identical piece restored to her at Boston last week, in change for a car fare.

—In a Baltimore theatre a bear—or the semblance of one—stole across the stage toward the sleeping heroine of the play. A little fellow in the audience, painfully appreciative of her peril, shouted at the top of his squeaky voice, "Wake up, Miss! the bear's a comin'!"

—At the trial of one Putnam, at Virginia City, for leading an idle and dissolute life, District Attorney Campbell defined a bummer as "an aggregated, concatenated, conglomerated, segregated, contaminated, d—d loafer." This decided the jury at once, and they found Putnam guilty.

—"Bub, did you ever stop to think," said a Michigan avenue grocer yesterday, as he measured out half a peck of potatoes, "that these potatoes contain sugar, water, and starch?" "Nosh, I didn't," replied the boy, "but I heard mother say that you put peas and beans in your coffee, and about a pint of water in about every quart of milk you sold.

Dr. Schenck's Standard Remedies.

The standard remedies for all diseases of the lungs are SCHENCK'S PULMONIC SYRUP, SCHENCK'S SEA WEED TONIC, and SCHENCK'S MANDRAKE PILLS, and, if taken before the lungs are destroyed, a speedy cure is effected.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivaled success in the treatment of pulmonary diseases.

The Pulmonic Syrup ripens the morbid matter in the lungs; natural exercise will throw it off by expectoration, or when the phlegm or matter is ripe a slight cough will throw it off, the patient has rest and the lungs begin to heal.

To enable the Pulmonic Syrup to do this, Schenck's Mandrake Pills and Schenck's Sea Weed Tonic must be freely used to purify the stomach and liver. Schenck's Mandrake Pills act on the liver, removing all obstructions, relax the gall bladder, the bile flows freely, and the liver is soon relieved.

Schenck's Sea Weed Tonic is a gentle stimulant and alterative; the alkali of which it is composed, mixes with the food and prevents souring. It assists the digestion by toning up the stomach to a healthy condition, so that the food and the lungs heal, and the patient will surely get well if care is taken to prevent fresh cold.

All who wish to consult Dr. Schenck, either personally or by letter, can do so at his principal office, corner of SIXTH and ARCH STS., Philadelphia, every Monday.

Schenck's medicines are sold by all druggists throughout the country. 3-2-2m

HARPER'S MAGAZINE,

NOTICES OF THE PRESS.

The ever increasing circulation of this excellent monthly proves its continued adaption to popular desires and needs. Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—Boston Globe.

The character which this Magazine possesses for variety, enterprise, artistic worth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It best ties them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—Brooklyn Eagle.

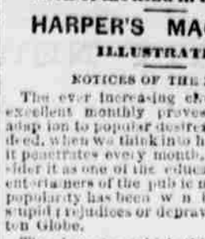
Ayer's Sarsaparilla



Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination, Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

HALL'S VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
