## PARAGRAPHS.

—The President and Fellows of Harvard College have voted to accept the fund accumulated by the Agassiz Memorial Committee for the use of the Museum of Comparative Zoology.

—John Pugsley, lately killed at Duluth by Hattie Russell for seduction, left a wife and one child, and an estate valued at from $25,000 to $50,000. Miss Russell's trial will take place in May next.

—Mr. Beecher has determined to go to California for recreation, the moment his trial is over. He does not go to Europe, on account of his constitutional liability to feel a "true inwardness."

—Mrs. Pinchback (colored) says that when her husband *does* get into the Senate she will test the equality of Washington society to its very core. She is said to be an extremely dressy individual.

—Thurlow Weed says that Charles Sumner was a monomaniac on the Civil Rights question, and predicts that the new law will bring nothing but vexation and disappointment upon the colored people.

—What a chance for old topers. The new Liquor law of Indiana doesn't go into effect until August 1, and decisions have been rendered by the State courts that at present there is no law in force to restrain whisky-selling.

—Neither Mrs. Tilton, Miss Anthony, Mrs. Stanton nor Mrs. Beecher, ladies who undoubtedly know whether Beecher is guilty or not, can testify at his trial. What is our legal system that such a suppression of testimony is permitted?

**Dr. Schenck's Standard Remedies.**

The standard remedies for all diseases of the lungs are SCHENCK'S PULMONIC SYRUP, SCHENCK'S SEA WEED TONIC, and SCHENCK'S MANDRAKE PILLS, and, if taken before the lungs are destroyed, a speedy cure is effected.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivaled success in the treatment of pulmonary diseases.

The Pulmonic Syrup ripens the morbid matter in the lungs; natural throws it off by an easy expectoration, or when the phlegm or matter is ripe a sight cough will throw it off, the patient has rest and the lungs begin to heal.

To enable the Pulmonic Syrup to do this, Schenck's Mandrake Pills and Schenck's Sea Weed Tonic must be freely used to purify the stomach and liver. Schenck's Mandrake Pills act on the liver, removing all obstructions, relax the gall bladder, the bile starts freely, and the liver is soon relieved.

Schenck's Sea Weed Tonic is a gentle stimulant and alterative; the alkali of which it is composed, mixes with the food and prevents souring. It assists the digestion by toning up the stomach to a healthy condition, so that the food and the lungs heal, and the patient will surely get well if care is taken to prevent fresh cold.

All who wish to consult Dr. Schenck, either personally or by letter, can do so at his principal office, corner of SIXTH and ARCH STS., Philadelphia, every Monday.

Schenck's medicines are sold by all druggists throughout the country. 3-2-2m

## HARPER'S MAGAZINE,

ILLUSTRATED.

NOTICES OF THE PRESS.

The ever increasing circulation of this excellent monthly proves its continued adaptation to popular desires and needs. Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—Boston Globe.

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—Brooklyn Eagle.

### Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

### HALL'S VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
