SIMMONS LIVER REGULATOR

ASK the recovered dyspeptics, bilious sufferer, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits, and good appetite they will tell you by taking Simmons Liver Regulator.

THE CHEAPEST, AND BEST FAMILY MEDICINE IN THE WORLD.

For DYSPEPSIA CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heart Burn, etc., etc.

This unrivalled Southern Remedy is warranted not to contain a article of Mercury, or any injurious substance, but is

PURELY VEGETABLE

containing those southern roots and herbs which an all wise providence has placed in countries where Liver Diseases prevail. It will cure all diseases caused by derangement of the liver and bowels.

The symptoms of Liver Complaint are a bitter or bad taste in the mouth; Pain in the back, sides or joints, often mistaken for rheumatism; sour stomach, loss of appetite, bowels alternately costive and lax headache, loss of memory, with a painful sensation of having failed to do something which ought to have been done, debility, low spirits, a thick yellow appearance of the skin and eyes, a dry cough often mistaken for consumption.

Some times many of these symptoms attend the disease, at others very few, but the liver, the largest organ in the body, is generally the seat of diseases and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

I can recommend as an efficacious remedy for diseases of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator. Lewis Wunder, 1730 Master street, Assistant Postmaster, Philadelphia

"We have tested its virtues, personally, and now that for Dyspepsia, Biliousness and Throbbing Headache it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief; but the Regulator not only relieved but cured us."—RO TELEGRAPH AND MESSENGER, Macon, Ga.

BAD BREATH

Nothing is so unpleasant, nothing so common as bad breath, and in nearly every case it comes from the Stomach, and can be so easily corrected if you will take Simmons' Liver Regulator. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your Appetite, complexion, and General Health.

SICK HEADACHE

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache. For prompt relief

TAKE SIMMONS' LIVER REGULATOR, OR MEDICINE,

Contains four medical elements, never found in the same happy proportion in any other preparation, viz: a gentle Cathartic, a powerful tonic, a unexceptionable alterative and a certain Corrective of all impurities of the body. Such signal success has attended its use that it is now regarded as the

A GREAT LAND SUIT.

Five Hundred Thousand Acres of Land in Minnesota Claimed by Rival Railroad Companies.

[St. Paul (Minn.) Pioneer-Press Jan. 20.]

The Pioneer-Press the other day noticed the fact that Governor Hillbury determined to transfer about 600,000 acres of land to the St. Paul and Pacific Railroad company, that amount of its land grant having been earned by the company in the completion of its road from a point south of Glyndon northward to Crookston. This action of the governor has consequently agitated the Northern Pacific Railroad company, and its attorneys have proceeded to file notices of lis pendens in the offices of the register of deeds in the counties of Wilkin, Otter Tail, Becker, Clay, Polk, Todd, Douglas, and probably others, by which the company gives warning to the purchasers that they have claim or lien upon the lands in question. It is known that a contest has been going on for half a dozen years between the two great railroad companies above-named, as to which is entitled to the land grant at the intersection of these two roads at Glyndon, embracing the alternate sections upon a strip forty miles wide by eighty miles long, and taking in, it is said, something like 600,000 acres of land. There are a good many knotty points to be solved in this controversy, which only the lawyers who have studied the case can intelligently explain, but it seems to stand in a general way like this: The Northern Pacific has a land grant of twenty sections to the mile, and the principal point is as to which was the first to claim the lands at the Glyndon crossing. It is alleged that the St. Paul and Pacific was the first to locate its line, but the Northern Pacific first to build its road and occupy the ground. Right here come in several collateral questions, such as that the original congressional land grant of 1857 to the St. Paul and Pacific contemplated a route from St. Paul to St. Cloud and Crow Wing, and thence northwesterly to St. Vincent, which route was changed by congress in 1871, from St. Cloud up the Sauk valley to Alexandria, Fergus Falls, and Glyndon, and thence northward to St. Vincent. What effect this change of base will have up on the general result remains to be tested in the courts, where the case has for a long time been pending. The complications are such that the executive officers of the general government seem to be as much in the dark upon the merits of the question as everybody else, and Secretaries Delano and Chandler held opposite views upon the subject—one believing that the St. Paul and Pacific is entitled to the disputed land, and the other considering the claim of the Northern Pacific to be the best. In this emergency the United States courts will be called upon to decide the point at issue; and that the contest may be speedily settled is devoutly to be wished, in view of the eager demand of settlers for homestead upon that immense section of disputed territory. But as large bodies move slowly, and as nothing can be much slower than large suits in the United States courts, the prospect that the end of this trouble will be seen in the lifetime of people now living is not particularly brilliant.

Dr. PIERCES' STANDARD REMEDIES.

Are not advertised as "cure-alls," but are specifics in the diseases for which they are recommended

NATURAL SELECTION.

Investigators of natural science have demonstrated beyond controversy, that throughout the animal kingdom the "survival of the fittest" is the only law that vouchsafes thrift and perpetuity. Does not the same principle govern the commercial prosperity of man? An inferior cannot succeed a superior article. By reason of superior merit, Dr. Pierce's Standard Medicines have outrivaled all others. Their sale in the United States alone exceeds one million dollars per annum, while the amount exported foots up to several hundred thousand more. No business could grow to such gigantic proportions and rest upon any other basis than that of merit.

Golden Medical Discovery

Is Pectoral.

Golden Medical Discovery

Golden Medical Discovery

Is Tonic.

Golden Medical Discovery

By reason of its alterative properties, cures diseases of the Blood and Skin, such as scrofula, or king's evil; Tumors; Ulcers, or Old Sores; Blotches; Pimples; and Eruptions. By virtue of its Pectoral properties, it cures Bronchial, Throat and Lung affections; Incipient consumption; Lingering Coughs; and Chronic Laryngitis. Its cholagogue properties render it an unequaled remedy for Biliousness; Torpid Liver, or "Liver Complaint;" and its Tonic properties make it equally efficacious in curing Indigestion, Loss of Appetite and Dyspepsia.

Where the skin is sallow and covered with blotches and pimples, or where there are ugly nodous affections and swellings, a few bottles of Golden Medical Discovery will effect an entire cure. If you feel dull, drowsy, debilitated, have sallow color of skin or yellow shade before eyes, spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flashes, low spirits and gloomy forebodings, irregular appetite and tongue coated, you are suffering from Torpid Liver or "Biliousness." In many cases of Liver complaint, "only part of these symptoms are experienced. As a remedy for all such cases Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.

Dr. Pierce's Pleasant Purgative Pellets.

Purely Vegetable. No Care Required while Using them.

The "Little Giant" Cathartic, or MULTUM IN PARVO PHYSIC, scarcely larger than mustard seeds, and are sugar-coated. They remove the necessity of taking the great, crude, drastic, sickening pills heretofore so much in use.

As a remedy for Headache, Dizziness, Rush of Blood to the Head, Tightness about the Chest, Bad Taste in the Mouth, Eructations from the Stomach, Bilious Attacks, Jaundice, Pain in the Kidneys, Highly colored Urine, and Internal Fever, Dr. Pierce's Pleasant Purgative Pellets are unsurpassed. Furthermore, I would say that their action is universal, not a gland escaping the excitative impress. Age does not impair their wonderful virtues. Minutes, not months, are the only being preservers unimpaired for any length of time, so that they are always fresh and reliable. This is not the case with those pills which are put up in cheap wooden or pasteboard boxes. The daily use of two Pellets has cured the most obstinate cases of Scrofula, Tetter, Salt-rheum, Erysipelas, Boils, Blotches, Pimples, Sore Eyes, and Eruptions. They, however, recommended to be taken in connection with the Golden Medical Discovery, in order to secure the best results.
