VOL. 10. CAIRO, ILLINOIS, SATURDAY, MARCH 9, 1878. NO. 34

ASK the recovered dyspeptics, bilious sufferer, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits, and good appetite they will tell you by taking Simmons's Liver Regulator.

THE CHEAPEST, AND BEST FAMILY MEDICINE IN THE WORLD.

For DYSPEPSIA, CONSTIPATION, Jaundice, bilious attacks, SICK HEADACHE, Colic, Depression of spirits, SOUR STOMACH, Heart Burn, etc. etc.

This unrivalled Southern Remedy is warranted not to contain a particle of Mercury, or any injurious substance, but is

PURELY VEGETABLE

containing those southern roots and herbs which an all wise Providence has placed in countries where Liver Diseases prevail. It will cure all diseases caused by derangement of the liver and bowels.

The symptoms of Liver Complaint are a bitter or bad taste in the mouth; Pain in the back, sides or joints, often mistaken for rheumatism sour stomach, loss of appetite, bowels alternately costive and lax headache, loss of memory with a painful sensation of having failed to do something which ought to have been done debility, low spirits, a thick yellow skin, xeranes of the skin and eyes, a dry cough often mistaken for consumption.

Some times many of these symptoms attend the disease, at others very few, but the liver, the largest organ in the body, is generally the seat of disease and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

I can recommend as an efficacious remedy for diseases of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator. Lewis Wyman, 1736 Master street, Assistant Postmaster, Philadelphia.

"We have tested its virtues, personally, and now that for Dyspepsia, Biliousness and Throbbing Headache it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief but the Regulator not only relieved but cured us."—ED. TELEGRAPH AND MESSENGER, Macon, Ga.

BAD BREATH

Nothing is so unpleasant, nothing so common as bad breath, and in nearly every case it comes from the stomach, and can be so easily corrected if you will take Simmons' Liver Regulator. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your Appetite, complexion, and General Health.

SICK HEADACHE

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache. For prompt relief

TAKE SIMMONS' LIVER REGULATOR, OR MEDICINE,

Contains four medical elements, never found in the same happy proportion in any other preparation, viz: a gentle Cathartic, a powerful tonic, an unexceptionable alternative and a certain Corrective of all impurities of the body. Such signal success has attended its use that it is now regarded as the

The Old Home.

The heads of every family should cultivate an ambition to own a home of their own, where they can plant their trees, train their vines, and rear their flowers, and feel that these are growing for "me and mine." How it inspires hope, nerves the weary hand, and cheers each passing hour. It binds the family together. Each child has his or her tree, shrub or flower, something on which labor is bestowed, and to which they are attached. And as the years go by and the family changes, sons and daughters go from home into the world, and parents are alone, how the evidences of the toil or skill of absent ones call up pleasant associations of the past: and to the children there are numerous attractions to draw them often back to the old home. It should become the aim of everyone in this country to become the owner of his home as early in life as possible, and parents will do their children a great service by instructing and assisting them to provide the nucleus of a home, even during their minority. It will give them an object for which to save their money, teach them frugality, and show them that success is within their power.

The Farmer and His Money.

The farmers who "lifted" the mortgages from their land during the flush times caused by the war, were the fortunate ones; while those who went into debt have generally failed. In view of the prosperity of the farming class during the past year, it is well to remember this experience. A combination of causes has produced fair prices in conjunction with an immense crop. But, the *Rural World* reminds the farmers that "the European war will not last always; that next year perhaps there will be a larger crop in Great Britain than has been produced in fifty years; that but a very small portion of our crops may be wanted abroad, and that in consequence the very lowest price may prevail for all our farm crops." To be forwarned is to be forearmed. Farmers, therefore, who take in money for their crops this year, had better pay their debts. Instead of incurring new debts, pay off the old ones. Get in an independent condition. The farm will always make the industrious farmer a good living. Resolve to owe no man a cent. Pay as you go, and peace of mind will be yours that the debtor cannot enjoy.

A Barbaric and Costly Funeral.

An East Indian Prince, His Highness Maharajah Takhat Singh, of Joudhpore, having died on the 13th of January last, at the age of 52, "after a brilliant reign of 28 years," his funeral solemnities were immediately proceeded with. Early in the morning of a day soon after his decease, his body, arrayed in the royal robes of brocaded cloth, was borne in a sedan chair to the funeral pile. It was further enveloped at the pile in costly Cashmere shawls. The value of the jewelry alone upon the corpse is stated at $75,000. The pile was of sandal wood, intermixed with combustibles, and upon being lighted, the flames shot up with fierce intensity. The heat was so extreme that no one could approach the burning mass. In two hours the body and the wood were reduced to ashes. Two days were allowed for the remains to cool, and the ashes were then, with much pomp, carried back to the palace, thence to be sent in lots to the "Holy Places," with largesses to the Brahmins and other religious mendicants. For a week or more five thousand Brahmins received each a rupee a day at the palace gates, and their necessary food. A silver rupee is about fifty cents, a gold rupee about seven dollars. Taking the silver rupee as the dole, the daily alms amounted to $250. On the road from the palace to the funeral pile, $62,000 were thrown among the crowd who lined the way, and the scramble for the coin was fearful. Two elephants bore the burden of this gold and silver.

The amount of money given and thrown away fell probably partly into the hands of poor wretches who needed it. Even medicants must eat. A proximate calculation would give from one hundred to one hundred and fifty thousand dollars in coin scattered and given away, to say nothing of the after largesses when the ashes are distributed, or of the disbursements for sandal wood for the pile and food for the crowd.

Several citizens of San Francisco have presented to the Golden Gate Park of that city the material for two handsome and costly conservatories imported by the late James Lick.

THE New York Franklin Fire Insurance Company has suffered an impairment of capital of $25,000, and has been notified by the insurance department that it must make up this amount or cease doing business.

The laying of subterranean telegraph wires continues with great activity in Germany. The line between Berlin and Mayence was lately opened, and the former city will soon be in subterranean connection with several points of the western frontier of Germany. Subterranean telegraphs are found there to be many times more expensive than those upon poles, but have the advantage of never being impeded by weather.

BENSON'S

CAPCINE

Porous Plaster.

A great improvement on the ordinary porous plaster. | A soothing, healing, strengthening and pain killing agent in one.

The manufacturers received the highest and only award given to Porous Plasters at the Centennial.

We warrant Benson's Capcine Plasters to be superior to all other Porous Plasters and to all liniments.

Ask Those Who Know.

Ask any physician if Benson's Capcine Porous Plaster is not the best plaster in the world. This remarkable article was invented to overcome the great objection always found to the ordinary Porous Plaster of slow action in bringing relief.

Lame Back.

For Lame and Weak Back, Rheumatism, Troubles of the Spine and Kidneys, it is a truly wonderful remedy. Physicians everywhere recognize its great superiority to other Porous Plasters and to all liniments. It relieves pain at once and cures quicker than any known plaster, liniment or compound.

CAUTION.

There are dangerous and worthless imitations of Benson's Capcine Plaster in the market. The genuine have the word Capcine cut through each plaster. Sold by all druggists. Price 25c.

To Consumptives.

Consumption, that scourge of humanity, is the great dread of the human family, in all civilized countries.

I feel confident that I am in possession of the only sure, infallible remedy—now known to the profession for the speedy, positive cure of that dread disease, and its unwelcome concomitants, viz: Catarrh, Asthma, Bronchitis, Nervous Debility, etc., etc. I am old fogy. I believe in medicine. Twenty-eight years experience as a busy practitioner in the best consumption hospitals in the old and new world, has taught me the value of proper medication both local and constitutional in the cure of this great enemy of our race. I have found it. But I am digressing. I started out to say to those suffering with consumption or any of the above maladies, that by addressing me, giving symptoms, they shall be put in possession of this great boon, without charge, and shall have the benefit of my experience in thousands of cases successfully treated. Are not advertised as "cure-alls," but are specifics in the diseases for which they are recommended.

NATURAL SELECTION.

Investigators of natural science have demonstrated beyond controversy, that throughout the animal kingdom the "survival of the fittest" is the only law that vouchsafes thrift and perpetuity. Does not the same principle govern the commercial prosperity of man? An inferior cannot supercede a superior article. By reason of superior merit, Dr. Pierce's Standard Medicines have outrivaled all others. Their sale in the United States alone exceeds one million dollars per annum, while the amount exported foots up to several hundred thousand more. No business could grow to such gigantic proportions and rest upon any other basis than that of merit.

AN OPEN LETTER.

IT SPEAKS FOR ITSELF.

ROCKPORT, Mass., April 2, 1877.

Mr. Editor—Having read in your paper the reports of the remarkable cures of catarrh, I am induced to tell what I know about catarrh, and I fancy the "snuff" and "inhaling tube" makers—mere dollar grabbers—would be glad if they could embalm or a similar cure in the papers. For 26 years I suffered with catarrh. The nasal passages became completely closed. Snuff, dust, ashes, inhaling tubes and "sticks," would not work, though at intervals I would sniff up the so-called catarrh snuff, until I became a valuable test for such medicines. I gradually grew worse and no one can know how much I suffered or what a miserable being I was. My head ached over my eyes so that I was confined to my bed for many successive days, suffering the most intense pain, which at one time lasted for 168 hours. All sense of taste and smell gone, sight and hearing gone, nervous system shattered and constitution broken, and I was hawking and spitting seven-eights of the time. I prayed for death to relieve me of my sufferings. A favorable notice in your paper of Dr. Sage's Catarrh Remedy induced me to purchase a package and use it with Dr. Sage's nasal douche, which applies the remedy by hydrostatic pressure, the only way compatible with common sense. Well, Mr. Editor, it did not cure me in three-fourths of a second, nor in one hour or month, but in less than eight minutes I was relieved, and in three months entirely cured, and have remained so for over 16 months. While using the Catarrh Remedy I used Dr. Pierce's Golden Medical Discovery to purify my blood and strengthen my stomach. I also kept my liver active and bowels regular by the use of his Pleasant Purgative Pellets. If my experience will induce other sufferers to seek the same means of relief, this I think, has answered its purpose.

Yours, truly, S. D. RENNICK.

Golden Medical Discovery

Is Alterative, or Blood-cleansing.

Golden Medical Discovery

Is Pectoral.

Golden Medical Discovery

Is a Cholagogue, or Liver Stimulant.

Golden Medical Discovery

Is Tonic.

Golden Medical Discovery

By reason of its alterative properties, cures diseases of the Blood and Skin, as Scrofula, or King's Evil, Tumors, Ulcers, or Old Sores; Blotches; Pimples; and Eruptions. By virtue of its Pectoral properties, it cures Bronchial, Throat and Lung Affections; Incipient Consumption; Lingering Coughs, and Chronic Laryngitis. Its Cholagogue properties render it an unequalled remedy for Biliousness; Torpid Liver, or "Liver Complaint;" and its Tonic properties make it equally efficacious in curing Indigestion, Loss of Appetite and Dyspepsia.

Where the skin is sallow and covered with blotches and pimples, or where there are scrofulous affections and swellings, a few bottles of Golden Medical Discovery will effect an entire cure. If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits and gloomy forebodings, irregular appetite, and tongue coated, you are suffering from Torpid Liver or "Biliousness." In many cases of "Liver Complaint," only part of these symptoms are experienced. As a remedy for all such cases Dr. Pierce's Golden Medical Discovery has no equal, and its effects perfect cures, leaving the liver strengthened and healthy.
