SUNDAY READING.

THE BIBLE.—In the poem just published under the name of Miriam, Whittier pays the following tribute to the best of books:

"We search the world for truth; we cull
The good, the pure, the beautiful
From graven stone and written scroll,
From old flower-fields of the soul;
And weary seekers of the best.

We come back laden from our quest,
To find that all the sages said,
Is in the book our mothers read;
And all our treasure of old thought
In his harmonious fullness wrought,
Who gathers in one sheaf complete
The scattered blades of God's sown wheat,
The common growth that marketh good
His all-embracing Fatherhood."

THE DYING SOLDIER.—"Put me down," said a wounded Prussian at Sedan to his comrades, who were carrying him; "put me down; do not take the trouble to carry me any farther; I am dying."

They put him down and returned to the field. A few minutes after, an officer saw the man weltering in his blood, and said to him. "Can I do anything for you?"

"Nothing, thank you."

"Shall I get you a little water?" said the kind-hearted officer.

"No, thank you, I am dying."

"Is there nothing I can do for you? Shall I write to your friends?"

"I have no friends that you can write to. But there is one thing for which I would be much obliged. In my knapsack you will find a Testament; will you open it at the 14th chapter of John, and near the end of the chapter you will find a verse that begin with 'Peace.' Will you read it?"

The officer did so, and read the words, "Peace I leave with you, my peace I give unto you. Let not your heart be troubled, neither let it be afraid."

"Thank you, sir," said the dying man. "I have that peace: I am going to that Savior; God is with me; I want no more."

These were his last words, and his spirit ascended to be with him he loved.

A PROBLEM TO SOLVE.—A young man who had graduated at one of the first colleges, and was celebrated for his literary attainments, particularly his knowledge of mathematics, settled in a village where a faithful minister of the Gospel was stationed. It wasn't long before the clergyman met with him in one of his evening walks, and, after some conversation, as they were about to part, addressed him as follows:

"I have heard you are celebrated for your mathematical skill; I have a problem which I wish you to solve."

"What is it?" eagerly inquired the young man.

The clergyman answered with a solemn tone of voice, "What shall it profit a man if he should gain the whole world, *and lose his own soul?*"

The youth returned home and endeavored to shake off the impression fastened on him by the problem proposed to him, but in vain. In the giddy round of pleasure, in his studies, the question still forcibly returned to him, "What if I gain the whole world, and lose my own soul?" It resulted in his conversion, and his becoming an able advocate and preacher of the Gospel he once rejected.

The Episcopalians are erecting a beautiful church in Salt Lake City, from funds, it is believed, furnished principally by Christians in New York and Brooklyn. The dissenters from Brigham Young are also building a fine lecture room within a square of the new church. The Methodists are trying to purchase land for the same purpose.

Club Rates.

For the purpose of placing the WEEKLY CHRONICLE in the reach of every one, we propose, in the future, to furnish it to clubs at the following rates:

5 copies, one year.....$8 75
10 " " " 16 00
20 " " " 30 00

And an extra copy for each club of twenty at $1.50 each.

We will send our daily twelve months to any one sending us a club of forty subscribers for one year at $1.50 per copy.

This is a good time to commence canvassing. The holidays are coming and the year is closing. Everybody wants to make holiday presents, and we can conceive of nothing that would be more highly appreciated than a good live newspaper, paid for one year from the first of January, 1871.

Advertising.

A man who cannot afford to advertise, cannot afford to do business. A merchant prince said truly that a person investing one dollar in any kind of business, should spend a dollar in advertising that business.

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR ITTES!

Hundreds of Thousands

Bear Testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

For Female Complaints, whether in young or old married or single, at the dawn of womanhood or the turn of life, these tonic Bitters have no equal; are safe and reliable in all forms of disease.

They are not a Vile

FANCY DRINK

They a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and all the Visceral Organs.

Made of POOR RUM, WHISKY, PROOF SPIRITS, and REFUSE LIQUORS, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healty condition. No person can take these Bitters, according to directions, and remain long unwell.

$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons, or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such diseases are caused by Vitated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequaled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Conious Discharges of Urine, Pain the regions of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the Blood pure, and the health of the system will follow.

Pin, Tape and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

Dr. M. Lytle's Elixer!

FOR THE CURE OF

Diarrhea, Dysentery, Bloody Flux,

CHOLERA MORBUS, PAINFUL PURGING, SUMMER COMPLAINT, CRAMP AND COLIC.

The want of a medicine of this character has long been felt by the community, and has induced the proprietors, by over thirty years' trial in private, to introduce it for the benefit of the public as a staple family medicine. It does not act as an astringent alone, but by reducing the acidity of the secreting membranes of the bowels, reduces the inflammation, hence performs a thorough cure.

The proprietors take the liberty of stating to the public, that no more perfect receipt (which is guaranteed for the cure of the above-mentioned diseases) exists in the world, being entirely vegetable and containing no sugar of lead or other noxious drug or mineral. And they would further say that the preparation has met the hearty approval of numerous physicians who have used it.

DIRECTIONS:

To adults, a tablespoonful after each passage, or four times a day; To children under ten, a half-tablespoonful as required. To children under five a teaspoonful. To children under two or three, a half-teaspoonful, as required, and by carefully administering as directed it will never fail.

Hart's Magnolian Cough Drops.

PRICE PER BOTTLE 25 CENTS.

This medicine can confidently be recommended for all diseases of the Throat, Bronchial Tubes and Lungs.

It is invaluable as a remedy for Coughs, Colds, Loss of Voice, Sore Throat, Influenza, Diptheria, Bronchitis, Hoarseness, Croup, Whooping Cough, Asthma and Spitting of Blood. It does not profess to cure consumption, but from the largely demulcent and balsamic character of the ingredients of which it is composed, it is claimed that it will do all for this dire disease that *any Cough Medicine can do.*

This medicine contains NO OPIUM, or other ingredient of a deleterious character, and may be given with the utmost confidence and safety in every stage of the disease and to patients of every age. Dose from ten drops to a teaspoonful, according to the age of the patient, and repeated in every instance as the urgency of the case requires, in one, two, three or four hours.

Damon's Stock Powders.

THESE POWDERS ARE PREPARED FROM Medicines which possess Laxative, Tonic and Purifying properties, and when administered to Horses produce the most beneficial results. As a laxative, they expel from the stomach and intestines all foreign substances. As a tonic they increase the tone and strength of the system; and as a purifier they cleanse the blood and lay the foundation for a strong and healthy circulation. They are a preventive of Lung Fever, and an excellent remedy for all the diseases to which this noble animal is subject. Their use strengthens the lungs and gives a smooth and glossy appearance to the skin, and by increasing the appetite, give vigor and strength to the whole system.

Price, 25 cents per Box.

DIRECTIONS FOR USE.

For Lung Fever, or any symptoms of the disease, give a tablespoonful three times a day.

For Glanders, Heaves, Distemper, Founder, Coughs, and other complaints to which the Horse is subject, give a tablespoonful three times a day until a cure is effected—which is generally produced in a few days.

These powders, if used two or three times a week, during the spring and winter months, will prevent your horse from being attacked by these dangerous diseases and greatly increase their usefulness.

DAMON'S STOCK POWDERS FOR MILCH COWS

These Powders are valuable in increasing the quantity of Milk in the Cow, and should be used by every farmer. It increases the appetite and fattens and strengthens the animal, and while increasing the quantity of the milk, makes the butter firm and sweet.
