SENATOR CLAPP'S GREAT SPEECH.

We have read in the Nashville *American* a comparatively brief synopsis of Senator Clapp's great speech on the State debt question, one of the ablest and most statesmanlike ever delivered in the State Capitol. It was able, convincing, thorough, and covered all the ground. Its delivery occupied about five hours, during which time the Senate chamber, lobbies and galleries were crowded with spectators, anxious to hear what the Senator had to say and to show their sympathy for his cause by their presence. He handled his subject with all the skill of a master, and swept away the sophistry advanced by the advocates of repudiation as so many insignificant cobwebs, to be seen through at a glance. He noticed the arguments of Senators Wilson and Savage, and showed their utter nothingness. After he was through, the repudiationists had absolutely no ground to stand upon. He challenged the proof that of all the $22,000,000 of bonds constituting our State debt, there was a single bond that had been fraudulently issued. In fact he left nothing for the repudiationists to say in justification of their disgraceful policy. We are not surprised to hear that Governor Marks, after this great speech and the manner of its reception, contemplates sending in a special message, recommending a settlement of the debt at fifty cents on the dollar and four per cent. interest—a point far in advance of his original position. In the light of Senator Clapp's exposure, the Governor sees that he has invoked a spirit of dishonor, destruction and degradation, which he would feign control if he can. We give him credit for opening his eyes, even at this late day, and under the operation of so powerful a stimulus, but he is yet partially blind. Would to God that he might have his full sight restored.

Senator Clapp deserves the thanks of every State credit man in the State, and of every friend of Tennessee, in or out of the State. His speech may prove the turning point in our history as a State,—the rock upon which the piratical vessel of repudiation is to break and go down to ruin, to be heard of no more, we trust.

TILDEN'S MORTGAGE.

The New York *Tribune* says that Mr. Tilden's ability as a drainer of railroad mortgages has been admitted long ago, but thinks his ability as a holder of mortgages on a political party is just beginning to be understood. It says:

"In by-gone years, when Mr. Tilden was managing compaigns for the Democratic party in the State of New York, he loaned to the party a great deal of his valuable time and services. Railroad corporations have been obliged to pay a great many thousand dollars for less work than he gave to the Democrats in political campaigns. It was not very clean work, either. Mr. Tilden may not be ultra-fastidious, but it probably galled him not a little to have on his hands the conduct of campaigns in which Tweed was Boss and Hoffman was figurehead, and fraudulent naturalizations were as plenty as repeaters. But he bore everything with the patience of a Shylock, and bided his time. He was engaged in putting a mortgage on the National Democratic party. If there was an unclean or unscrupulous Democratic worker anywhere in this State, Mr. Tilden found him out, and discovered what he could do. His services were unpaid; for reward he had only a debt of gratitude—and his little mortgage. Debts of gratitude political parties do not often pay. But Mr. Tilden's mortgage is quite another matter.

"The party tried to pay him off by electing him Governor, but presently discovered that it had only recognized thereby his claim to larger payment. There was some struggling and kicking at St. Louis in 1876, but the unhappy debtor who is in default, and resists foreclosure, generally gets the worst of it. The nomination was a decree of foreclosure, and Mr. Tilden has since been trying to realize on his property. At the present moment, the wild Western Democrat, who would very much like to repudiate this debt, as well as every other, fails to see exactly how to do it.

"For there the old man sits, with his mortgage in his hand. 'Nominate me,' he says, 'or my perfect knowledge of all that is rotten in the Democratic party of New York will be used, and not for you. If you think you can carry New York for any candidate against the will of S. J. Tilden, proceed to do it. Perhaps you think you can elect a President without the help of New York; if so, try it. But I think the mortgage valid, and if anybody wants the Democratic party for any future use, let him pay me one Presidential term for it.' The Sage of Cipher Alley has a strong position, as his enemies begin to discover. Whether they can elect him or not, he can make it very certain that they can not elect anybody else.

"The Republican party has excellent reason for regarding this situation with profound satisfaction. It is quite ready to submit to the people a full history of the contest of 1876, and to see whether the free white voters of the North will yield to the "Copenhagen" of "Russia," by which the poor and recently enfranchised black voters of certain southern States were too proud to be bought. Mr. Tilden's peculiar skill in New York is admitted. All that the Republican party asks, if he is to be a candidate again, is that the infamous swindling by which the people of this State were robbed in the election of 1868 shall not be repeated. To prevent such swindling an election law was passed, which Democrats now propose to repeal. He who votes with them, or yields to their demand, or assents to any kind of compromise by which Mr. Tilden's friends can get power to repeat the frauds perpetrated in 1868, when Mr. Tilden was Chairman of the State Committee, virtually consents to rob the State of New York of its free choice in the election of a President. If the Republicans stand firmly by the law, Mr. Tilden will learn from the people of New York, in November, 1880, that they have found out what sort of man he is."

SOME of our Democratic friends do not appear to have a very high estimate of their Governor. The Clarksville *Tobacco Leaf*, says:

"Some people seem to be curious to know why Gov. Marks signed a bill reducing his salary from $4,000 to $3,000. The truth of the business is, Marks never valued himself higher than $1,500, and there are some people who believe he is not worth, as a Governor, more than a one-cent postage stamp with a black mark on it."

VARIETIES.

The Rothschilds have refused further loans to the Khedive of Egypt.

The late freeze killed all the fruit at and around Memphis, Tennessee.

Arkansas wants a new county made and it called Tilden. Oh, Lord!!!

Randall, in public, denies Tilden, but it is currently reported that he wines and dines with him after dark.

Sunset Cox didn't get very many votes for Speaker, but then he had his little joke of being a candidate.—*Philadelphia Times.*

Donn Piatt has recovered. He says that in the case of Billy McGarrahan "nature shifted the brute force of the hind leg to the front shoulder."

Let people laugh when they can. A man should not go about with a face long enough to make the world believe he has money deposited in a savings bank.

Lorne wants $3,429,882 to run Canada with this year, and the inhabitants of the Dominion are flinging their hats in the air because it's $241,171 less than it took last year.

A little rebellion is going on in Hartsville, Tenn. Three moonshiners were confined in the jail in that little village. Fifty mountaineers entered the town, released the prisoners and took possession of the place.

A large number of white and colored Republicans who say that they have been driven out of certain parishes in Louisiana by bulldozers have signed a petition to President Hayes asking him for assistance in leaving the State.

A cella lily near Ithaca, New York, measures seven inches in diameter and its circumference is thirty-five inches. The green leaf is eleven inches wide at its broadest part, and requires a string four feet seven inches long to encircle it.

To some ladies who asked Pope Leo's permission to dance during the late Carnival, he said: "Go, my dears, and enjoy yourselves in an innocent dance; only don't keep up too late your papas and mammas, when they want to get home again."

Loss of Appetite, Bowels costive, Pain in the Head, with a Dull sensation in the back part, Pain under the shoulderblade, fullness after eating, with a disinclination to exertion of body or mind, Irritability of temper, Low spirits, with a feeling of having neglected some duty, Weariness; Dizziness, Fluttering at the Heart, Dots before the eyes, Yellow Skin, Headache generally over the right eye, Restlessness with fitful dreams, highly colored Urine.

IF THESE WARNINGS ARE UNHEEDED, SERIOUS DISEASES WILL SOON BE DEVELOPED.

TUTT'S PILLS

are especially adapted to such cases, a single dose effects such a change of feeling as to astonish the sufferer.

A NOTED DIVINE SAYS:

Dr. TUTT—Dear Sir; For ten years I have been a martyr to Dyspepsia, Constipation and Piles. Last Spring your Pills were recommended to me; I used them (but with little faith). I am now a well man, have good appetite, digestion perfect, regular stools, piles gone, and I have gained forty pounds solid flesh. They are worth their weight in gold.
REV. R. L. SIMPSON, Louisville, Ky.

The first effect of **TUTT'S PILLS** is to **Increase the Appetite,** and cause the body to **Take on Flesh,** thus the system is **nourished,** and by their **Tonic Action** on the **Digestive Organs, Regular Stools** are produced.

Dr. J. F. HAYWOOD, OF NEW YORK, SAYS:—

"Few diseases exist that cannot be relieved by restoring the Liver to its normal functions, and for this purpose no remedy has ever been invented that has so happy an effect as TUTT'S PILLS."

LIVER

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased, and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. MERRELL'S HEPATINE, the great vegetable discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexion or a brown dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking HEPATINE in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given.

SOLD AS A SUBSTITUTE FOR PILLS BY ALL DRUGGISTS.

Price 25 Cents and $1.00

HEPATINE.

LUNGS

The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one-third of all death's victims, arises from the Opium or Morphine treatment, which simply stupefies as the work of death goes on. $10,000 will be paid if Opium or Morphine, or any preparation of Opium, Morphine or Prussic Acid, can be found in the GLOBE FLOWER COUGH SYRUP, which has cured people who are living to-day with but one remaining lung. No greater wrong can be done than to say that Consumption is incurable. The GLOBE FLOWER COUGH SYRUP will cure it when all other means have failed. Also, Colds, Cough, Asthma, Bronchitis, and all diseases of the throat and lungs. Read the testimonials of the Hon. Alexander H. Stephens, Gov. Smith and Ex-Gov. Brown of Ga., Hon. Geo. Peabody, as well as those of other remarkable cures in our book—free to all at the drug stores—and be convinced that if you wish to be cured you can be by taking the GLOBE FLOWER COUGH SYRUP.

Take no Troches or Lozenges for Sore Throat, when you can get GLOBE FLOWER SYRUP at same price. For sale by all Druggists

Price 25 Cents and $1.00

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease, in a thousand, is treated without the use of Mercury in some form. Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. DR. PEMBERTON'S STILLINGIA OR QUEEN'S DELIGHT is the only medicine upon which a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer. $10,000 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and harmless can be found in it.

Price by all Druggists $1.00.
