WE are now exhibiting this desirable invention to the public, and of purchasers particularly, to the superior *Premium Pianos*, Manufactured by him. A splendid assortment constantly on hand.

Our Pianos have received a Premium two years in succession, 1856 and 1857, at the Fairs of the American Institute, Crystal Palace, in competition with most of the leading manufacturers of New York and Boston, and are unquestionably of the best quality of tone, full, round and brilliant, as well as finish and durability, and we flatter ourselves, by the approval of renowned artists, in venturing to say that our Pianos stand superior to many others, and equal to any Grand Piano in regard to volume of tone and elasticity of touch, combined with the greatest firmness, which is very rarely met with in other Pianos.

We respectfully solicit an examination from strangers and friends to convince themselves of the above before purchasing elsewhere. All our Pianos are warranted.
