THE OLD DOMINION
COFFEE POT.

THIS new Coffee Pot, for which a patent has been issued, possesses this advantage over all others: you may boil coffee in it for any length of time, without a particle of the strength or aroma escaping. One fourth less coffee is required, and the full flavor of the berry retained. A large number of testimonials have been received from those who have used it. We have space for only one:

THE OLD DOMINION COFFEE POT.—We have had in use now, for over two months, one of these much talked-of coffee pots, and we find that it does, in all respects, what is claimed for it. You may boil coffee in the Old Dominion for any length of time you choose, and yet lose none of the delicate aroma or strength. This desirable end is attained by a simple, but ingenious, contrivance in the shape of a condenser, with double syphons, by means of which the aroma-bearing vapor, which usually goes all over the house or up the chimney, is condensed and thrown back into the coffee boiler, and you have its delicious flavor in the cup you bring to your lips. In all our experience of coffee-drinking, we never found anything equal to what we now have daily at our morning meal. It is the perfection of coffee.—*Philadelphia Evening Journal.*

☞ Sizes 1, 1½, 2, 3, 4, 6, 10, and 16 quarts. Larger sizes made to order.

Notice of Dissolution.

THE firm of ALLISON, ANDERSON & CO., composed of Andr. Allison, T. Anderson and W. D. M'Lanahan, was by mutual consent dissolved on the 1st day of June, by the retiring of Mr. M'Lanahan from the firm. And. Allison and T. Anderson are alone authorized to wind up the business of the old firm. Those indebted to the late firm are requested to make payment without delay, and those having claims against the same will present them for payment. ALLISON, ANDERSON & CO.

Having purchased Mr. M'Lanahan's interest in the goods, we have taken in as partners in our business Dixon A. Allison and John B. Johnson. We shall continue at our old stand, where we will be pleased to meet our old friends and merchants generally.

Being anxious to cut down our present stock as low as possible, preparatory to our fall purchase, we will offer inducements in prices to those wishing to replenish their stock. We shall be glad at all times to receive their orders, and will do our best to fill them satisfactorily.

GET THE BEST.

THE GENUINE AMBROTYPE—the Premium Picture—is beyond comparison the best style of likeness yet introduced, and stands without a rival:

Time cannot change them,
Light cannot fade them;
Damp cannot mould them,
Dust can never reach them,
Rust cannot corrode them.

Made as heretofore by LARCOMBE, Corner of Cherry and Union Streets, and put up in lip-top style at Eastern prices.
