KINGS COUNTY SUPERVISORS.

AN EXCITING SESSION—THE RING CANDIDATE FOR PENITENTIARY-KEEPER REJECTED—CHARGES OF BRIBERY AND FRAUD.

The Board of Supervisors of Kings County held a special meeting yesterday afternoon, and as it was understood that an attempt would be made to appoint a Keeper for the Kings County Penitentiary in place of John Cunningham, deceased, the hall was crowded with politicians. A communication was received from the County Auditor transmitting vouchers and bills amounting to $3,000, being the salaries of court officers for the past month.

Supervisor Harman said that the salaries of court officers now amounted to $6,000 annually, where a few years ago $1,500 was collected for. More than one-half of these salaries go to the courts were political sinecures, and held those positions for political services rendered the Democratic party. They were paid for Judges' service per month, when any intelligent man knew that not one of the courts sits 26 days in any month.

The Auditor's report was adopted by a vote of 21 to 4. The Chairman read Supervisor Dwyer's motion offered at a former meeting, that the Board appoint a keeper by ballot, and Supervisor Newman's amendment, that the vote be a viva voce one.

Supervisor Johnson moved that the Board adjourn. He had been informed by some gentlemen that had been made to bribe members of the Board, in consideration of their having been offered to a member if he would vote for a certain candidate. In view of this report he thought that the Board should open the matter of a possible scandal, and have an investigation of the charges made by a committee of the Board.

The motion was lost by a vote of 11 to 12. Supervisor Howe's motion to postpone the appointment until January was declared before the meeting.

Mayor Kalbfleisch said that after these serious charges made by Supervisor Johnson, it would be well to postpone the matter, and have an investigation. A little time should at least be given and a committee of investigation appointed, and he hoped that the motion to postpone would prevail.

Supervisor Fletcher said he did not see why the Board should postpone action simply because groundless rumors were being circulated. No charges had been made to the Board, and they should not be guided by mere suspicions.

Supervisor Harman said these charges were made, and they could be substantiated. The money and bitter trust holders had been offered and Repeaters pledged, and the report could not be groundless. All that he desired was the appointment of a fit man to fill the position, and the press was sent that he had not the candidate who was for the office. He was convinced that Newman had not the support of the citizens.

Supervisor Sullivan said he opposed the appointment of Richard J. Newman.

Mayor Kalbfleisch said that when he was in the Board of Aldermen charges of bribery were made against one of the members by the press, and although the implicated person scoffed at them, an investigation proved that the press was correct, and the member was excluded. It was the duty of the Board to at least postpone the matter, so that a thorough investigation might be made. The mere allusion to the courts should be a matter sufficient to have the appointment postponed.

Supervisor Harman said that he had been told that prominent officials had offered money and political patronage to members if they would vote for James Newman. Three members were absent from the meeting, and although he could not say that they had been bribed, yet their absence was suspicious.

Supervisor Coe said that if specific charges of bribery were made he would vote to postpone the appointment. He understood that one of the members had tried to borrow money for the purpose of buying Republican members.

The motion to postpone was lost by the following vote: Yeas—Mayor Kalbfleisch and Supervisors Johnson, Milne, Newman, Harman, Searing, Hall, Hopkins, Martense, Stillwell, Boyle—11. Nays—Supervisors Nelson, Kolmyer, Sheridan, Foley, Howell, Sheridan, Coe, Carroll, Wilkerson, Wills, Dwyer, Fletcher—14.

A viva voce vote was taken with the following result:

For Richard J. Newman—Mayor Kalbfleisch, and Supervisors Johnson, Hopkins, Martense, Stillwell, Boyle—6. For James Sheridan—Supervisors Hutchins, Nelson, Kolmyer, Sheridan, Keating, Foley, Howell, Sheridan, Carroll, Wills, Dwyer, Fletcher, Searing—13; for Mark Plunkett of the Water Board—Supervisors Milne, Coe, Wilkerson, Harman, Hall—5.

James Sheridan was declared elected, at which the crowd yelled, and thumping with such vigor that the seats gave way, and an uproar ensued. The new appointee was a son-in-law of Commissioner McLaughlin, and is 24 years of age. He holds the position of District Engineer in the Fire Department. The Board adjourned.

THE CHICAGO RELIEF FUND.

The report of a Special Committee, John C. Green, Chairman, appointed by the Chamber of Commerce to visit Chicago and examine the operations of the Relief and Aid Society in charge of the General Relief Fund, shows that aid has been given mainly to a class of deserving persons who had been suddenly reduced to destitution, and that the benefactions have been wisely and intelligently distributed. When it is considered, the report states, that the absolute control of the Relief Fund, and the mode of dispensing the vast contributions of money and material, have been committed by the authorities and people of Chicago to the Relief Fund Aid Society, and was thus bestowed because of the known fitness of the citizens so chosen to fill the important trust committed to them, and when it is further known that the Society has thus far discharged its duties with eminent ability and success, there seems to be no reasonable ground for withholding entire confidence in the wisdom of their plans or the integrity of their execution. It does not seem possible that any other agency could as well perform those duties, and therefore in the opinion of the Committee the final appropriation of the principal part of the fund in the hands of the New-York Committee should be confided to the Chicago Relief and Aid Society. At present the Society has on hand in its various depositories about $2,700,000. Until this fund shall be expended, and held by the New-York Committee sought to remain at the risk of their treasurer in its present safe place of deposit on interest, and be drawn out only as it may be required for immediate disbursement.

FISH CULTURE.

Seth Green of No. 16 Mortimer-st., Rochester, N. Y., announces that the State Hatching-House at Caledonia is filled with the spawn of salmon trout, which are now ready for distribution to such as are prepared to hatch them, or will make such preparation at once. Those who desire to experiment in a small way can have 500 or 600 spawn by addressing Mr. Green and sending 50 cents to pay for the package. Those who desire to hatch salmon trout for any of the public waters of the State, in considerable quantities, can have 10,000 spawn for each location. Spawn must be sent for in the month of December.

A CHICAGO POLICEMAN ATTACKED WITH HYDROPHOBIA.

CHICAGO, Dec. 19.—Policeman Hinckley, while at the Second Precinct station, last evening, was attacked with hydrophobia. He was taken to his home, but is now in a critical condition. About 2½ years ago, while fooling a little dog, Hinckley was bitten by the animal, but he has never previous to this shown any symptoms of the disease.

BURNETT'S KALLISTON is the best Cosmetic.

IN FEBRUARY LAST A SON OF MINE AGED SEVENTEEN YEARS, WAS ATTACKED WITH PLEURISY. HIS BREATHING WAS LABORIOUS, A RACKING, PAINFUL COUGH DEVELOPED ITSELF, AND HE COMPLAINED OF SEVERE PAIN EXTENDING FROM THE ARM-PIT TO THE WAIST ON THE RIGHT SIDE. AS THE READIEST REMEDY WITHIN REACH, I IMMEDIATELY ADMINISTERED NEARLY THREE TABLESPOONFUL OF DR. JAYNE'S EXPECTORANT, AND APPLIED JAYNE'S LINIMENT OVER ALL THE PARTS AFFECTED, COVERING HIM UP WARMLY IN BED. IN FIFTEEN MINUTES HE VOMITED, AND WAS AFTERWARDS EASY FOR TWO HOURS. THE PAIN IN THE SIDE RETURNING, I GAVE HIM A SMALLER DOSE OF THE EXPECTORANT, AND AGAIN USED THE LINIMENT, WHICH AFFORDED HIM INSTANT RELIEF. ON THE MORNING OF THE THIRD HE WAS DECIDEDLY BETTER, RAISING CONSIDERABLE PHLEGM WITH BLOOD. CONTINUING WITH THE EXPECTORANT, THE DISEASE WAS ENTIRELY BROKEN UP IN A DAY OR TWO, AND HE WAS ABLE TO GO ABOUT AS USUAL. KNOWING HOW PREVALENT AND HOW OFTEN FATAL THESE ATTACKS OF PLEURISY AND SIMILAR LUNG COMPLAINTS ARE DURING THE WINTER IN THIS SECTION OF THE COUNTRY, I GLADLY MAKE KNOWN THESE FACTS, AND AT THE SAME TIME EXPRESS MY ENTIRE CONFIDENCE IN THE VIRTUE OF THE REMEDIES MENTIONED.—E. C. G. NICKENS, ESQ., JUSTICE OF THE PEACE, ELLIN, PULASKI Co., ILL.

A FACT TO CONSIDER.—Among the causes of Thanksgiving the introduction of Knox's Winter style of gentlemen's hats may be enrolled. If we can judge by the lively demand existing for them, Knox, ever on the alert in seeking to gratify his patrons, is now a King at his establishment, No. 212 Broadway, the handsomest hat yet introduced.

UDOLPHO WOLFE'S SCHIEDAM AROMATIC SCHNAPPS.—Among the compliments for which the SCHNAPPS has been ordered a specific by the eminent physicians who have cured in conjunction with the proprietor, are those of dyspepsia, a disease so prevalent and so complicated in its nature and attendant sufferings, as to defy the skill of the ordinary practitioner, and all kindred diseases. For these, and many other disorders, it is now prescribed, with great success, by more than three thousand medical practitioners in various parts of the United States.

DR. AYER'S LABORATORY, that has done such wonders for the sick, now offers a potent remedy for the beauty of mankind—for it restores to their original color the locks which age has caused to diminish and destroy. His Vigor restores grey hair to its youthful color, and gray gets among us, and then begins an order and obedience to him, for the good humor as well as health of the community.

P. T. BARNUM TO THE PUBLIC.
In consequence of the continued and increasing patronage to my Mammoth Exhibition at the Empire Rink, I have made further arrangements to continue the entertainments until Saturday, January 6, when I shall positively close, as all the time from that until April will be necessary in order to decorate, embellish and reorganize my entire establishment for the great traveling campaign of 1872. In the mean time there is no abatement of the innumerable and diversified attractions of the great Exhibition.
There is now in preparation a RICH AND RECHERCHE SPECTACLE, expressly for the holidays, the full particulars of which will be hereafter announced.
Doors continue open from 11 in the morning until 10 at night.
Hippodrome performances commence at 2 and 8.
Admission to the whole vast aggregation, only 50 cents; children half price; reserved seats, 25 cents extra; children to reserved seats, 15 cents extra. P. T. BARNUM.

Open in the Evening.
