THE PRESBYTERIANS.

UNITED GENERAL ASSEMBLY.

DETROIT, Mich., May 18.—The Presbyterian General Assembly closed its session, yesterday, with a very interesting meeting, at which the importance of the Sabbath-school work of the Church was discussed. This morning, the final report of the Committee on Memorial Fund was presented. Reports from the majority and minority of the Committee on Benevolence and Finance were made and referred. The Standing Committee on Education for the Ministry called attention to the rate of increase in the ministry; the large number of non-contributing churches; the importance of longer probation in the cases of academical students, and the need of increased care on the part of Presbyteries in recommending candidates. The Committee also recommended a special collection in June for the Board of Education. This report was under discussion when the Assembly adjourned to Monday morning.

THE REFORMED SYNOD.

The third day's session of the Synod of the Reformed Presbyterian Church was held on Saturday, in the First Reformed Church, in Duffield-st., Brooklyn. The proceedings were opened with the usual devotional exercises, after which the Synod discussed the subject: "Unanimity in Prayer Necessary to its Efficacy." At the close of the discussion the regular order of business was resumed. The Rev. Dr. Wilson offered a resolution "That the Eastern and Western Subordinate Synods of this Church be resuscitated as originally established." The discussion of the subject was postponed until to-day's session. A report was made by the trustees of the theological seminary connected with the Church, showing that the annual endowment fund is $30,402 89, and the annual income $2,622 89, of which $900 has been expended for salaries, and $115 50 for mileage and the students' fund. At 1 p. m. the Synod adjourned.
