REAL ESTATE.

NEW-YORK, Saturday, May 25, 1872.

There were no transactions at the Exchange this morning. The sale which was noticed to take place of property on First-ave., under order of Charles A. Jackson, referee, was adjourned until June 3.

A report of the sales which took place to-day by Messrs. E. H. Ludlow & Co., at Morrisania, and by James M. Miller, at Pleasantville, will be given under date of Monday.

At private sale, George H. Burling reports having sold the two lots on the west side of the Boulevard, 52 feet 2 inches south of Seventy-second-st., for $45,000, all cash.

W. H. Raynor has sold one full lot, north-west corner Eighth-ave. and Ninety-eighth-st., for $19,000; also one full lot north side Eighty-fifth-st., 20 feet west of Madison-ave., for $14,000; also nine lots north side One-hundred-and-sixteenth-st., 50 feet west of Morningside-ave., all full, for $45,000.

Smith & Gillespie, No. 86 Nassau-st., report sales of the following New-Jersey properties:

By the Hon. Henry McDanolds to Garret Van Idersine of Lodi, 15 city lots, near railroad crossing above Passaic depot, for $11,000 (purchased in February for $7,000).

J. F. Kilgour purchased the Rusling Farm, opposite Dundee, 56 acres, for $36,000.

The Cadmus and Rusling Farm, opposite Dundee, is to be placed in the hands of a joint stock company, to be called "The North Passaic Land Association," which will be cut up into building plots and sold only to actual settlers.

The real estate market for the week closes with considerable activity in Central Park and Boulevard lots.

The completion of either of the proposed rapid transit schemes, together with the extended improvements now in progress in the upper portions of the city, must of necessity have the effect of materially enhancing values in these localities. Several quite important sales have already been reported, and we look for considerable activity during the next few weeks.

We append, as usual, a list of sales at auction as advertised to take place during the week, among which are several quite attractive suburban properties. We would especially call attention to the sales to be made on Monday, by Jere. Johnson, jr., of 15 lots of land in Williamsburgh, and by Messrs. A. D. Mellick, jr., & Bro., of the Oakland property of Mr. Charles Griffith. In both instances the terms are very liberal and the property desirable. Oakland is on the line of the Central Railroad of New-Jersey, 53 minutes from the New-York side. An excursion train will leave foot of Liberty-st. at 11 a. m., and will be accompanied by Grafulla's Band. Luncheon will be served on the ground before the sale. Tickets, maps, &c., can be obtained at the office of the auctioneers, No. 6 Pine-st.
