LIVE STOCK MARKETS.

NEW-YORK, Feb. 19—BEEVES.—Arrivals to-day, including some intended for Monday's market, 57 cars or 1,040 head, all at Communipaw. Yesterday's trade is generally of little account, and especially so after a dull close on Monday, as was the case the present week. A rule setting in before noon, though of short duration, drove buyers home without many purchases. Most of the stock goes over for to-morrow, but about ½c. decline was established on closing sales compared to the rates of Monday. There were two cars pretty fair mixed cattle, mostly Texans, 52 cwt., sold at 10½c. 77 lb gr cost, 7 cars Illinois, 1,075 lb, at 10½c., 56 lb gr cwt., and 2 cars, 1,090 lb, at 11c., 56 lb.

SHEEP—Common lots cannot be advanced, while fat sheep are firmer, reaching 8½@9c. Arrivals to-day, 3 cars each at Communipaw and Forty-third-st., with 2 cars at Forty-eighth-st., making 1,420 head after only 300 yesterday. The market ought to be better with this light run. Dealers have been losing money of late, and are determined to handle it on a more good basis or cease business. Stock must either be lower at the West, or will further have to make a paying business. Sales to-day by Blume & Hillert, at Forty-eighth-st., 145 Ohio sheep, 95 lb at 7½c., and 142 Jersey, 104 lb, at 8½c.

J. Kirby sold 316 Ohio sheep, 73 lb, at 6¾@6½c.; 40 of 94 lb at $7 30 per cwt, and 150 of 107 lb at 8c.

BUFFALO, Feb. 19.—CATTLE—The receipts to-day, including 14 cars reported to arrive, were 344 head, making the total supply for the week thus far 3,775 head, or 302 cars, against 231 cars for the same time last week. The market opened apparently active at strong yesterday's prices, but it soon became evident the stock had been arrived upon the previous evening, and, as buyers were pretty well supplied, they had determined to keep off for a decline. Toward noon prices showed a strong tendency to weaken. One choice drove had an offer of 8c., which the owner refused. About 1,100 head were disposed of; sales of 277 head Illinois steers, ranging from 1,000 to 1,400 lb, at $4 70@$7 25; 70 head Ohio steers, ranging from 1,202 to 1,402 lb, at $6 75@$6 30; 17 head Ohio cows and heifers, averaging 1,062 lb, at $4 50; 132 head Indiana steers, ranging from 1,096 to 1,352 lb, at $4@$6 25; 30 head Kansas steers, averaging 1,274 lb, at $4 87½; 46 head Missouri steers, ranging from 1,234 to 1,613 lb, $6 50@$6 90; 16 head Canada Mixed, averaging 1,222 lb, at $4 25.
