The Moss Rose.

The angel who tends the flowers and sprinkles the dew on them in the stillness of night, slumbered one morning in spring under the shade of a rose bush.

When he awoke, he said with friendly countenance: "Loveliest of my children, I thank thee for thy refreshing fragrance and thy cooling shade. Couldst thou ask a favor how willingly would I grant it."

"Adorn me with a new grace," implored the spirit of the rose bush. And the angel adorned the Queen of Flowers with a veil of moss.

Lovely she appeared in her simple array, the moss rose, the most beautiful of her kind,

Young girls, bid adieu to finery and glittering jewels and follow the maternal beckonings of Nature!

A medical restaurant has been lately established in London, on the principle that diseases can generally be cured by a special system of diet, and that they are caused chiefly by improper food. On the entrance of a visitor a physician asks him regarding his ailments. His meal is then prescribed, and he is allowed to eat no more than is presented to him. At the close he is dismissed to smoke a medicated cigar and to sip coffee, camomile tea, or whatever other beverage may be considered advisable.

DR. C. McLANE'S CELEBRATED LIVER PILLS, FOR THE CURE OF Hepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder-blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them A FAIR TRIAL.

For all Bilious derangements, and as a simple purgative, they are unequaled.

BEWARE OF IMITATIONS.

The genuine DR. C. McLANE'S LIVER PILLS are never sugar coated.

Every box has a red wax seal on the lid, with the impression DR. McLANE'S LIVER PILLS.

The genuine McLANE'S LIVER PILLS bear the signatures of C. McLANE and FLEMING BROS. on the wrappers.

Insist on your druggist or storekeeper giving you the genuine DR. C. McLANE'S LIVER PILLS, prepared by Fleming Bros., Pittsburgh, Pa.

Sold by all respectable druggists and country storekeepers generally.

To those wishing to give DR. C. McLANE'S LIVER PILLS a trial, we will mail post paid to any part of the United States, one box of Pills for twenty-five cents.

TUTT'S PILLS

A successful physician of New York

It is astonishing how universally Dr. Tutt's Pills are used. In my daily rounds, their effects are only among the poor, their cures are heralded from the mansions of the wealthy and refined. Knowing the inventor from his long connection with the medical profession, I have great confidence in their merits, and of late have freely prescribed them with the happiest results in cases where I desired to make a decided impression on the liver.

Dr. Tutt has been engaged in the practice of medicine forty years, and for a long time was demonstrator of anatomy in the Medical College of Georgia; hence, persons using his Pills have the guarantee that they are prepared on scientific principles, and are free from all quackery.

He has succeeded in combining in them the heretofore antagonistic qualities of a strengthening, purgative, and a purifying tonic.

Their first apparent effect is to increase the appetite by causing the food to properly assimilate. Thus the system is nourished, and by their tonic action on the digestive organs, regular and healthy evacuations are produced.

The rapidity with which

PERSONS TAKE ON FLESH,

While under the influence of these Pills, of itself indicates their adaptability to nourish the body, and to see their efficacy in curing nervous debility, melancholy, dyspepsia, wasting of the muscles, sluggishness of the liver, and chronic constipation.

DR. I am now a well man, have a good appetite, can digest well, the piles have disappeared, and I have gained forty pounds in solid flesh. I would not be without them for their weight in gold.
