New York.

NEW YORK, Dec. 18.—Cotton.—Messrs. Hubbard, Price & Co., in their cotton circular to-night, say: "The pressure of cotton from the South for delivery upon sales for January has been the main feature of our market to-day, causing the greater decline in that position. These offerings of cotton are difficult to understand when the official quotations received from the Southern markets are compared with the prices at which cotton is offered landed here and in New England. The market closed dull at about the lowest prices of the day." Receipts at ports to-day estimated at 39,000 bales, against 35,279 bales last week and 26,098 last year. The spot market is dull and easy at unchanged quotations; middling uplands, 9⅝c. Sales, 165 bales. Transactions in futures 52,000 bales. Futures closed firm, and 2 to 3 points higher, as follows: December, 9@9.01; January, 9.07@9.08; February, 9.25@9.26; March, 9.38@9.39; April, 9.45@9.49; May, 9.58@9.59; June, 9.68@9.69; July, 9.75@9.76; August, 9.77@9.78; September, 9.53@9.56.

Corn closed dull and weak; spot sales No. 2 mixed, 63@65c.; do., December 52½c. Oats closed easier; spot sales No. 1 white, 52c.; No. 2 mixed, December, 49½c. Pork dull; mess, $12@$12.50. Lard steady; January, $6.10. Sugar—Refined quiet; cut-loaf and crushed, 6¾c.; powdered, 6½c.; granulated, 6c. Coffee firm; fair Rio cargoes, 20c.

Chicago.

CHICAGO, Dec. 18.—S. V. White & Co. telegraph C. W. Branch & Co. as follows: Wheat closes weak, after showing considerable strength early in the day. We see nothing in wheat but a scalping market, and think it can be played on either side successfully for some time to come. Corn weakened just as soon as the "fire-works" were over. There is nothing but sentiment holding this stuff, and the end will see much lower prices.

We Challenge

any man, woman, or child who is affected with Constipation, Dyspepsia, Headache, or Torpid Liver to prove that a few doses of Simmons' Liver Regulator will not relieve them. It never fails, and is so pure, so sure, so harmless that an infant can take it and never have a second spell of colic. An adult can take it, keep the bowels regular, and secure health.

For Over Fifty Years

Mrs. Winslow's Soothing Syrup has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhœa. Twenty-five cents a bottle.

"How to Cure All Skin Diseases."

Simply apply "Swayne's Ointment." No internal medicine required. Cures tetter, eczema, itch, all eruptions on the face, hands, nose, &c., leaving the skin clear, white, and healthy. Its great healing and curative powers are possessed by no other remedy. Ask your druggist for Swayne's Ointment.

"ASSISTANCE"

Is all nature needs in nine cases out of ten to remedy sickness. The old idea of bleeding, blistering, purging, etc., has been superseded by that of assisting nature, that is, seeing to diet and sanitary surroundings and giving medicine to act gently but yet as certainly as the old style. In all cases of Stomach Troubles, Indigestion, Dyspepsia, etc.,

DYSPEPSYN

[an artificial gastric juice—formula on every bottle] aids the weakened stomach by putting into it what it lacks, namely, *gastric juice*, which assists the digestion of the food, relieves the pain or heavy feeling, and cures the constipation usually accompanying stomach troubles. As your value your future health, avoid Bitters, Blood Purifiers and Purgatives, which only irritate and weaken the stomach, aggravating the Dyspepsia. The disease is in the *Stomach*, so aid the *Stomach*. Endorsed by physicians. Send 2 cts. in stamps for valuable book to HAZEN MORSE, 55 MAIN ST., BUFFALO, N. Y.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED.

As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.
W. J. MCELROY, Macon, Ga.
