COFFEE—Rio was [illegible] and quoted 1c. higher, at 17½@18½c. gold. The sales embrace [illegible] bags Rio, per Lord Baltimore, on the spot, and 1,187 bags [illegible] arrive, on private terms. The demand for Laguayra [illegible] and 2,000 bags sold at 18½c., gold.

FLOUR AND MEAL—The heavy and depressed feeling that characterized our Flour market the last [illegible] week continued, and was quite marked until Wednesday, when [illegible] a material falling off in the receipts of the low grades of Spring Wheat and the low and medium Winter Wheat extras, a firmer and steady feeling was noticeable, followed by a steady improvement [illegible] we find the stock of those is much reduced. It is difficult [illegible] a good line of shipping extras under $7 30, and there is very little desirable at that. hence few European orders can be filled. Good to fancy 2 and superfine have been in demand at variable, but [illegible] at higher prices. Early in the week fancy brands of Minnesota were quite freely offered at full prices, and the trade stocked themselves [illegible] and were continued liberal arrivals and some shading in the subsequently prices yielded, and the market closed [illegible] holders of good family brands are quite confident and do not press them on the market, and since Tuesday they have [illegible] more freely, popular and favorite brands commanding more money. The material advance in Winter Wheat at Toledo, Detroit, and [illegible] additional firmness to the market, and the very limited supply of [illegible] Winter Wheat brands in prospect gives more confidence to holders. It is very evident the supply of Winter Wheat in the country is considerably below that of the corresponding time last year. We have seen a somewhat any inquiry of moment for shipping brands for the [illegible] there is an absence of any speculative dealing. The exports of the week are 39,491 bbls., against 23,949 bbls. the corresponding week last year. To-day the inquiry for Flour is fair for the day, and prices [illegible] Rye Flour and Meal are steady. The low grades of Spring are still [illegible]; Fancy Spring is in limited demand, but firm; Winter [illegible] are strong. At the close there is a good inquiry for the day [illegible] brands are scarce and firmer; Fancy Minnesotas are more [illegible]. Sales of 9,100 bbls. We quote:

HAY—The market is steady with a moderate demand; we quote Prime Hay at $1 30@$1 50; Good do., $1 15@$1 25; Shipping do., 75@80c., and Clover at 70@90c. Straw is steady but quiet at $1 05@$1 10 for Long Rye; Short do., 80@90c. for Short do.; and 50@80c. for Oat.

HIDES—There has been a fair demand for Dry Hides since our last at about former prices; sales of 2,000 ℔ Texas, 1,600 ℔ Corpus Christi, 600 ℔ Indianolas, 500 ℔ Buenos Ayres, and 1,500 ℔ Galveston Kips, all on private terms.

NAVAL STORES—The market for Rosin has ruled firm, with a more active trade both in Strained and fine grades; the sales comprise 100 bbls. strained at $3 10; 1,225 bbls. do. at $3 12½; 100 bbls. do. free on board at $3 15; 330 bbls. No. 2 at $3 30; 100 bbls. Good No. 1 at $3 37½, and 100 bbls. Pale at $4 50. Spirits Turpentine has ruled steady but quiet, with sales of 120 bbls. Merchantable at 58c. The market closes dull and nominal at $3 30, delivered.

OILS—Linseed is steady but quiet at $1 in casks and $1 01 in bbls. Crude Fish are in moderate request and steady. Lard is dull and nominal at 7½c. for Prime Winter. Menhaden dull and unchanged at 57c. Other Oils are very quiet.

PETROLEUM—The market for Refined has ruled steady for spot, with a slight shading in prices for future; the demand has been fair, the high ruling of gold and low rates of freight current inducing some export inquiry; sales of 6,200 bbls., May, and 4,000 bbls., first half of June, 9½c. cash, delivered; more especially on Good and Choice Nos. 2 and 3; nothing has been done in No. 1; this is scarce, and held at $1 70@$1 80; we have had a moderate inquiry for Spring for the future, and hear of but 2,000 bbls. No. 2 Milwaukee, seller last half of May, at $1 63; and 2,000 bbls. do., seller last half of June, at $1 60, and this is now bid and refused; the extremely cold and backward weather, coupled with the more favorable news from Europe, have induced a stronger and more confidential feeling generally, and as the season advances there is less inclination on the part of farmers to part with their surplus of last year, as it is very certain the harvest will be later than last year, and hence the chances of securing a good crop are diminished; our advices from California are far less encouraging than we had hoped for; we have much complaint of a want of rain; in many counties the Wheat is heading out before it is half matured, hence the chances for a good crop are far from flattering; our advices from the Winter Wheat-growing States are favorable, though the crop is backward; in some sections it has been Winter-killed, but the increase in the area under cultivation is large, and with some more favorable and fairer weather for nurturing the crop, there is reason to hope for a good result; but the prospects for the Spring crop are not so hopeful; the season is one far advanced to look for it with any degree of certainty. The exports of the week are 113,750 bush. against 175,434 bush. the corresponding week last year. To-day holders of Wheat are firm, as prices have the basis of most shippers' orders. The market closes very firm, but quiet, owing to the extreme prices demanded and poor assortment here; the sales are 30,000 bush. at $1 32@$1 44 for Rejected Spring; $1 52@$1 58 for No. 3 Chicago Spring; $1 60 for No. 3 Milwaukee, so called; $1 59@$1 60 for White Genesee, the latter for 3,000 bush. to arrive; also 25,000 bush. No. 2 Milwaukee, seller first half of June, at $1 62. Barley is lower and more quiet; sales of 3,000 bush. Western, at 65c., and 10,000 bush. Canada West at $1 15. Barley Malt is tame; sales of 2,000 bush. Fair Canadian at $1 30. Oats are better and in demand for the trade; the sales are 63,000 bush. New Ohio Mixed at 50@52½c., inferior to good, afloat; White at 53@56½c.; Western Mixed at 51@52c., and 56c. bid for old, in store; White at 53@60½c. Rye is quiet; held above the views of buyers. Corn is without important change, and in fair demand for the trade chiefly; Old is firmly held; we notice some demand for the future, and we hear of a sale of 30,000 bush. for June at 65c.; the sales are 91,000 bush. Damp and Unsound at 49@51c.; Western Mixed at 57½@58½c., the latter for choice New, afloat, and 60½c. for Old, afloat; Western Yellow at 60½@60½c.; Southern White at 58c., in store.
