We understand that the services of Rev Mr. Gaston were required, twice on the 31st ult, and twice on the 1st inst.; and those of Esquire Holden once on the 1st. inst.; to tie the potial Knot in this neighborhood. May they ever remain firmly tied.

GENTLEMEN ATTENTION—Please fill the blanks of the circulars we sent you and hand them in to us by the mid of the week, for next issue. The information thus given and gathered will prove most useful and beneficial to our locality.

H. Brackett (col.) elected Justice of the Peace for Beat for No. 1, at the Nov. election was unable to give bond; and at the Special election Mr. W. N. Helton—who had the next highest vote to Brackett—was rerun and elected. He will make a good and acceptable officer.

AFFRAY.—On the 27th ult. at Logan's Mill, Jack Jones and a White colored engaged in a affray which fortunately did not prove as serious as threatened. White knocked Jones with an axe, the blow being partly warded off, when the parties "waded in" with a knife and cut White in two places.

TIME TABLE of the "New Orleans and Mobile Railroad" (please give the correct name of the road), changed on Christmas Day.

A new Schedule including the important points, will be found in appropriate place.

We are indebted to our obliging Train Agent, Mr. Payne, for a copy of the new near Time Table.

In our late visit to Jackson we stopped at the Nelson House, at the depot, and were furnished a most excellent table room and excellent fare for $2.00 per day, which we consider a vast improvement on what we generally paid at this city of magnificent hotel charges.

Mr. Nelson is a jolly, genial landlord and exerts himself to please his guests.

There is a fine Restaurant—where meals are served at all hours of the day and night, and a barroom attached to the hotel. "They say" the best of liquors are dispensed at the latter.

We are indebted to some thoughtful but unknown friend for an invitation gotten up in the highest style of the printer's art, including Card Admission to the Theatre, for the 43d. Anniversary of the Cowtellion De Rakin Society of Mobile, on New Year's Eve. The Science of Phenology was the subject and from the Register's account, the various Propensities and Faculties were admirably depicted.

May this pride of Mobile, a long exist to celebrate many returning Anniversaries.

We suppose the "Bumpiana" heralded the New Year in many a flowing bumper.

Dr. Moore the late postmaster of Moss Point P. O. having resigned, F. H. Brackett, colored was appointed, and on the 1st inst., removed the office from the business portion of the place, out to the piney woods, on the road to the Depot, where it will be about as much use to the community which it was intended to benefit as if it really was in "Africa". Good bye! Uncle Sam's P. O.

THE NEW ORLEANS HERALD.—About the date of our last issue our valued exchange, the N. O Daily Herald, announced that it had purchased the New Orleans Picayune and thereafter would combine the two establishments and issue under the style of the New Orleans Picayune. We looked upon the Herald as one of the spiciest, most readable journals published in the country, and were prepared to congratulate it upon this sign of prosperity, and increased facilities for issuing a paper which should be *the* paper of the Southwest. But the Herald has ceased to come to us and the *daily* Picayune doesn't come, and "we don't feel glad a bit".

MARRIED.

McLEOD—McLEOD—At the residence of Dr J. F. McLeod, near Macon Miss. by Rev. Mr. Leive, on the 23rd ult. Mr. J. M. McInnis of Pascagoula, and Miss Addie McLeod, daughter of the late Wm. McLeod.

BROOM—PANKEY—MARRIED at the residence of the bride's father near Moss Point, on Christmas evening, by Chancellor W. G. Henderson, MR. IRA BROOM to MISS MATTIE ALICE, daughter of Mr. M. Pankey; all of Pascagoula.

A bottle of wine and a large cake testified to the fact, that the printers were most generously remembered; and we extend to the couple our heart-felt wishes for a long life of happiness.

"Then come the wild weather—come sleet or come snow,
We will stand by each other, however it blow;
Oppression, and sickness, and sorrow and pain,
Shall be to our true love as links to the chain."

DR. RADWAY'S
Sarsaparillian Resolvent
THE GREAT BLOOD PURIFIER.
HAS MADE THE MOST ASTONISHING CURES, SO QUICK, SO RAPID ARE THE CHANGES THE BODY UNDERGOES, UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDICINE, THAT
Every Day an Increase in Flesh and Weight is Seen and Felt.
Every drop of the SARSAPARILLIAN RESOLVENT communicates through the Blood, Sweat, Urine, and other Fluids and juices of the system the vigor of life, for it repairs the wastes of the body with new and sound material. Scrofula, Syphilis, Consumption, Glandular disease, Ulcers in the throat, Mouth, Tumors, Nodes in the Glands and other parts of the system, Sore Eyes, Strumous discharges from the Ears and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all wasting and painful discharges, Night sweats, Loss of Sperm and all wastes of the life principle, are within the curative range of this wonder of modern Chemistry, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them.
If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succumbs to the ravages these wastes, and repairs the same with new material, made from healthy blood—and this the SARSAPARILLIAN RESOLVENT will and does secure—a cure is certain, for when once the work of purification, and supplying the waste, commences, the patient will feel himself growing better and stronger, the food digesting better, appetite improving, and flesh and weight increasing.
Not only does the SARSAPARILLIAN RESOLVENT excel all known remedial agents in the cure of Chronic, Scrofulous, Constitutional, and Skin diseases; but it is the only positive cure for
Kidney & Bladder Complaints,
Urinary and Womb diseases, Gravel, Diabetes, Dropsy, Stoppage of Water, Incontinence of Urine, Bright's Disease, Albuminuria, and in all cases where there are brick dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid, dark, bilious appearance, and white bone-dust deposits, and when there is a smarting, burning sensation when passing water, and pain in the Small of the Back and along the Loins.
