How Watch Cases are Made.

Most persons have an ambition to carry a gold watch case, and yet few people know how a watch case is made, or the vast difference in the quality of them. In a Solid Gold Watch Case, aside from the necessary thickness for engraving and polishing, a large proportion of the metal is needed only to stiffen and hold the engraved portions in place, and supply strength. The surplus is not only needless, but undesirable, because gold is a soft metal and cannot furnish the stiffness, strength and elasticity necessary to make the case permanently strong and close-fitting. The *perfect* watch case must combine gold with some metal that will supply that in which the gold is deficient. This has been accomplished by the *James Boss' Gold Watch Case*, which saves the WASTE of *needless* gold, and INCREASES the SOLIDITY and STRENGTH of the case, and at the same time *reduces* the cost ONE HALF.

Send 2 cent stamp to Keystone Watch Case Factories, Philadelphia, Pa., for handsome Illustrated Pamphlet showing how James Boss' and Keystone Watch Cases are made.

TUTT'S EXPECTORANT

Is composed of Herbal and Mucilaginous products, which permeate the substance of the Lungs, expectorates the acrid matter that collects in the Bronchial Tubes, and forms a soothing coating, which relieves the irritation that causes the cough. It cleanses the lungs of all impurities, strengthens them when enfeebled by disease, invigorates the circulation of the blood, and invests a nervous system. Slight colds often end in consumption. It is dangerous to neglect them. Apply the remedy promptly. A test of twenty years warrants the assertion that no remedy has ever been found that has prompt influence as TUTT'S EXPECTORANT. A single dose relies the phlegm, subdues inflammation, and its use speedily cures the most obstinate cough. A pleasant cordial, children take it readily. For Croup it is invaluable and should be in every family. In 25c. and $1 bottles.

A CRY FOR HELP ANSWERED.

DR. HAINES' GOLDEN SPECIFIC,

A POSITIVE AND RADICAL CURE FOR

DRUNKENNESS.

To the Wives, Mothers, and Sisters of Drinking Men:—

It lies in your own hands to save the husband, son, or brother from the awful disease of drunkenness. The *Golden Specific* can be administered without the knowledge of the patient. *By simply placing it in coffee, tea, or by addition of food or drink, the presence odd not be detected either by sense or taste,* and after a few days

TAKING A DRINK OF LIQUOR IS A PHYSICAL IMPOSSIBILITY.

Drunkenness is a *disease*, not a weakness. Periodically the appetite for alcoholic drinks must be cultivated; but when the appetite has ceased, it is as much a disease as any other affliction for which medicine is administered. Every nerve, tissue and pore of the body is but a famished wolf with a *diabolical craving* for alcohol, and craving for alcohol. Pledges, temperance lectures, "dreadful examples," prayers, entreaties—all are futile. Not one man in a thousand ever attempts the task, if he does, it is not the desire, but because he is physically weak. He would as easily endure torture from eating food after a famine with a banquet at his hand, as to deny his hungry system in its awful craving for liquor.

THE SPECIFIC AND LIQUOR CAN NOT EXIST IN THE SYSTEM TOGETHER.

It would be amusing, were it not painful, to witness the results that follow when the Specific has been given without his knowledge. A friend, who is known and esteemed, thinks that the good work has begun, he pours out his drink. He confidently anticipates the result. The next attempt, he raises the liquor to his lips, gets the first sip, and the whole is thrown out, usually with the remark that "someone, I am sure, has put a Mickey in this drink." There is no physical prostration, no "disease," no craving, but he is, of course, the more so more a drunkard than the child who never knew his father's house or home. *Take care to avoid mistakes.*

WIVES, MOTHERS, SISTERS,

Can you afford to neglect this means of saving the husband, son, or brother? As certain as that you love and desire to save him from a drunkard
