### CALL TO ARMS HURTS ORR MILL BALL CLUB

TEAM PRACTICALLY BROKEN UP BECAUSE PLAYERS BEING WITH MILITIA

### CATCHER ENLISTS

Star Members of the Team Are Going—Club Will Complete the Season.

"President Wilson's call for state militia about cleaned out our baseball team, just when they were going good," said Mr. J. A. Lyon, of Orr mill, in discussing the situation with a reporter yesterday afternoon. Mr. Lyon said many of the best players were either members of Company B or had enlisted since the call for volunteers was issued. The Orr mill baseball club has been leading the league since the opening of the season, and have put up a number of spectacular exhibitions. The team will complete the season with the men left and players kept in reserve, but a glance at the list of enlistments from Orr mill shows that the club received a severe jolt. Baseball players from Orr mill who will accompany the local militia to Mexico in the event orders to entrain are received are as follows: T. C. Kay, P. C. Ellison, C. G. Gaillard, J. M. McAllister, J. A. Ellison. Kay has been Orr's star catcher. The other boys are among the best fielders of the club.

### Your Examination

means all in the comfort of your glasses. This is why I so often hear the pleasing remark "Dr. Campbell I am delighted with my glasses." I laid the foundation for this work in the examination room, being equipped with the very latest appliances that science has imparted to man for making a differential diagnosis of your eye trouble, hence, your work is eliminated. Thus being able to enter into the spirit of one having eye trouble came nature as yours. I design and grind the glasses to please, and adjust them to the contour of the face. That's just what you get here and you couldn't get better in New York or Paris and the cost is small.
