The entire Delinquencies, together with all Road Tax, and one-half of all other taxes charged on the duplicate of 1899 are required to be paid on or before the 20th day of December, and the remainder on or before the 20th day of June next.

All persons having failed to pay their taxes last June should see that they are paid before the 20th day of December, so that they may not be advertised as Delinquent and offered for sale on the third Tuesday of January next, and thereby save expense.

When you ask by letter or by postal card for the amount of your taxes, designate your property clearly. State in whose name it appears on the duplicate, Township, Section and number of acres; if in town, name and number of lot, and in whose addition. Send stamp for reply.

Send money by certificate of deposit, postoffice money order or registered letter.

The Treasurer's office will be open daily, (Sundays and Holidays excepted,) during business hours from date until the 20th day of December next, and from the first day of April 1900 to the 20th day of June 1900 to receive said taxes. Every effort will be made to accommodate parties paying taxes. Those who call early and pay their taxes will save themselves, as well as the Treasurer, a great deal of time and prevent the disagreeable rush at the close of the season.

Tax-payers are earnestly requested to bring their last Tax Receipts.
