PROPOSED CONSTITUTION AMENDMENTS.

AMENDMENT NO. 1.

Resolved by the General Assembly of the State of Ohio, Three-fifths of the members elected to each House concurring therein, That it be and hereby is proposed to the electors of this State to vote on the second Tuesday of October next, upon the approval or rejection of the following amendment as a substitute for the twenty-fifth Section of the second Article of the Constitution, and for the second Section of the same Article, and for the third Section of the eleventh Article, viz: All regular sessions of the General Assembly shall commence on the First Monday of January, annually. Members shall be elected biennially and Representatives annually, by the electors of their respective counties or districts on the second Tuesday of October. Their term of office shall commence on the first day of January next after their election, and that of Senators shall continue two years, and that of Representatives one year. The Senators elected in October next shall hold their offices for two years, and the Representatives elected at the same time shall hold their offices for one year. Provided, that seventeen of the Senators elected on the second Tuesday of October, 1857, to be ascertained by lot, as the President of the Senate may direct, and shall hold their office for only one year, and their successors shall be elected on the second Tuesday of October, one thousand eight hundred and fifty-eight, and biennially thereafter. When any county shall have a fraction above the ratio for Representative so large that being multiplied by ten, the result shall be equal to one or more ratios, additional Representatives shall be apportioned for such ratios among the several sessions of the decennial period in the following manner: If there be only one ratio then a Representative shall be allotted to the tenth session of the decennial period.

If there are two ratios Representatives shall be allotted to the ninth and tenth sessions; If three to the eighth, ninth, and tenth sessions; If four to the seventh, eighth, ninth and tenth, if five to the sixth, seventh, eighth, ninth and tenth; If six to the fifth, sixth, seventh, eighth, ninth and tenth; if seven to the fourth, fifth, sixth, seventh, eighth, ninth and tenth; if eight, to the third, fourth, fifth, sixth, seventh, eighth, ninth and tenth; if nine to the second, third, fourth, fifth, sixth, seventh, eighth, ninth and tenth sessions of the decennial period respectively.

In determining the number of Senators to which any senatorial district might be entitled in any decennial period, by reason of any fraction of a senatorial ratio, the fraction shall be multiplied by five, and if the result be equal to one senatorial ratio, an additional Senator shall be allotted to said district for the ninth and tenth sessions. If it be equal to two such ratios an additional Senator for the seventh, eighth, ninth, and tenth sessions shall be allotted to such district. If three, then to the fifth, sixth, seventh, eighth, ninth, and tenth.

If four, to the third, fourth, fifth, sixth, seventh, eighth, ninth, and tenth sessions respectively. If this amendment be adopted by the electors, the counties now entitled to more than one member in either or both branches of the Legislature in the fourth and fifth sessions of the present decennial period, as now provided, shall have a like number of members in each branch thereof for each session of the remainder of the present decennial period.

N. H. VAN VORHES,
Speaker of the House of Representatives.
THOMAS H. FORD,
President of the Senate.

Dated April 3d, 1857.

AMENDMENT NO. 2.

Resolved by the General Assembly of the State of Ohio, Three-fifths of the members elected to each House concurring therein, That it be, and hereby is, proposed to the electors of this State to vote on the Second Tuesday of October next, upon the approval or rejection of the following amendment as a substitute for the 5th and 6th sections of the fourth article of the Constitution, viz: Sec. 5 District Courts shall be held in each county at least once in each year, by one or more District Judges elected by the electors of separate districts to be prescribed by law, who shall hold their office for five years, and during their continuance in office shall reside in the district for which they are elected. The provisions of the fourteenth section of this article shall apply to District Judges. The General Assembly may by law authorize the Judges of the District Court, and of the courts of Common Pleas, to fix the times of holding their respective courts. Until District Judges shall have been elected and qualified, District Courts shall be held by the Judges of the Supreme Court and of the Courts of Common Pleas, as now authorized. Sec. 6 The District Court shall have such jurisdiction as may be provided by such power and jurisdiction at chambers, and may be required to sit as judges of the courts of Common Pleas as shall be directed by law.

AMENDMENT NO. 3.

Resolved by the General Assembly of the State of Ohio, Three-fifths of the members elected to each branch, concurring therein, that it be and hereby is proposed to the electors of this State, to vote on the second Tuesday of October next, to approve or reject the following amendment as a substitute for the second and third sections of the twelfth article of the Constitution.

All property, personal and real, shall be subject to taxation by a uniform rule, at the true value thereof in money, but such deductions from credits may be allowed as the General Assembly may deem expedient; Provided, that burying grounds, public school houses, and all other public property, and all institutions of purely public charity, and all houses used exclusively for public worship, shall be exempt from taxation; and if the total value of the personal property of any person shall not exceed fifty dollars, the same may be exempt from taxation. All property employed in banking shall always bear a burden of taxation equal to that imposed on the property of individuals.

AMENDMENT NO. 4.

Resolved by the General Assembly of the State of Ohio, Three-fifths of the members elected to each house concurring therein, That it be and hereby is proposed to the electors of the State, on the second Tuesday of October next to approve or reject the following amendment as a substitute for the first and second sections of the thirteenth article of the Constitution, viz: Corporations of every description shall be created, and corporate powers granted only by general laws, which shall define the powers, privileges and immunities and prescribe the duties and liabilities of each class or description of corporations, but the General Assembly may enact special laws for relief of corporations; but no General Assembly may enact special laws for the relief of corporations in peculiar cases where from their peculiar location or the nature of such special purposes are required, and may from time to time alter or repeal all such laws, as are authorized by this section.

N. H. VAN VORHES,
Speaker of the House of Representatives.
THOMAS H. FORD,
President of the Senate.

Dated April 4, 1857.

AMENDMENT NO. 5.

Resolved by the General Assembly of the State of Ohio, three-fifths of the members elected to each House concurring therein, that it be, and hereby is proposed to the electors of this State to vote, on the second Tuesday of October next, upon the approval or rejection of the following amendment as an additional section to article eleven of the Constitution. Every county which now is, or may hereafter be entitled to more than one Senator, or Representative for the residue of the present decennial period, or for all, or any portion of any subsequent decennial period, shall be divided into as many Senatorial and Representative districts as there may be Senators or Representatives elective in any year of the present, or any subsequent decennial period, which districts shall be of contiguous territory, and each district shall contain as nearly a ratio for Senator or Representative as is attainable, without violating the rule herein given as to contiguity of territory, and without dividing any township, election precinct, or ward. If any Representative, or Senatorial district composed of two or more counties shall by reason of any excess of population over a ratio, be entitled to additional Representatives or Senators for any portion of the present or any subsequent decennial period, the district shall be divided into two districts, for each portion of such decennial period, which shall be contiguous territory, and each shall contain as near a ratio as is attainable without dividing counties.

If by reason of the apportionment of one Senatorial district to another, there shall be any excess of population over a Senatorial ratio, which shall be entitled to additional Senatorial representation for any portion of any decennial period, each district, as now constituted, shall elect one Senator.

Counties shall be divided into districts by the county commissioners or such other board of officers elective and resident in the proper county as may be provided by law. At least four months prior to the election in 1858, the counties entitled to more than one member of either house shall be divided into districts for the residue of the present decennial period, and at least four months prior to the general election in the first year of each subsequent decennial period, the counties entitled to more than one member for all, or any portion of such decennial period, in either or both houses, shall be divided into districts for the whole of the decennial period. A description of the districts of each county shall be published as may be directed by the county commissioners or as may be prescribed by law.

Professor Wood's Hair Restorative.

It has Worked Miracles!

THAT all the Bald and Gray can be restored perfectly to original growth and color so far as their locks are concerned does not admit of doubt; besides, it will cure every possible disease of the scalp, whether developed as dandruff, itching, or in the shape of cutaneous eruptions—yes, scald-headed—and in no possible case will it fail of curing, as if by magic, nervous or periodical headache, and if used twice a week by the young, regularly, it will preserve the color, and keep the hair from falling, to any imaginable age. Read and judge.

Logansport, In., June, 1855.

Messrs O. J. Wood & Co.:

GENTS:—Yours of the 13th came duly to hand. Enclosed please find thirty-eight dollars, being the amount for Hair Restorative. I have sold it all. * * * * If you choose, you may send six dozen bottles Hair Restorative; I think I can sell it. It has worked miracles in this place. I sold a man six $1 bottles, that was bald, and it fetched new hair out all over his head.

Yours respectfully, M. H GRIDLEY.

C. R. R. Office, Vandalia, June 21, 1854.

Professor Wood—

DEAR SIR:—I take pleasure in bearing voluntary testimony to the excellence of your Hair Restorative. Three months ago, my hair was very gray. It is now a dark brown (the original color) smooth and glossy. The only application I have made to it has been the Hair Restorative prepared by you, and which, from the result in my own case I can most cordially recommend to others.

Respectfully, yours,
EDWARD WOLCOTT.

Vincennes, In., June 21, 1853.

Prof. O. J. Wood:—As you are about to manufacture and vend your recently discovered Hair restoratives I will state, for whomsoever it may concern that I have used it—that I have, for several years, been in the habit of using other Hair Restoratives and that I find yours vastly superior to any other I know.—It entirely cleanses the head of dandruff, and with one month's proper use, will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance, and all this, without discoloring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to the hair.

Respectfully, yours, WILSON KING.

Prof. Wood:—As you are about to prepare and vend your recently discovered Hair Restorative, and as you request my opinion of it, I will state that my hair was, a few months ago, very gray, and after using two bottles of your Hair Restorative, it resumed its original color; and since its application, all dandruff has disappeared from my head, and I have been troubled with no disagreeable itching of the scalp. I am satisfied that those who use it, will not regret it, as it gives the appearance of having been recently oiled. I am prepared, therefore, to recommend its use to all who are desirous of having a beautiful head of hair.

I am, sir, yours, &c. H. L. STEWART.

Prof. Wood—

DEAR SIR:—My hair had, for several years, been becoming prematurely gray, accompanied by a disagreeable harshness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative, about two months ago, it was in that condition; and having continued its use till within the last three weeks, it has turned to its natural color and assumed a softness and lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used. I regard it as an indispensible article for every lady's toilet, whether to be used as a Hair Restorative, or for the simple purposes of beautifying the hair. You have permission to refer to me all who entertain any doubt of its performing all that is claimed for it.

MRS. C. SYMONDS, 114 Third st.

Cincinnati, O., February 10, 1854.

Watertown, Mass., May 1, 1854.

Prof. O. J. Wood:—Allow me to attest the virtues and magic powers of your Hair Restorative. Three months since, being exceedingly gray, I purchased and soon commenced to use, two bottles; and it soon began to tell in restoring the silver locks to their native color and the hair, which was before dry and harsh, and falling off, now became soft and glossy, and it ceased falling; the dandruff disappeared and the scalp lost all the disagreeable itching, so annoying before, and now, I not only look but feel young again.

Respectfully, yours, etc.
CHAS. WHITNEY.

Daguerreotypes at Cincinnati Price.

THE subscriber tenders his sincere thanks to the citizens of Hillsboro and vicinity for the liberal patronage he has received for the last nine months, and respectfully solicits a continuance of the same. I have settled permanently in this place, and can be found at my rooms on High st., one door South of Main, ready at all times to draw PERFECT LIKENESSES, true to nature and of all sizes, from the smallest miniature to the smallest medallion. Pictures take as without regard to weather, between the hours of 9 A. M. and 6 P. M. Persons sitting for Pictures and taking them from the Room, and afterwards becoming dissatisfied with them, can in all cases get them drawn over free of charge, until satisfactory in every respect. I therefore guarantee to please the most fastidious, in both price and quality of Pictures.

From my long experience in the Art, and in one of the best rooms in the world, I am confident that I can defy all competition. The public are invited to call and examine my specimens before going elsewhere. A silver reflector is my drawing board and the sunbeam my pencil—painted with golden light.
