tures for comment. After a strong opening at prices generally a fraction higher than the closing quotations of yesterday, a weaker tone pervaded the whole list, which continued during the remainder of the day, until near the close, when there was a sharp rally, supposed to have been caused by the covering of the "shorts." Erie was again the principal attraction, and there was a steady buying of the stock by that class of traders who are always ready to operate for ½ or ¾ per cent profit; and this demand made a good market for the large offerings. Western Union, which had remained steady nearly all day, finally broke 1 per cent on the report that the steamer Faraday had been successful in her effort to pick up the lost cable, and Atlantic and Pacific Telegraph stock rose 2 per cent on account of the same report. Pacific Mail was particularly weak, and declined 1⅜ per cent, closing, however, with a rally of ¾ per cent. Union Pacific yielded to the general tamper of the market, and declined to 74½ on a very small business, but rallied 1 per cent at the close. Lake Shore was dull and steady at 70¾@71, but on the general good feeling which prevailed for the last 15 minutes, advanced to 71⅛, buyer 3 days. The total amount of business for the day was 213,800 shares, and the number of shares of each leading stock sold, the opening, intermediate, and closing prices, with the changes from yesterday, are as follows: Of Western Union, 41,300 shares were sold at 79⅞@79@79¼@78¾@79@78⅞@78⅝, a decline of ⅝ per cent; Atlantic and Pacific Telegraph, 2,700 shares, at 23¾@23¼@25¼, an advance of 1½ per cent; Pacific Mail, 35,100 shares, at 43@41¾@42@41⅝@42⅜@42@42½, a decline of ⅜ per cent; Panama, 1,100 shares, at 153@152@155, an advance of 2½ per cent; Union Pacific, 9,200 shares, at 75½@75⅝@74½@75¾, an advance of ½ per cent; Kansas Pacific, 200 shares, at 22¾, an advance of ¼ per cent; Atlantic and Pacific Preferred, 200 shares, at 16¼@16⅛, a decline of ⅛ per cent; St. Louis, K. C. and No., 1,700 shares, at 8½@7½, a decline of 1¼ per cent; Preferred, 200 shares, at 41@40, a decline of 1 per cent; North Western, 13,000 shares, at 41½@40⅞@41½, an advance of ⅛ per cent; Preferred 200 shares, at 54, a decline of ⅞ per cent; St. Paul, 3,800 shares, at 36¾@36½@37¼, an advance of ⅜ per cent; Preferred, 500 at 58@57⅞@58, no change; Rock Island, 4,100 at 104¾@104⅜@104¾, an advance of ⅛ per cent; Wabash, 1,200 at 12½@12⅜@12½, no change; Ohio and Mississippi, 5,600 at 26⅛@25⅞@26¼, a gain of ¼ per cent; Lake Shore, 23,700 at 71⅛@70⅞@71⅛@70¾@71¼, a gain of ¼ per cent; Erie, 68,000 at 27½@27@27¼@26⅝@27⅜@27@27⅜, a gain of ½ per cent; Central and Hudson, 1,000 at 106@105@105⅜, a decline of ⅝ per cent; and 1,000 Hannibal and St. Jo at 24¼@24½, a gain of ⅛ per cent. The London advices report a better state of affairs, and though there is no change in money reported, yet Consols recovered ¼ per cent, and the United States securities improved ⅛ to ¼. Erie sold up to 24¾, but later retired to 24¼, the opening price. There was nothing new in the foreign exchange market, and the nominal rates are the same as yesterday, quoted below. The actual rates were on the basis of $4 87 to $4 87½, and $4 90 to $4 90½. The gold market was tame and dull, and the premium submitted to no fresh influences. The opening price was 115½, and the principal subsequent sales were at that, though there were transactions at 115⅜ and 115⅝. On gold loans rates were flat, and for carrying, one per cent. The engagements of specie for Wednesday's steamer amount at the close to $500,000. The export clearances of domestic produce from this port for the week ending to-day amounted in currency valuation to $3,908,621. The Assistant Treasurer paid out $124,000 in coin interest and $273,000 in called bonds. The day's business at the Gold Exchange Bank was as follows: Gold cleared, $27,119,000; gold balances, $650,225; currency balances, $757,575. We annex the principal quotations:

At a meeting of the Governing Committee of the New-York Stock Exchange, held this afternoon, supplementary to the election for officers yesterday, Mr. Brayton Ives of the firm of Brayton Ives & Co. was unanimously chosen Vice-President of the Stock Exchange. Mr. Ives has been a member of the Governing Committee for several years, and his promotion to the present position is a fitting and well-deserved compliment to a meritorious and painstaking officer, and this selection meets with very general approbation.

The exports of produce for the week ending to-day are $3,908,621, against $4,454,367 for the corresponding week in 1874 and $5,998,713 in 1873. The total exports since Jan. 1 this year amount to $85,144,965, against $100,820,195 for the corresponding period in 1874 and $100,640,538 in 1873.

The Commercial and Financial Chronicle publishes the following as the April earnings of the few railroads which furnish their gross receipts for publication. It is not a flattering indication of the business of the country that so few of our great railroad companies are willing to let the public know the state of their traffic.
