MONDAY, May 17—P. M.

The week opens with a stock market presenting the same features as that of the market for a week past. The desire of holders to part with all stocks which have not a fairly ascertainable value seems to have been increased by the exposé of the current business and financial condition of Erie, and it is quite apparent that the market derives whatever of strength it at times develops almost entirely to a demand from shorts to close their contracts. The dealings to-day have been upon a larger scale than usual of late, and something more than two-thirds of the business has been in Western Union, Pacific Mail, Lake Shore and Erie, the remainder of the transactions having been well distributed throughout the usually active list. The market opened weak and heavy, and only rallied slightly before breaking away from ½ to 1½ per cent, after which the fluctuations were confined within a range of ½ per cent, closing with a rally which, in Erie, amounts to 1 per cent from its lowest price. The total sales of the day amount to 354,100 shares, of which 67,800 were in Western Union at 77¼@77¾@76⅞@77@76⅝@76⅞, a decline of ½ per cent from Saturday's closing sale. Of Atlantic and Pacific Telegraph 1,200 shares were sold at 25½@25, a decline of ½ per cent. Pacific Mail was particularly weak, opening at 39½; it for a time fluctuated between 39@39¼ under heavy orders to buy from "bears," which orders being fully executed the price quickly dropped to 38. Afterwards the stock sold at 38¾@38⅛@38⅞@38⅛@38⅞@38⅝@38¾, a decline of 1 per cent after sales of 69,400 shares; 28,600 shares of Union Pacific sold at 76½@76@76¾@75⅞@76⅝@75½@75½@76¼@76, a decline of ⅛ per cent; 400 shares of Panama at 142@141@142½, a gain of 1½ per cent; 200 Atlantic Preferred at 16¾, a decline of ⅛ per cent. Of Ohio and Miss 10,400 shares were sold at 25¼@24½@24¾@24⅝@24¾, a decline of ⅜ per cent; 4,600 shares of Rock Island at 103⅞@103¾@104⅛@104 leave the price unchanged. Erie, after a decline of 1⅜ per cent from the opening, finally closed with a rally of 1 per cent, owing to a demand from the shorts just before the close: 56,900 shares of this stock were sold at 26@25⅞@26¼@24⅝@25½@25⅛@25⅝, a decline of ⅝ per cent. 600 Central and Hudson sold at 105½@105⅝@105⅜, a gain of ⅛ per cent; 500 Delaware, Lackawanna, and Western at 119@118⅝, a decline of ⅝ per cent; 500 Michigan Central at 71@69, a decline of 2 per cent, and 600 Hannibal and St. Joseph at 24¼@24⅝, a gain of ⅛ per cent. To-day being a holiday in London there were no quotations. The foreign exchange market was quiet and steady, the nominal quotations being given below, though actual business was on the basis of $4 80¾@$4 86½@$4 80@$4 80½. With business at these rates there is not likely to be any considerable shipments of gold, at least immediately. The gold market was dull, and the principal dealings were at 116, a few sales being made at 116⅛ early in the day. There is some talk of a pool having been formed in gold, with a view both of advancing the price and squeezing the shorts, but it does not appear to have as yet reached formidable dimensions, however it may eventuate. On gold loans the rates were 1 and 2 per cent for carrying, and 2 per cent and ⅛ for borrowing. The Assistant Treasurer paid out $91,000 in coin interest and $59,500 in called bonds. The day's business at the Gold Exchange Bank covered: Gold cleared, $29,690,000; gold balances, $1,481,028; currency balances, $1,721,363. The quotations for gold were as follows:

The day's transactions at the U. S. Sub-Treasury comprised:

There has been nothing new in money, call loans being freely done at 2½@3½ per cent, with prime discounts in demand at 4 to 6. The Treasurer at Washington received to-day $727,000 National bank notes for redemption. The internal revenue receipts were $580,000, and the customs receipts $303,000. The following is the Clearing-house statement: Currency exchanges, $96,925,790; currency balances, $3,509,017; gold exchanges, $10,110,884; gold balances, $1,123,787.

Government bonds were strong, and for the later Five-Twenty issues, firmer, Currency Sixes rising to 121¼. We annex closing street quotations:

Very little has been done in State bonds with the exception of a few Old Tennessee ex-coupon sold at 51¼. There has been considerable inquiry for District of Columbia 3.65's, which advanced to 74⅞, and are likely to be favorably affected by the new Savings Bank law of this State (signed by the Governor to-day) the terms of which authorize savings banks to invest in these securities. The registered bond of the District of Columbia, into which the coupons may be converted, have been prepared and are ready for conversion by those who desire to make the exchange.
