Made in Two Months.—A Wall street Operation.—The Banking House of Alex. Frothingham & Co., No. 12 Wall st., who deal in Stock Privileges, have said the enormous sum to their customers during this short space of time. Some persons have invested as high as $6,000 from only $100 originally invested, and many have made $1,000 and over from only $50.
They also issue a weekly report on the condition of affairs in Wall st., which they are glad to send free, for one year, to any one who desires and contemplates speculating.
Send for it.—[Evening Mail, New-York.

Boston Daily News says:
Messrs. Alexander Frothingham & Co. will furnish to those desiring to invest in Wall st., explanatory circulars, containing detailed statements and quotations and many "points" of great value to the uninitiated. The office is at No. 12 Wall st., New-York City.

Albany Evening Post says:
They offer facilities for controlling shares in the stock market more liberal than can be found at any other house in the street. A deposit of $50 will enable a person to control fifty shares of any stock valued at $5,000 for thirty days. A larger deposit will of course allow you to control a larger number of shares. A deposit of $1,000 will control one thousand shares, valued at $100,000, for thirty days. This arrangement enables a person of small capital to control a very large business, so that the man of energy is at once put on a level with the man of wealth. Address ALEX. FROTHINGHAM & Co., 12 Wall st., New-York.
