HELP WANTED—MALE

TRY FOR JUNIOR ACCOUNTANT,
OCTOBER, 1919.
AND FOR SENIOR ACCOUNTANT,
OCTOBER, 1920.

October 12 to November 15 is the period during which one-fourth of the year's business changes, readjustments, and building up of staffs are made.

If you have a faculty for figures and the crude stuff for the making of an Accountant, there is just about time between now and October 15th this year for you, through suitable intensive training during your spare hours at home—to qualify for a Junior Accountancy position that will pay at least $35 a week.

And ample time to qualify, before October, 1920, for position of Senior Accountant, Auditor, or Income Tax Expert, at a salary of at least $75 a week—with possibilities of more than twice that amount.

It is only a question of raw ability and industry, a resolute purpose to devote five spare home hours a week to intensive training in accordance with the most successful business training system ever devised, under the tutelage of a corps of eminent Certified Public Accountants who are renowned as practical teachers.

We have given hundreds of ambitious, earnest men and women the start that has put them over the top, and have their records to point to with just pride. We can do as much for you if you are made of the right stuff. Is it worth your while to investigate. No obligation. Address
