The buildings of the Institute will be entirely refitted, and arrangements made for heating them with steam before the opening of the ensuing fall term, which will render the session a century unequalled in regard to health, convenience, and comfortableness of residence, as it is already in thoroughness of instruction and strictness of government.

The seventh annual term will open on the second Monday in September, and the entire charge $100 per scholastic session, payable one half in advance.

Address the Superintendent, at "Military Institute, Franklin county, Kentucky," or the undersigned.

P. DUDLEY, President of the Board.

PENNSYLVANIA RAILROAD.

THIS road now complete. It opens a communication between Pittsburg and Philadelphia, or Pittsburg and Baltimore. By which Freight from the west can reach an eastern market quicker and cheaper than by any of the previous rival routes: they connect with the daily packets at Pittsburg, from St Louis, Louisville, Cincinnati, Wheeling, and all the tributary points on the Western waters. Also with the Cleveland and Pittsburg Rail Road, and Ohio and Pennsylvania Rail Road at Pittsburg. Cars run through between Pittsburgh and Philadelphia without the shipment of freight, an advantage that can be appreciated by all shippers.

MEDICAL.

DR. ROGERS' LIVERWORTH AND TAR
FOR THE COMPLETE CURE OF
Coughs, Colds, Influenza, Asthma, Bronchitis, spitting of Blood, and all other Lung Complaints leading to
CONSUMPTION.
THE GREAT COUGH REMEDY!

READER! have you a Cough, which you are neglecting, under the idea that it is only a common cold, that it will soon "wear itself out?" Let a friendly one, in all kindness, what will soon be the probable result.

In a short time, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp darting pains. Then a dry, hacking Cough will set in, and when you raise anything it will be a thick and yellowish, or white frothy matter, streaked, perhaps, with blood. If you still take no medicine, these symptoms will increase, and you will soon have Hectic Fever, Cold Chills, Night Sweats, Copious Expectoration, and then Great Prostration. If you still neglect yourself, a few weeks or months will see you consigned to the grave, leaving your friends to mourn how rapidly CONSUMPTION did its work, and hurried you away.—Friends have you no cause to be alarmed? In the above sketch you may see as in a glass, how every case of Consumption progresses, with more or less rapidity, to a fatal termination. Of all the Thousands and Millions whom this great Destroyer has gathered to the tomb, every single one began with a Cold! If this had been attended to, all might have been well but, being neglected, under the fatal delusion that it would "wear itself," it transformed its deadly action to the substance of the Lungs, exciting there the formation of tubercles. Another, and another cold added fuel to the flame, until these tubercles began to soften and suppurate caving, by their ulceration, great cavities in the lungs. At this crisis, the disease is very difficult of cure, and oftentime, set at defiance all human means.

In the latter or worst stage, this medicine will oftentimes arrest the disease, or check its progress, and will always make the patient more comfortable, and prolong his life, and is therefore worthy of a trial;—but in its incipient or forming periods, Consumption has curbable as any other disease, and "Dr. Rogers' Syrup of Liverworth, Tar, and Canchalagua," if taken at this time, will cure it ☞ AS SURELY AS IT IS TAKEN! ☜ This is strong language, but we can refer you to numberless living witnesses to prove that this TRUE And therefore, we earnestly exhort every man, woman and child, who has a Cough, or is subject to Colds, to keep medicine by you in the house, and whenever you take Cold, do not "let it alone" to work mischief in your system, but eradicate it thoroughly, at once, by this power, fully healing compound and leave your Lungs uninjured, so carry you in full vigor to a good old age!

MOTHERS!

Have you delicate, weakly children, who are always taking cold, and subject to Croup? Remember! There never was case of Croup, which did not originate in a Cold! And when your child goes to bed wheezing and coughing, you know not that, before morning, Croup may not set in, and are you can get a Physician, your dear child may be beyond the reach of help. We beseech you therefore, as you value the lives of your children, keep this medicine by you in the house, and when your little ones take cold and commence coughing, give it to them at once, and rest not until the cough is entirely subdued. We conscientiously aver, after the most extended experience, that if this advice were followed, no child need ever

DIE OF CROUP,

for the cold would be cured, before it could arrive at this aggravated and fatal stage. Let every Mother, especially, heed well these remarks, that she may not hereafter, when mourning over the early blight of some cherished blossom, have occasion bitterly to reproach herself for her criminal neglect. It is an old adage, that "to be forwarned, is to be forearmed." Parents! so let it be in your case.

Be sure to ask for Dr. A. Rogers' Syrup of LIVERWORT, TAR and CANCHALAGUA, and let no other be palmed on you.

PHILOTOKEN OR FEMALE'S FRIEND.

For the cure of Painful and Disordered Menstruation, Miscarriage or Abortion, and the relief of all those Sympathetic Nervous Affections attendant on Pregnancy.

Much of the suffering attendant upon the lives of females at the present day may be traced to some slight imprudence or neglect during some critical period of their peculiar seasons, causing obstructions, irregularity, &c., which, if not relieved, gradually weakens and deranges the system, and by sympathy induces those chronic forms of disease—Consumption, Dropsy, Dyspepsia, &c—which either hurry them to an early grave or render them invalids for life. Many of the fairest and loveliest of creation, at that age when the bud was just bursting into bloom, have withered and died from the effects of obstruction, and the want of a remedy to assist nature at that eventful period.

TRY THE PHILOTOKEN.

It is not offered as a cure of all ills that flesh is heir to, but as a remedy and preventive for a certain class of complaints, in which it is warranted to do all that is here set forth, or that medicine directed with experience and skill can perform. Sold by SCOVIL & MEAD,
