RAILROAD.

SPECIAL NOTICE TO SHIPPERS VIA SAVANNAH TO NASHVILLE.

AS the Nashville and Chattanooga Railroad Company has notified and reminded the Central Railroad Company of Georgia, of their Summer Rate, and it does not seem to have been noticed or recognized in the hand bills of that Company recently distributed in our city, we take this method of informing the Merchants and Shippers by that line, that the rate will be $1 55 per 100 lbs on 1st Class Goods, and not $1 25, as the hand bills represent $1 25 is the average through rate on First Class Goods from the Seaboard to Nashville, but is subjected to the 10 cents additional in the Summer and a deduction of 10 cents per 100 lbs. in the Winter, which make the rate as per our advertisement $1 35 from June to December, and $1 15 from December to June

ROGERS' LIVERWORT & TAR

For the Complete Cure of Coughs, Colds, Influenza, Asthma, Bronchitis, Spitting of Blood and all other Lung Complaints tending to Consumption.

THIS preparation is getting into use all over our country. The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best Cough Medicine now before the public.—It almost invariably relieves and not unfrequently cures the worst cases. When all other Cough preparations have failed, this has relieved the patient, as Druggists, dealers in Medicines, and Physicians can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you it is the best medicine extant.

Below we give a few extracts from letters we have received lately regarding the virtues of this medicine.

Dr. S. S. Odle, of Knoxville, Ga., says:—I have been using your Liverwort and Tar very extensively in my practice for three years past, and, it is with pleasure I state my belief in its superiority over all other articles with which I am acquainted, for which it is recommended.

Messrs. Fitzgerald & Brenners, writing from Waynesville, N. C., says:—The Liverwort and Tar is becoming daily more popular in this country, and we think justly so. All who have tried it speak in commendable terms of it, and say it is very beneficial in alleviating the complaints for which it is recommended.

Our Agent in Pickens District, S. C., Mr. S. R. McFall, assures us that he uses it with great benefit in his own family and recommends it to his neighbors." He gives an instance of a negro woman in his vicinity, who had been suffering with disease of the Lungs for years, attended with severe cough, who was relieved by the Liverwort and Tar.

Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering patient to read the pamphlet which accompanies each bottle. To all we say, have hope, have hope!

Try the Medicine!! Be warned in season!! And neglect not that cough which is daily weakening your constitution, irritating your throat and lungs, and inviting on that dread disease, Consumption, when so soothing and healing a remedy can be obtained as Rogers' Syrup of Liverwort and Tar.

Beware of Counterfeits and base imitations. The genuine article is signed Andrew Rogers, on the engraved wrapper around each bottle.
