BIG VALUES FOR LITTLE MONEY!

NO DELAY AS TO PETITION

President Wishes Matter Disposed of at Once.

(By Associated Press.)

WASHINGTON, July 9.—Secretary Hay was in further consultation to-day with some of the Jewish leaders and communicated to them the President's desire that they should call at Oyster Bay next Tuesday to consult respecting the disposition to be made of the Jewish petition to Russia. The Secretary took occasion to emphasize the President's desire that there should be no further delay in the submission of the petition so that it will be ready next week. It is probable that the course to be pursued will consist in the dispatch of cablegrams to Mr. Riddle United States charge at St. Petersburg, directing him to inquire of the Russian government whether it is willing to receive a petition, the nature of which will be briefly outlined by Mr. Riddle, and further proceedings will be governed by their answer.

The President has decided that the matter of the petition must be finally disposed of before any further effort is made here to compose the issues arising out of the Manchurian situation. Therefore, it is now said that nothing is likely to be done in regard to Manchuria until next September, by which time according to the last Russian engagement, the evacuation of Manchuria by Russian troops, save railroad guards, should be complete. It is understood that the Russian government has set up as one reason for not sanctioning the opening of new ports in Manchuria, the necessity of allowing her first to complete the evacuation of Manchuria, and although the reasoning is rather obscure on that point, it is understood that our government is willing to wait until September before making the next move.

HENRY WALTERS CHOSEN TO SUCCEED BELMONT

(By Associated Press.)

NEW YORK, July 9.—At a meeting of the Board of Directors of the Louisville and Nashville Railroad Company held to-day, August Belmont resigned his position as chairman of the board. The report for the year ending June 30th showed a surplus, after charges and dividends have been deducted, of $3,126,459, an increase of $1,276,152 over the previous year. The gross earning were $35,415,339, an increase of $4,103,332; operating expenses, $23,950,565, increase of $3,048,127; net increase, $11,464,824; increase, $1,055,005. Mr. Belmont announced some time ago his intention to sever active connection with the Louisville and Nashville, pleading press of outside affairs.

It has just come to our knowledge that there was a rumor current on the street that the Geo. D. Witt Shoe Co. had notified their employes, who are members of the Lynchburg Home Guards, now on duty in Richmond, unless they returned their places would be filled by others. We wish to make a public denial, and to state that the rumor has no foundation in fact whatsoever. We venture the assertion there are no finer soldiers in Richmond than our boys, and when the State has no further use for their services they can return to resume their duties, which they laid down to answer the call of the Governor of their State.
