## MEDICAL.

HELMBOLD'S FLUID EXTRACT

BUCHU

Non-Retention or Incontinence of Urine, Irritation, Inflammation or Ulceration of the Bladder & Kidneys, Diseases of the Prostate Gland, Stone in the Bladder, Gravel or Brick Dust Deposit, and all Diseases of the Bladder, Kidneys, and Urinary Organs.

Helmbold's Fluid Extract Buchu

FOR WEAKNESS

ARISING FROM HABITS OF DISSIPATION.

The Constitution once affected by Cyanic Weakness, requires the aid of medicine to strengthen and invigorate the system, which Helmbold's Extract Buchu invariably does. No treatment to a complete cure of Insanity may exist.

Helmbold's Fluid Extract Buchu

In affections peculiar to females, is unequaled by any other preparation, as in Chlorosis or Retention, Irregularities, painfulness or suppression of customary evacuations, Ulceration or Scirrhous state of the Uterus, Leucorrhœa, and all complaints incident to the sex, whether arising from habits of dissipation, imprudencies, or in the Decline or Change of life.

Helmbold's Fluid Extract Buchu

AND

IMPROVED ROSE WASH,

Will radically exterminate from the system Diseases of the Urinary Organs arising from habits of Dissipation, at little expense, little or no change in diet, and no exposure, completely superseding those unpleasant and dangerous remedies, Copaiba and Mercury, in curing those unpleasant and dangerous diseases.

USE HELMBOLD'S

FLUID EXTRACT BUCHU

In all cases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, immediate in its action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from Broken-down or Delicate Constitutions, procure the Remedy at once.

The reader must be aware that however slight may be the attack of the above disease, it is sure to affect his bodily health, mental powers, happiness, and that of his posterity. Our flesh and blood are supported from these sources.

PHYSICIANS, PLEASE NOTICE!

We make no secret of the ingredients. HELMBOLD'S FLUID EXTRACT BUCHU is composed of Buchu, Cubebs and Juniper Berries, selected with great care, and prepared in vacuo by H. T. HELMBOLD, Druggist and Chemist of sixteen years' experience in the city of Philadelphia, and which is now prescribed by the most eminent physicians, has been admitted to use in the United States Army, and is also in very general use in State Hospitals and public Sanitary Institutions throughout the [illegible].

NEW BOTTLING ESTABLISHMENT.—The undersigned respectfully informs the keepers of Restaurants, and the public generally, that they have entered into a co-partnership to carry on the business of bottling the choicest Ales and Porter, at No. 38 Market Square, Norfolk, and corner of Grace and 20th streets, Richmond, Virginia.

Our stock is selected with care from first-class Northern Brewers, and from our long experience in New York, in the Bottling business, are confident that we can supply the public and the trade generally, with a better and cheaper article than any other house in town. We are the first parties in the business, and we are selling from fifteen to twenty per cent. lower than jobbers, who have to pay bottlers North a large profit.

We would say to parties, before purchasing elsewhere, to give us a call, and try a bottle of our sparkling beverages.

We would also state that we still continue to manufacture our far-famed Soda and Sarsaparilla Waters, so universally appreciated by our fellow-citizens.

A Lady having Enjoyed the Pleasure, Comfort and Great Convenience of Wearing the DUPLEX ELLIPTIC STEEL SPRING SKIRT for a Single Day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are Superior to all others.

THE HOOPS are covered with two-ply double twisted thread, and will Wear twice as long as the Single yarn, covering which is used on all Single Steel Hoop Skirts.
