STATE OF MICHIGAN, In the Circuit Court for the County of Gratiot, in Chancery.

The petition of Oramel B. Fuller, Auditor General of the State of Michigan, for and in behalf of said State, respectfully shows that the list of lands hereinafter set forth and marked "Schedule A," contains a description of all the lands in said County of Gratiot upon which taxes were assessed for the years mentioned therein, and which were returned as delinquent for non-payment of taxes, and which taxes have not been paid, together with the total amount of such taxes, with interest computed thereon to the time fixed for sale, and collection fee and expenses, as provided by law, extended against each of said parcels of land.

Your petitioner further shows to the Court that said lands were returned to the Auditor General under the provisions of Act 206 of the Public Acts of 1895, as delinquent for non-payment of said taxes for said years respectively, and that said taxes remain unpaid; except that lands included in said "Schedule A" for taxes of 1900 or prior years were returned to the Auditor General as delinquent for said taxes under the provisions of the general tax laws in force prior to the passage of Act 206 of the Public Acts of 1895, and which taxes remain unpaid.

Your petitioner further shows that in all cases where lands are included in "Schedule A" as aforesaid for taxes of 1890 or of any prior year, said lands have not been sold for said taxes or have been heretofore sold for said delinquent taxes and the sale or sales so made have been set aside by a court of competent jurisdiction, or have been cancelled as provided by law.

Your petitioner further shows and avers that the taxes, interest, collection fee and expenses, as set forth in said "Schedule A," are a valid lien on the several parcels of lands described in said schedule.

Your petitioner further shows that the said taxes on said described lands have remained unpaid for more than one year after they were returned as delinquent; and the said taxes not having been paid, and the same being now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land contained therein, and in default of payment of the said several sums computed and extended against said lands, that each of said parcels of land may be sold for the amounts due thereon, as provided by law, to pay the lien aforesaid.

And your petitioner will ever pray, etc.

ORAMEL B. FULLER.
Auditor General of the State of Michigan, for and in behalf of said State
